DEFINITIONS

As used throughout the Policy, the following terms shall have the meanings indicated below. Other parts of the Policy contain definitions specific to those provisions.

ACTIVE WORK or ACTIVELY AT WORK means an Employee's full-time performance of all Main Duties of his or her Own Occupation, for the regularly scheduled number of hours, at:

1. the Employer's usual place of business; or
2. any other business location where the Employer requires the Employee to travel.

Unless disabled on the prior workday or on the day of absence, an Employee will be considered Actively at Work on the following days:

1. a Saturday, Sunday or holiday that is not a scheduled workday;
2. a paid vacation day or other scheduled or unscheduled non-workday; or
3. a non-medical leave of absence of 12 weeks or less, whether taken with the Employer's prior approval or on an emergency basis.

This includes a Military Leave or an approved Family or Medical Leave that is **not** due to the Employee's own health condition.

ANNUAL SALARY means the Insured Employee's **BASIC MONTHLY EARNINGS or PREDISABILITY INCOME** multiplied by 12.

BASIC MONTHLY EARNINGS or PREDISABILITY INCOME means the Insured Employee's average monthly base salary or hourly pay from the Employer before taxes on the Determination Date. The "**Determination Date**" is the last day worked just prior to the date the Disability begins.

It does **not** include commissions, bonuses, overtime pay, or any other extra compensation. It does **not** include income from a source other than the Employer. It will not exceed the amount shown in the Employer's financial records, the amount for which premium has been paid, or the Maximum Covered Monthly Earnings permitted by the Policy; whichever is less. (Maximum Covered Monthly Earnings equals the Maximum Monthly Benefit divided by the Benefit Percentage shown in the Schedule of Benefits.) Exception: For purposes of determining the Partial Disability Monthly Benefit, Basic Monthly Earnings will not exceed the amount shown in the Employer's financial records.

COMPANY means The Lincoln National Life Insurance Company, an Indiana corporation. Its Group Insurance Service Office address is 8801 Indian Hills Drive, Omaha, Nebraska 68114-4066.

DAY or DATE means the period of time that begins at 12:01 a.m. and ends at 12:00 midnight, standard time, at the Policyholder's place of business. When used with regard to effective dates, it means 12:01 a.m. When used with regard to termination dates, it means 12:00 midnight.

DISABILITY or DISABLED means Total Disability or Partial Disability.

DISABILITY BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan due to disability as defined in that plan; and
2. does not reduce the benefits that would have been paid as Retirement Benefits at the normal retirement age under the plan if the disability had not occurred.

If the payment of the benefit does cause such a reduction, the benefit will be deemed a Retirement Benefit as defined in the Policy.

DEFINITIONS **(Continued)**

ELIMINATION PERIOD means the number of days of Disability during which no benefit is payable. The Elimination Period is shown in the Schedule of Benefits. It applies as follows.

1. The Elimination Period:
 - a. begins on the first day of Disability; and
 - b. is satisfied when the required number of days is accumulated within a period which does not exceed two times the Elimination Period.During a period of Disability, the Insured Employee may return to full-time work, at his or her own or any other occupation, for an accumulated number of days not to exceed the Elimination Period.
2. Only days of Disability caused by the same or a related Sickness or Injury will count towards the Elimination Period. Days on which the Insured Employee returns to full-time work will not count towards the Elimination Period.

EMPLOYEE or FULL-TIME EMPLOYEE or REGULAR PART-TIME EMPLOYEE means a person:

1. whose employment with the Employer is the person's main occupation;
2. whose employment is for regular wage or salary, on a full-time or part-time basis;
3. who is regularly scheduled to work at such occupation at least the Minimum Hours shown in the Schedule of Benefits;
4. who is a member of an Eligible Class which is eligible for coverage under the Policy;
5. who is not a temporary or seasonal employee; and
6. who is a citizen of the United States or legally works in the United States.

EMPLOYER means the Policyholder. It includes any division, subsidiary or affiliated company named in the Application or Participation Agreement.

EVIDENCE OF INSURABILITY means a statement of proof of an Employee's medical history. The Company uses this to determine his or her acceptance for insurance or an increased amount of insurance. Such proof will be provided at the Employee's own expense.

