A. ELIGIBILITY

To be eligible for coverage under the Policy, an individual must:

1. be a Member of an Eligible Class of the Policyholder, as defined in the Certificate Schedule; and
2. satisfy the Waiting Period, if any.

The Member's Eligible Dependents are also eligible for coverage, provided that Dependent coverage is provided under the Policy.

Dual Eligibility Status: If both a Member and his spouse are in an Eligible Class of the Policyholder, each may enroll individually or as a dependent of the other, but not as both. Any Eligible Dependent child may also only be enrolled by one (1) parent.

B. ENROLLMENT

The term "Enrollment" means written or electronic application for coverage on an enrollment form furnished or approved by Us. Coverage will not become effective until the Members have enrolled themselves and their Eligible Dependents, and paid the required premium, if any.

Open Enrollment: Members may enroll themselves and their Eligible Dependents during an open enrollment period. Open enrollment is a period of time specified by the Policyholder. It usually occurs once each Calendar Year. Other changes may also be restricted to Open Enrollment periods.

Late Entrants: Members who do not enroll themselves or their Eligible Dependents within the Initial Enrollment period, may not enroll until the next Open Enrollment period unless there is a change in family status, as described below.

Change in Family Status: Members may enroll or change their coverage if a change in family status occurs, provided written application to enroll is made within thirty-one (31 days) of the event. A change in family status means any of the following events:

1. Marriage;
2. Divorce or legal separation;
3. Birth or adoption of a child;
4. Death of a spouse or child;
5. Other changes as permitted by the Policyholder.

PART V. INDIVIDUAL EFFECTIVE DATES

Your coverage will be effective on the later of the following dates, provided that any required premium is paid to Us:

1. the Policyholder's Effective Date, shown on the Certificate Schedule; or
2. the date You meet all the Eligibility and Enrollment requirements.

For Eligible Dependents acquired after Your effective date of coverage, by reason of marriage, birth or adoption, coverage is effective the date specified by the Policyholder. This is subject to our receipt of the required Enrollment and payment of the premium, if any.

Newborn Child Coverage: A child of the Insured born while the policy is in force is covered from the moment of birth until the 31st day of age. If premium is required for coverage of a child, such premium, along with a notice of birth, must be submitted to us within thirty-one (31) days of the birth in order to continue coverage beyond the initial thirty-one (31) day period. If premium is not required, we should be notified of the child's birth to facilitate the administration of the child's coverage.

Adopted and Foster Children Coverage: A minor child who comes under the charge, care, and control of the Covered Person while the policy is in force is covered from the moment such child is placed in the Covered Person's home. The coverage of such child will be the same as provided for other members of the Covered Person's family. Coverage shall begin at the moment of birth for an adopted child if the petition for adoption, application for coverage and payment of premium occurs within thirty-one (31) days after the child's birth. If premium is required for coverage of a child, the Covered Person must pay the required premium within thirty-one (31) days after placement of the child in the Covered Person's home. If no additional premium is required, we should be notified of the birth or placement in order to facilitate the administration of the child's coverage. Coverage for such minor child will continue until such child is removed from the Covered Person's home.

PART VI. INDIVIDUAL TERMINATION DATES

Coverage for You and all Covered Dependents stops on the earliest of the following dates:

1. the date the Policy terminates;
2. the date the Policyholder's coverage terminates under the Policy;
3. the last day of the month in which You are no longer an eligible Member;
4. the date You die;
5. on any premium due date, if full payment for Your insurance is not made within thirty-one (31) days following the premium due date.

In addition, coverage for each Covered Dependent stops on the earliest of:

1. the date He is no longer an Eligible Dependent;
2. the date We receive your request to terminate Covered Dependent coverage. This is subject to any limitation imposed by the Policyholder as to when a change is permitted; e.g. under an Open Enrollment period.

PART VII. INDIVIDUAL PREMIUMS

Members may be required to contribute, either in whole or in part, to the cost of their insurance. This is subject to the terms established by the Policyholder. Your premium contributions, if required, are remitted to Us in one (1) of two (2) ways:

1. You contribute to the cost of the insurance through the Policyholder, who then submits payment to Us; or
2. You pay Your premiums directly to Us.

