

**Delta Dental PPO plus Premier™
Summary of Dental Plan Benefits
For Group# 10129-1000, 1099
Chapel Hill-Carrboro City Schools**

This Summary of Dental Plan Benefits should be read along with your Certificate. Your Certificate provides additional information about your Delta Dental plan, including information about plan exclusions and limitations. If a statement in this Summary conflicts with a statement in the Certificate, the statement in this Summary applies to you and you should ignore the conflicting statement in the Certificate. The percentages below are applied to Delta Dental's Maximum Approved Fee for each service and it may vary due to the Dentist's network participation.*

Control Plan - Delta Dental of North Carolina

* When you receive services from a Nonparticipating Dentist, the percentages in this column indicate the portion of Delta Dental's Nonparticipating Dentist Fee that will be paid for those services. This Nonparticipating Dentist Fee may be less than what your dentist charges, which means that you will be responsible for the difference.

The explanation and sample calculation of how these services will be paid can be found in Section VI - How Payment is Made in your Certificate.

- Oral exams (including evaluations by a specialist) are payable twice per benefit year.
- Two prophylaxes (cleanings) and/or up to four periodontal maintenance are payable per benefit year, not to exceed a total of four procedures in any benefit year.
- People with specific at-risk health conditions may be eligible for additional prophylaxes (cleanings) or fluoride treatment. The patient should talk with his or her dentist about treatment.
- Fluoride treatments are payable twice per benefit year for people age 15 and under.
- Benefits for space maintainers are unlimited for people age 18 and under.
- Bitewing X-rays are payable once per Benefit Year and full mouth X-rays (which include bitewing X-rays) or a panorex are payable once in any five-year period.
- Four periapical X-rays are payable in any period of 12 consecutive months. Occlusal X-rays are payable twice in any 12-month period. Extraoral X-rays are payable once in any 6-month period.
- Genetic test for susceptibility to disease are payable once per lifetime for people age 18 and older.
- Sealants are payable once per tooth per three-year period for permanent molars for people age 15 and under. The surface must be free from decay and restorations.
- Composite resin (white) restorations are payable on posterior teeth.
- Localized delivery of chemotherapeutic agents is payable once per tooth in any twelve-month period.
- Full and complete dentures, and services related to dentures are not Covered Services.
- Implants and implant related services are not Covered Services.
- Crowns over implants and their related services are not Covered Services.

- Therapeutic parenteral drugs are a Covered Service.

Having Delta Dental coverage makes it easy for you to get dental care almost everywhere in the world! You can now receive expert dental care when you are outside of the United States through our Passport Dental program. This program gives you access to a worldwide network of dentists and dental clinics. English-speaking operators are available around the clock to answer questions and help you schedule care. For more information, check our Web site or contact your benefits representative to get a copy of our Passport Dental information sheet.

Maximum Payment – \$1,250 per person limited to \$3,000 per family per Policy Year on all services.

Deductible – \$50 Deductible per person total per Policy Year limited to a maximum Deductible of \$150 per family per Policy Year. The Deductible does not apply to diagnostic and preventive services, brush biopsy, genetic testing, bitewing X-rays, and sealants.

Waiting Period – Enrollees who are eligible for Benefits are covered on the first of the month following the date of hire.

Eligible People – All employees of the Contractor working at least 30 hours per week, who choose the dental plan and COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) enrollees, if applicable. The Subscriber pays the full cost of this plan.

Also eligible are your Spouse and your Children to the end of the month in which they turn 26, including your Children who are married, who no longer live with you, who are not your Dependents for Federal income tax purposes, and/or who are not permanently disabled.

Enrollees and their Dependents choosing either dental plan are required to remain enrolled for a period of 12 months. Should an Enrollee or Dependent choose to drop dental coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may enroll if the Enrollee is enrolled (excluding COBRA) and must be enrolled in the same plan as the Enrollee. An election may be revoked or changed at any time if such change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

Coordination of Benefits – If you and your Spouse are both eligible to enroll in This Plan as Enrollees, you may be enrolled together on one application or separately on individual applications, but not both. Your Dependent Children may only be enrolled on one application. Delta Dental will not coordinate Benefits between your coverage and your Spouse's coverage if you and your Spouse are both covered as Enrollees under This Plan.

Benefits will cease if an employee resigns on the 1st-15th of the month then their dental benefits end that month. However, if they resign on the 16th or later in the month, then their dental benefits end on the last date of the following month.