FAMILY OR MEDICAL LEAVE means an approved leave of absence that:

1. is subject to the federal FMLA law (the Family and Medical Leave Act of 1993 and any amendments to it) or a similar state law;
2. is taken in accord with the Employer's leave policy and the law which applies; and
3. does not exceed the period approved by the Employer and required by that law.

Under the federal FMLA law, such leaves are permitted for up to 12 weeks in a 12-month period, as defined by the Employer. The 12 weeks:

1. may consist of consecutive or intermittent work days; or
2. may be granted on a part-time equivalency basis.

If an Employee is entitled to a leave under both the federal FMLA law and a similar state law, he or she may elect the more favorable leave (but not both). If an Employee is on an FMLA leave due to his or her own health condition on the date Policy coverage takes effect, he or she is not considered Actively at Work.

FULL-TIME, as it applies to the Partial Disability Monthly Benefit, means the average number of hours the Insured Employee was regularly scheduled to work, at his or her Own Occupation, during the month just prior to:

1. the date the Elimination Period begins; or
2. the date an approved leave of absence begins, if the Elimination Period begins while the Insured Employee is continuing coverage during a leave of absence.

INJURY means an accidental bodily Injury that:

MAIN DUTIES or MATERIAL AND SUBSTANTIAL DUTIES means those job tasks that:

1. are normally required to perform the Insured Employee's Own Occupation; and
2. could not reasonably be modified or omitted.

To determine whether a job task could reasonably be modified or omitted, the Company will apply the Americans with Disabilities Act's standards concerning reasonable accommodation. It will apply the Act's standards, whether or not:

1. the Employer is subject to the Act; or
2. the Insured Employee has requested such a job accommodation.

An Employer's failure to modify or omit other job tasks does **not** render the Insured Employee unable to perform the Main Duties of the job.

Main Duties include those job tasks:

1. as described in the U.S. Department of Labor Dictionary of Occupational Titles; and
2. as performed in the general labor market and national economy.

Main Duties are **not** limited to those specific job tasks as performed for a certain firm or at a certain work site.

MEDICALLY APPROPRIATE TREATMENT means diagnostic services, consultation, care or services that are consistent with the symptoms or diagnosis causing the Insured Employee's Disability. Such treatment must be rendered:

1. by a Physician whose license and any specialty are consistent with the disabling condition; and

1. is subject to the federal USERRA law (the Uniformed Services Employment and Reemployment Rights Act of 1994 and any amendments to it);
2. is taken in accord with the Employer's leave policy and the federal USERRA law; and
3. does not exceed the period required by that law.

OWN OCCUPATION or REGULAR OCCUPATION means the occupation, trade or profession:

1. in which the Insured Employee was employed with the Employer prior to Disability; and
2. which was his or her main source of earned income prior to Disability.

It means a collective description of related jobs, as defined by the U.S. Department of Labor Dictionary of Occupational Titles. It includes any work in the same occupation for pay or profit, regardless of:

1. whether such work is with the Employer, with some other firm, or on a self-employed basis; or
2. whether a suitable opening is currently available with the Employer or in the local labor market.

OWN OCCUPATION PERIOD means a period as shown in the Schedule of Benefits.

DEFINITIONS **(Continued)**

PARTIAL DISABILITY or **PARTIALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
 - a. is unable to perform one or more of the Main Duties of his or her Own Occupation; or is unable to perform such duties full-time; and
 - b. is engaged in Partial Disability Employment.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
 - a. is unable to perform one or more of the Main Duties of any occupation which his or her training, education or experience will reasonably allow; or is unable to perform such duties full-time; and
 - b. is engaged in Partial Disability Employment.

PARTIAL DISABILITY EMPLOYMENT means the Insured Employee is working at his or her Own Occupation or any other occupation; however, because of a Partial Disability:

1. the Insured Employee's hours or production is reduced;
2. one or more Main Duties of the job are reassigned; or
3. the Insured Employee is working in a lower-paid occupation.

During Partial Disability Employment, his or her current earnings:

1. must be at least 20% of Predisability Income; and

2. any other duly licensed medical practitioner who is deemed by state law to be the same as a legally qualified medical doctor.

The medical doctor or other medical practitioner must be acting within the scope of his or her license. He or she must be qualified to provide Medically Appropriate Treatment for the Insured Employee's disabling condition.