The Certificate Schedule shows the method of premium payment.

The first premium is due on the Effective Date. Premiums after the first are due on the Premium Due Date or within the grace period.

Grace Period: A grace period of thirty-one (31) days is granted for the payment of each premium due after the first. The coverage stays in force if the premium is paid during this grace period, unless We are given written notice that the insurance is to be ended before the Grace Period. We may require payment of any pro-rata premium for the time the insurance was in effect during the Grace Period.

Right to Change Premiums: We have the right to change the premium rates on any premium due date on or after the Initial twelve (12) month Term. After the Initial twelve (12) month Term, We will not increase the premium rates more than once in a six (6) month period. Any subsequent revisions will be based upon twelve (12) months of experience. We will give the Policyholder written notice at least forty-five (45) days in advance of any change. All changes in rates are subject to terms outlined in the Policy.

PART VII. DESCRIPTION OF COVERAGE

We pay a benefit if an Insured receives Covered Services or Materials at the allowable Frequency while his coverage under this Certificate is in force. An Insured may choose to receive vision care services from either an In-Network Provider or an Out-of-Network Provider. If an In-Network Provider is chosen, the Insured will generally incur less out-of-pocket cost.

A. In-Network Benefits

When You enroll for coverage, an In-Network Provider Directory will be made available to You with the names, phone numbers and addresses of In-Network Providers. A provider's status may occasionally change. We recommend that You call the Administrator to verify the provider's participation status in the network. You may change providers at any time without notice to the Administrator.

When benefits are payable for Covered Services or Materials received from an In-Network Provider, We will pay the In-Network Provider directly, based on the In-Network benefits shown in the Schedule of Benefits. The Insured pays any required Co-Pay and any charges above the covered benefits to the In-Network Provider. The In-Network Provider takes care of claims submission and administrative services.

Note Exception: If you use the services of an In-Network Provider but take advantage of a sale, coupon, or other in-store special, the Provider may require that you pay in full and submit Your receipt for reimbursement at the Out-of-Network reimbursement.

Limited In-Network benefits may be payable for certain add-on Materials. These items, if any, are shown in the Supplement To Schedule Of Benefits.

Both the Co-Pay and the Frequency for Covered Services or Materials are shown in the Schedule of Benefits.

B. Out-of-Network Benefits

If an Insured chooses to use an Out-of-Network Provider, You must pay the provider in full for the services and materials purchased. It is your responsibility to send us a Claim by submitting the itemized invoice or receipt to us. (See the "Notice of Claim" provision.) Any Co-Pay that applies should not be paid to the Out-of-Network Providers, as it will be deducted from Us at the time the claim is processed.

When benefits are payable for Covered Services or Materials received from an Out-of-Network Provider, We will reimburse you up to the amount of Out-of-Network benefits shown in the Schedule of Benefits, less any Co-Pay.

C. Covered Services or Materials

Covered Services or Materials are shown in the Schedule of Benefits. In order to be a Covered Service or Material, the services or materials must be furnished to an Insured:

1. To check or improve their vision condition;
2. Within the allowable Frequency shown in the Schedule of Benefits;
3. By an Ophthalmologist, Optometrist or Optician, regardless of whether such provider is an In-Network or Out-of-Network Provider.

In no event will coverage exceed the lesser of:

1. the actual cost incurred of the Covered Services or Materials; or
2. the limits of coverage shown in the Schedule of Benefits.

PART IX. LIMITATIONS AND EXCLUSIONS

The Contact Lenses benefit is paid in lieu of Eyeglass Lenses and Frames. An Insured is eligible to receive benefits under the Eyeglass Lenses Benefit or the Frame benefit only after the Contact Lenses benefit Frequency has ended.

The Eyeglass Lenses benefit and the Eyeglass Frame benefit is paid in lieu of the Contact Lenses benefit. An Insured is eligible to receive benefits under the Contact Lenses benefit only after the Eyeglass Lenses benefit Frequency has ended.