Physician does **not** include the Insured Employee or a relative of the Insured Employee receiving treatment. Relatives include:

1. the Insured Employee's spouse, siblings, parents, children and grandparents; and
2. his or her spouse's relatives of like degree.

POLICY means this group insurance Policy issued by the Company to the Policyholder.

POLICYHOLDER means the person, company, trust or other organization as shown on the Face Page of the Policy.

PREDISABILITY INCOME—See Basic Monthly Earnings definition.

REGULAR CARE OF A PHYSICIAN or **REGULAR ATTENDANCE OF A PHYSICIAN** means the Insured Employee:

1. personally visits a Physician, as often as medically required according to standard medical practice to effectively manage and treat his or her disabling condition; and
2. receives Medically Appropriate Treatment, by a Physician whose license and any specialty are consistent with the disabling condition.

Such care will be deemed medically necessary until the attending Physician certifies in writing that the Insured Employee has reached his or her maximum point of recovery and that further treatment would be useless.

REGULAR OCCUPATION—See Own Occupation or Regular Occupation definition.

DEFINITIONS **(Continued)**

RETIREMENT BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan either in a lump sum or in the form of periodic payments;
2. does not represent contributions made by an Insured Employee (Payments representing Employee contributions are deemed to be received over the Insured Employee's expected remaining life, regardless of when they are actually received.); and
3. is payable upon:
 - a. early or normal retirement; or
 - b. disability (if the payment does reduce the benefit which would have been paid at the normal retirement age under the plan, if disability had not occurred).

RETIREMENT PLAN means a defined benefit or defined contribution plan that:

1. provides Retirement Benefits to Employees; and
2. is not funded wholly by Employee contributions.

The term shall **not** include any 401(k), profit-sharing or thrift plan; informal salary continuance plan; individual retirement account (IRA); tax sheltered annuity (TSA); stock ownership plan; or a non-qualified plan of deferred compensation.

An Employer's Retirement Plan is deemed to include any Retirement Plan:

1. which is part of any federal, state, county, municipal or association retirement system; and
2. for which the Insured Employee is eligible as a result of employment with the Employer.

SICK LEAVE or **SALARY CONTINUANCE PLAN** means a plan that:

1. is established and maintained by the Employer for the benefit of Employees; and
2. continues payment of all or part of an Insured Employee's Predisability Income for a specified period after he or she becomes Disabled.

It does **not** include compensation the Employer pays an Insured Employee for work actually performed during a Disability.

SICKNESS means illness, pregnancy or disease.

TOTAL COVERED PAYROLL means the total amount of Basic Monthly Earnings for all Employees insured under the Policy.

TOTAL DISABILITY or **TOTALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of his or her Own Occupation.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of any occupation which his or her training, education or experience will reasonably allow.

The loss of a professional license, an occupational license or certification, or a driver's license for any reason does **not**, by itself, constitute Total Disability.

WAITING PERIOD means the period of time an Employee must be employed in an eligible class with the Employer, before he or she becomes eligible to enroll for coverage under the Policy. The period of service must be continuous, except as explained in the Eligibility provision captioned Prior Service Credit Towards Waiting Period.

GENERAL PROVISIONS

ENTIRE CONTRACT. The entire contract between the parties shall consist of:

1. the Policy and any amendments to it;
2. the Policyholder's application (a copy of which is attached to the Policy);
3. any Participating Employers' applications or Participation Agreements; and
4. any individual applications of the Insured Employees.

In the absence of fraud, all statements made by the Policyholder and by Insured Employees are representations and not warranties. No statement made by an Insured Employee will be used to contest the coverage provided by the Policy, unless:

1. it is contained in a written statement signed by that Insured Employee; and
2. a copy of the statement has been furnished to that Insured Employee.

INCONTESTABILITY. Except for the non-payment of premiums or fraud, the Company may not contest the validity of the Policy after it has been in force for two years from its date of issue; and as to any Insured Employee, after his or her coverage has been in force for two years during his or her lifetime. This clause does not preclude, at any time, the assertion of defenses based upon:

1. the Policy's eligibility requirements, exclusions and limitations; and
2. other Policy provisions unrelated to the validity of coverage.

RESCISSION. The Company has the right to rescind any insurance for which Evidence of Insurability was required, if:

1. an Insured Employee incurs a claim during the first two years of coverage; and
2. the Company discovers that the Insured Employee made a Material Misrepresentation on his or her application.

A "**Material Misrepresentation**" is an incomplete or untrue statement that caused the Company to issue coverage that it would have disapproved, had it known the truth. "**To rescind**" means to cancel insurance back to its effective date. In that event, the Company will refund all premium paid for the rescinded insurance, less any benefits paid for the Insured Employee's claims. The Company reserves the right to recover any claims paid in excess of such premiums.

MISSTATEMENTS OF FACTS. If relevant facts about any person were misstated:

1. a fair adjustment of the premium will be made; and
2. the true facts will decide if and in what amount insurance is valid under the Policy.

If an Insured Employee's age has been misstated, any benefits shall be in the amount the paid premium would have purchased at the correct age.

POLICYHOLDER'S AGENCY. For all purposes of the Policy, the Policyholder acts on its own behalf or as the Employee's agent. Under no circumstances will the Policyholder be deemed the Company's agent.

CURRENCY. In administering the Policy:

1. all Predisability Income will be expressed in U.S. dollars; and
2. all premium and benefit amounts must be paid in U.S. dollars.

WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE. The Policy does not replace or provide benefits required by:

1. Workers' Compensation laws; or
2. any state disability insurance plan laws.

ASSIGNMENT. The rights and benefits under this Certificate may not be assigned.

CLAIMS PROCEDURES

NOTICE OF CLAIM. Written notice of claim must be given during the Elimination Period or as soon as reasonably possible after that*. The notice must be sent to the Company's Group Insurance Service Office. It should include:

1. the Insured Employee's name and address; and
2. the number of the Policy.

CLAIM FORMS. When notice of claim is received, the Company will send claim forms to the Insured Employee. If the Company does not send the forms within 15 days, the Insured Employee may send the Company written proof of Disability in a letter. It should state the date the Disability began, its cause and degree. The Company will periodically send the Insured Employee additional claim forms.

PROOF OF CLAIM. The Company must be given written proof of claim within 180 days after the end of the Elimination Period; or as soon as reasonably possible after that*.

Proof of claim must be provided at the Insured Employee's own expense. It must show the date the Disability began, its cause and degree. Documentation must include:

1. completed statements by the Insured Employee and the Employer;
2. a completed statement by the attending Physician, which must describe any restrictions on the Insured Employee's performance of the duties of his or her Regular Occupation;
3. proof of any other income received;
4. proof of any benefits available from other income sources, which may affect Policy benefits;
5. a signed authorization for the Company to obtain more information; and
6. any other items the Company may reasonably require in support of the claim.

Proof of continued Disability, Regular Care of a Physician, and any Other Income Benefits affecting the claim must be given to the Company. This should be supplied within 45 days after the Company requests it. If it is not, benefits may be suspended. Such proof must be given to the Company within 180 days after the end of the period for which the Company is liable; or as soon as reasonably possible after that*.

*** Exception.** Failure to give notice or furnish proof of claim within the required time period will not invalidate or reduce the claim; if it is shown that it was done:

1. as soon as reasonably possible; and
2. in no event more than one year after it was required.

These time limits will not apply while the claimant lacks legal capacity.

EXAMINATION. The Company may have the Insured Employee examined:

1. by a Physician, specialist or vocational rehabilitation expert of the Company's choice;
2. as often as reasonably required while a claim or appeal is pending.

Any such exam will be at the Company's expense.

The Company may determine that (in its opinion) the Insured Employee has:

1. failed to cooperate with an examiner;
2. failed to take an exam scheduled by the Company; or
3. postponed such an exam more than twice.

In that event, benefits may be denied or suspended, until the required exam is completed.

TIME OF PAYMENT OF CLAIMS. Benefits payable under the Policy will be paid immediately after the Company receives complete proof of claim and confirms liability. After that:

1. Any benefits will be paid monthly, during any period for which the Company is liable. If benefits are due for less than a month, they will be paid on a pro rata basis. The daily rate will equal 1/30 of the Monthly Benefit.
2. Any balance, which remains unpaid at the end of the period of liability, will be paid immediately after the Company receives complete proof of claim and confirms liability.

CLAIMS PROCEDURES **(Continued)**

TO WHOM PAYABLE. All benefits are payable to the Insured Employee, while living. After his or her death, benefits will be payable as follows.

1. Any Survivor Benefit will be payable in accord with that section.
2. Any other benefits will be payable to the Insured Employee's estate.

If a benefit becomes payable to:

1. the Insured Employee's estate; or
2. a minor or any other person who is not legally competent to give a valid receipt;

then up to \$3,000 may be paid to any relative of the Insured Employee that the Company finds entitled to payment. If payment is made in good faith to such a relative, the Company will not have to pay that benefit again.

NOTICE OF CLAIM DECISION. The Company will send the Insured Employee a written notice of its claim decision. If the Company denies any part of the claim, the written notice will explain:

1. the reason for the denial, under the terms of the Policy and any internal guidelines;
2. how the Insured Employee may request a review of the Company's decision; and
3. whether more information is needed to support the claim.

This notice will be sent within 15 days after the Company resolves the claim. It will be sent within 45 days after the Company receives the first proof of claim, if reasonably possible.

Delay Notice. The Company may need more than 15 days to process the claim, due to matters beyond its control. If so, an extension will be permitted. In that event, the Company will send the Insured Employee a written delay notice:

1. by the 15th day after receiving the first proof of claim; and
2. every 30 days after that, until the claim is resolved.

The notice will explain:

1. what additional information is needed to determine liability; and
2. when a decision can be expected.

If the Insured Employee does not receive a written decision by the 105th day after the Company receives the first proof of claim, there is a right to an immediate review, as if the claim was denied.

Exception: The Company may need more information from the Insured Employee to process a claim. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

REVIEW PROCEDURE. Within 180 days after receiving a denial notice, the Insured Employee may request a claim review by sending the Company:

1. a written request; and
2. any written comments or other items to support the claim.

The Insured Employee may review certain non-privileged information relating to the request for review.

The Company will review the claim and send the Insured Employee a written notice of its decision. The notice will state the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim, the notice will also describe:

1. any further appeal procedures available under the Policy;
2. the right to access relevant claim information; and
3. the right to request a state insurance department review, or to bring legal action.

This notice will be sent within 45 days after the Company receives the request for review, or within 90 days if a special case requires more time.

Delay Notice. If the Company needs more than 45 days to process an appeal, in a special case:

1. an extension of up to 45 more days will be permitted; and
2. the Company will send the Insured Employee a written delay notice, by the 30th day after receiving the request for review.

CLAIMS PROCEDURES **(Continued)**

The notice will explain:

1. the special circumstances which require the delay;
2. whether more information is needed to review the claim; and
3. when a decision can be expected.

Exception: The Company may need more information from the Insured Employee to process an appeal. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the plan participant or beneficiary must first seek two administrative reviews of the adverse claim decision, in accord with this section. After the required reviews:

1. an ERISA plan participant or beneficiary may bring legal action under Section 502(a) of ERISA; and
2. the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any short-term disability or long-term disability claim; then the Company may request reimbursement of such overpayment within 20 days after the claim payment was made. Full reimbursement to the Company is required within 60 days. If reimbursement is not made, the Company has the right to:

1. reduce future benefits and suspend payment of the Minimum Monthly Benefit under the Policy, until full reimbursement is made;
2. reduce benefits payable to the Insured Employee or his or her beneficiary under any group insurance policy issued by the Company, until full reimbursement is made; or
3. recover such overpayments from the Insured Employee or his or her estate.

Such reimbursement is required whether the overpayment is due to:

1. the Company's error in processing a claim;
2. the Insured Employee's receipt of Other Income Benefits;
3. fraud, misrepresentation or omission of relevant facts; or
4. any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

COMPANY'S DISCRETIONARY AUTHORITY. Except for the functions that the Policy clearly reserves to the Policyholder or Employer, the Company has the authority to manage the Policy, interpret its provisions, administer claims and resolve questions arising under it. The Company's authority includes (but is not limited to) the right to:

1. establish administrative procedures, determine eligibility and resolve claims questions;
2. determine what information the Company reasonably requires to make such decisions; and
3. resolve all matters when an internal claim review is requested.

Any decision the Company makes in the exercise of its authority shall be conclusive and binding; subject to the Insured Employee's rights to request a state insurance department review or to bring legal action. This provision does not apply to residents of California.

ELIGIBILITY

ELIGIBLE CLASSES. The classes of Employees eligible for insurance are shown in the Schedule of Benefits. The Company has the right to review and terminate any or all classes eligible under the Policy, if any class ceases to be covered by the Policy.

ELIGIBILITY DATE. An Employee becomes eligible for coverage provided by the Policy on the later of:

1. the Policy's date of issue; or
2. the date the Waiting Period is completed.

Prior Service Credit Towards Waiting Period. The Waiting Period is shown in the Schedule of Benefits. Prior service in an Eligible Class will apply toward the Waiting Period, when:

4. the date the Company approves the Employee's Evidence of Insurability, if required.

Any increased or additional coverage becomes effective at 12:01 a.m. on the latest of:

1. **Disability.** If an Insured Employee is absent due to Total Disability, or is engaged in Partial Disability Employment, coverage may be continued during:
 - a. the Elimination Period; provided the Company receives the required premium from the Employer; and

OTHER INCOME BENEFITS

OTHER INCOME BENEFITS means benefits, awards, settlements or Earnings from the following sources. These amounts will be offset, in determining the amount of the Insured Employee's Monthly Benefit. Except for Retirement Benefits and Earnings, these amounts must result from the same Disability for which a Monthly Benefit is payable under the Policy.

Workers' Compensation. Any benefits for which the Insured Employee is eligible under a law that compensates for job related Injury or Sickness. This includes:

It includes any benefits for partial or total disability, whether temporary or permanent. It also includes any benefits for vocational rehabilitation.

Other Compulsory Benefits. Any disability income benefits the Insured Employee is eligible to receive under any other compulsory benefit act or law. This includes (but is not limited to):

1. state temporary disability income benefit laws; or
2. any other compulsory benefit act or law.

Other Insurance Plans. Any disability income benefits for which the Insured Employee is eligible under any other group insurance plan (except credit or mortgage insurance).

Employee Benefit Plans. Any disability income benefits for which the Insured Employee is eligible under the Employer's Sick Leave or Salary Continuance Plan. This does **not** include vacation pay, severance pay or pay for work actually performed during a Disability.

Social Security and other Government Retirement Plans. The following Social Security or other Government Retirement Plan benefits will be offset:

1. **disability benefits** for which the Insured Employee is eligible; and for which any spouse or child is eligible, because of the Insured Employee's Disability;
2. **unreduced retirement benefits** for which the Insured Employee is eligible; and for which any spouse or child is eligible, because of the Insured Employee's eligibility for unreduced retirement benefits; or
3. **reduced retirement benefits** actually received by the Insured Employee; and by any spouse or child, because of the Insured Employee's receipt of reduced retirement benefits.

As used above, "**Government Retirement Plans**" include disability and retirement benefits under:

2. the Canada Pension Plan or Quebec Pension Plan;
3. any similar plan or act of any country, state, province or other political unit; or
4. any plan provided in place of one of the above plans.

OTHER INCOME BENEFITS **(Continued)**

"Earnings", as used in this provision, means pay the Insured Employee earns or receives from any occupation or form of employment, as reported for federal income tax purposes. Earnings include (but are not limited to) a:

1. salaried or hourly Employee's gross earnings (shown on Form W-2); including:
 - a. wages, tips, commissions, bonuses and overtime pay; and

2. reimbursement for hospital, medical or surgical expense;

RULES FOR OTHER INCOME BENEFIT OFFSETS. If the Insured Employee may be entitled to Other Income Benefits that affect Policy benefits, the following rules will apply.

Claiming Other Income Benefits. An Insured Employee who may be entitled to some Other Income Benefit is required to actively pursue it. For example, if benefits may be payable under the federal Social Security Act, the Insured Employee:

1. must apply for such benefits on a timely basis;
2. must file a request for reconsideration, if benefits are denied; and
3. must request a hearing before an Administrative Law Judge, if denied again (unless the Company waives this in writing).

An Employer whose Insured Employee may be entitled to Workers' Compensation or similar benefits is also required to cooperate in filing that claim. If the Insured Employee fails to pursue Other Income Benefits on a timely basis, the Company has the option to:

1. deny or suspend Monthly Benefits; or
2. reduce Monthly Benefits by an estimated amount.

OTHER INCOME BENEFITS (Continued)

Estimating Offsets. While a claim for Social Security or other Government Retirement Plan benefits is pending, the Insured Employee must elect one of the following options in writing. (If no written election is made, Monthly Benefits will be reduced in accord with Option 1.)

1. **Reduced Monthly Benefits.** The Insured Employee may receive Monthly Benefits reduced by estimated Social Security or other Government Retirement Plan benefits. The Company will adjust Policy benefits and will refund any underpayment, in a lump sum, upon receiving proof of:
 - a. the amount actually awarded; or
 - b. the claim denial and completion of any appeal the Company requires.
2. **Unreduced Monthly Benefits.** The Insured Employee may receive unreduced Monthly Benefits while the claim is pending. He or she must agree in writing to promptly refund any overpayment that results, in a lump sum, upon receiving Social Security or other Government Retirement Plan benefits. If he or she does not promptly refund an overpayment:
 - a. the Company will reduce or eliminate future payments; and
 - b. the Minimum Monthly Benefit will not apply, until the amount is repaid.

Lump Sum Payments. Other Income Benefits that are paid in a lump sum will be pro rated as follows.

1. The lump sum will be pro rated on a monthly basis, over the time period for which it is given.
2. If no time period is stated, the Company will continue its estimated monthly offset for that benefit, until full amount is offset.
3. If no estimated monthly offset was being made for that benefit, the lump sum will be pro rated on a monthly basis over a reasonable time period. It will not exceed 60 months or the Maximum Benefit Period (whichever occurs first).

Cost-of-Living Freeze. After the first deduction for each of the Other Income Benefits (except Earnings), its amount will be frozen. The Monthly Benefit will not be further reduced due to any cost-of-living increases payable under these Other Income Benefits.

RECURRENT DISABILITY

"Recurrent Disability" means a Disability caused by an Injury or Sickness that is the same as, or related to, the cause of a prior Disability for which Monthly Benefits were payable. A Recurrent Disability will be treated as follows.

1. **New Disability.** A Recurrent Disability will be treated as a new Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
 - a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; and
 - b. for six consecutive months or more following the date the prior Disability benefits ended.

A new Elimination Period must be completed before further Monthly Benefits become payable. A new Maximum Benefit Period will apply.

2. **Prior Disability.** A Recurrent Disability will be treated as part of the prior Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
 - a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; but
 - b. for less than six consecutive months following the date the prior Disability benefits ended.

The completion of a new Elimination Period is not required before further Monthly Benefits become payable. The same Maximum Benefit Period will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well.

In addition, a Recurrent Disability will be treated as a prior Disability if all of the subsequent events occur in less than six consecutive months following the date the prior Disability benefits end under the Policy:

- a. a job opening is not available for the Insured Employee to return to work with the Employer;
- b. the Insured Employee's coverage under the Policy terminates;
- c. the former Employee returns to his or her Own Occupation with a new employer on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits;
- d. benefits are not payable under any other group long-term disability plan; and
- e. a Recurrent Disability begins.

Benefits for the former Employee will be reinstated for the Recurrent Disability and the completion of a new Elimination Period will not be required before further Monthly Benefits become payable. The same Maximum Benefit Period, Exclusions, and Limitations will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well. Benefits reinstated under this provision are subject to the Policy's terms and conditions that were in effect at the time the prior Disability began.

To qualify for a Monthly Benefit, the Insured Employee or former Employee must earn less than the percentage of Predisability Income specified in the Partial Disability Monthly Benefit section. Monthly Benefit payments will be subject to all other terms of the Policy that applied to the prior Disability.

This Recurrent Disability provision will cease to apply to an Insured Employee or former Employee who becomes eligible for coverage under any other group long-term disability plan.

PROGRESSIVE INCOME BENEFIT

EFFECTIVE DATE. An Insured Employee will become insured for the Progressive Income Benefit on:

1. the effective date of his or her coverage for Long Term Disability Benefits under the Policy; or
2. the effective date of this provision, if it is added later by amending the Policy.

1. is able to safely and completely perform all of the Activities of Daily Living without another person's active, hands-on help; or
2. no longer suffers from a Cognitive Impairment.

2. the date the Insured Employee is no longer entitled to Total Disability or Partial Disability Monthly Benefits under the Policy;
3. the date the Maximum Benefit Period ends; or

3. other services which the Company deems reasonably necessary to help the Insured Employee return to work.

The Company will determine the Insured Employee's eligibility and the amount of any Benefit payable.

The Company must also find that the cost of the proposed services is less than its expected claim liability.

AMOUNT. The amount of any Vocational Rehabilitation Benefit will not exceed the Company's expected claims liability. This benefit will not be payable for services covered under the Insured Employee's health care plan or any other vocational rehabilitation program. Payment may be made to the provider of the services, at the Company's option.

CONDITIONS. Either the Company, the Insured Employee, or his or her Physician may first propose vocational rehabilitation. When a Program is approved by the Company, the Policy's definition of "Disability" will be waived during the rehabilitation period; but it will be reapplied after the Program ends. The Company will determine the amount and duration of any Long Term Disability benefits payable after the Program ends.

 - (b) is reasonably expected to return the Insured Employee to work.

"Program" means a written vocational rehabilitation program:

1. which the Company develops with input from the Insured Employee; his or her Physician; and any current or prospective employer, when appropriate; and
2. which describes the Program's goals; each party's responsibilities; and the times, dates and costs of the rehabilitation services.

REASONABLE ACCOMMODATION BENEFIT

If an Insured Employee of the Employer is Disabled, and is receiving Policy benefits; then the Employer may be eligible for a Reasonable Accommodation Benefit. This Benefit reimburses the Employer for 50% of the expense incurred for reasonable accommodation services for the Insured Employee; but will not exceed:

- (b) who has the physical and mental abilities needed to perform his or her own or another occupation at the Employer's worksite; but only with the help of the proposed accommodation; and
- (c) who is reasonably expected to return to work with the help of the proposed accommodation.

The Company must also find that the requested Reasonable Accommodation Benefit is less than the expected liability for the Insured Employee's Long Term Disability claim.

WRITTEN PROPOSAL. The reasonable accommodation services must be provided in accord with a written proposal, which is developed with input from:

1. the Employer;
2. the Insured Employee; and
3. his or her Physician, when appropriate.

The proposal must state the purpose of the proposed accommodation; and the times, dates and costs of the services.

CONDITIONS. Either the Company, the Employer, the Insured Employee, or his or her Physician may first propose an accommodation.

The proposal must be approved by the Company in writing.

The Company will then reimburse the Employer, upon receipt of proof that the Employer:

1. has provided the services for the Insured Employee; and
2. has paid the provider for the services.

PRIOR INSURANCE CREDIT UPON TRANSFER OF INSURANCE CARRIERS

To prevent loss of coverage for an Employee because of a transfer of insurance carriers, the Policy will provide Prior Insurance Credit for employees insured under the prior carrier's policy on its termination date as follows.

1. who was insured by the prior carrier's policy at the time of transfer; and
2. who was not Actively-At-Work due to Injury or Sickness on the Policy's Effective Date.

The coverage will be that provided by the prior carrier's policy, had it remained in force. The Company will pay:

2. If the Insured Employee cannot satisfy the Policy's Pre-Existing Condition Exclusion, but can satisfy the prior carrier's pre-existing condition exclusion giving consideration towards continuous time insured under both policies; then he or she will be paid in accord with the benefit schedule and all other terms, conditions and limitations of:
 - (a) the Policy without applying the Pre-Existing Condition Exclusion; or
 - (b) the prior carrier's policy;whichever is less.
3. If the Insured Employee cannot satisfy the Pre-Existing Condition Exclusion of the Policy or that of the prior carrier, no benefit will be paid.

FAMILY INCOME BENEFIT

The Company will pay a lump sum benefit to the Eligible Survivor when proof is received that an Insured Employee died:

1. after Disability had continued for 180 or more consecutive days; and
2. while receiving a Monthly Benefit.

The benefit will be equal to three times the Insured Employee's Last Monthly Benefit.

"Last Monthly Benefit" means the gross Monthly Benefit payable to the Insured Employee immediately prior to death. Any reductions for Other Income Benefits, or for earnings the Insured Employee received for Partial Disability Employment, will not apply.

AMOUNT. The Family Care Expense Benefit will equal actual Family Care Expenses paid by the Insured Employee that are not reimbursable from other sources, up to \$250 per month for each eligible Dependent.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

Coverage

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

Exclusions From Coverage

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy for a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered; or
- a policy or contract commonly known as Medicare Part C or Part D or any regulations issued pursuant thereto.

Limits On Amount Of Coverage

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay more than what the insurance company would owe under the policy or contract.
- (2) Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to basic hospital, medical and surgical insurance, and major medical insurance.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
