With respect to Spouses who were approved for coverage on September 1, 2007, and were insured with the prior carrier on August 31, 2007, individual insurance will be effective September 1, 2007. The Amount of Insurance will be the amount of insurance on file with us as of September 1, 2007, unless subsequently changed after September 1, 2007, per all applicable policy provisions. The Life amount will be reduced by any benefit paid under the Accelerated Benefit Rider.

CHANGES IN AMOUNT OF INSURANCE: Changes in the Amount of Insurance because of changes in age, class or earnings (if applicable) are effective on the first of the Policy month coinciding with or next following the date of the change. Any such increase will take effect only if we approve such proof.

If an increase in, or initial application for, the Amount of Insurance is due to a life event change (such as marriage, birth or specific changes in employment status), evidence of insurability will not be required provided the Insured applies within 31 days of such life event.

GENERAL PROVISIONS

ENTIRE CONTRACT

The entire contract between you and us is the Policy, your application (a copy of which is attached at issue), and any endorsements and amendments.

CHANGES

No agent has authority to change or waive any part of the Policy. To be valid, any change or waiver must be in writing. It must also be signed by one of our executive officers and attached to the Policy.

INCONTESTABILITY

Any statement made in your application will be deemed a representation, not a warranty. We cannot contest this Policy after it has been in force for two (2) years from the date of issue, except for non-payment of premium.

Any statements made by you, any Insured or any Insured Dependent, or on behalf of any Insured or any Insured Dependent to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which an Insured or any Insured Dependent is covered. The following rules apply to each statement:

- (1) No statement will be used in a contest unless:
 - (a) it is in a written form signed by the Insured or any Insured Dependent, or on behalf of the Insured or any Insured Dependent; and
 - (b) a copy of such written instrument is or has been furnished to the Insured or any Insured Dependent, the Insured's or any Insured Dependents beneficiary or legal representative.
- (2) If the statement relates to an Insured's or any Insured Dependent's insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two years during the lifetime of the Insured or any Insured Dependent.

RECORDS MAINTAINED

You must maintain records of all Insureds. Such records must show the essential data of the insurance, including new persons, terminations, changes, etc. This information must be reported to us regularly. We reserve the right to examine the insurance records maintained at the place where they are kept. This review will only take place during normal business hours.

CLERICAL ERROR

Clerical errors in connection with the Policy or delays in keeping records for the Policy, whether by you, us, or the Plan Administrator:

- (1) will not terminate insurance that would otherwise have been effective; and
- (2) will not continue insurance that would otherwise have ceased or should not have been in effect.

If appropriate, a fair adjustment of premium will be made to correct a clerical error.

MISSTATEMENT OF AGE

If an Insured's age is misstated, the premium will be adjusted. If the Insured's insurance is affected by the misstated age, it will also be adjusted. The insurance will be changed to the amount the Insured is entitled to at his/her correct age.

ASSIGNMENT

Ownership of any benefit provided under the Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable for any action we take before the assignment is recorded.

CONFORMITY WITH STATE LAWS

Any section of the Policy, which on its effective date, conflicts with the laws of the state in which the Policy is issued, is amended by this provision. The Policy is amended to meet the minimum requirements of those laws.

CERTIFICATE OF INSURANCE

We will send to you an individual certificate for each Insured. The certificate will outline the insurance coverage and to whom benefits are payable.

POLICY TERMINATION

You may cancel the Policy at any time. The Policy will be cancelled on the date we receive your letter or, if later, the date requested in your letter.

We may cancel the Policy if:

- (1) the premium is not paid at the end of the grace period; or
- (2) the number of Insureds is less than the Minimum Participation Number on the Schedule of Benefits; or
- (3) the percentage of eligible persons insured is less than the Minimum Participation Percentage on the Schedule of Benefits.

If we cancel because of (1) above, the Policy will be cancelled at the end of the grace period. If we cancel because of (2) or (3) above, we will give you thirty-one (31) days written notice prior to the date of cancellation.

You will still owe us any premium that is not paid up to the date the Policy is cancelled. We will return, pro-rata, any part of the premium paid beyond the date the Policy is cancelled.

THIRD PARTY SERVICES

From time to time, we may, through third party service providers such as HEALTH MANAGEMENT SYSTEMS OF AMERICA (HMSA), ON CALL INTERNATIONAL, and NATIONAL ID RECOVERY, LLC (NIDR) offer or provide certain persons who apply for coverage with us or become insureds/enrollees with us, Grief Counseling Services, Travel Assistance Services and ID Recovery Service Plans, respectively.

While we have arranged for these services, the third party service providers are liable to the applicants/insureds/enrollees for the provision of such services. We are not responsible for the provision of such services nor are we liable for the failure of the provision of these services. Further, we are not liable to the applicants/insureds/enrollees for the negligent provision of such services by third party service providers.

INDIVIDUAL ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

GENERAL GROUP: The general group will be your employees and employees of any subsidiaries, divisions or affiliates named on the Schedule of Benefits.

ELIGIBLE CLASSES: The eligible classes will be those persons described on the Schedule of Benefits.

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: If you pay the entire premium, the insurance for an eligible Person will go into effect on the date stated on the Schedule of Benefits. If an eligible Person pays a part of the premium, he/she must apply in writing for the insurance to go into effect. He/she will become insured on the date stated on the Schedule of Benefits, except that the insurance will go into effect:

- (1) on the date he/she applies, if he/she applies within thirty-one (31) days of the date he/she is first eligible; or
- (2) on the date we approve any required evidence of insurability. We require evidence of insurability if a person applies:
 - (a) after thirty-one (31) days from the date he/she first becomes eligible; or
 - (b) after he/she terminated this insurance but he/she remained in a class eligible for this insurance.

Changes in an Insured's amount of insurance are effective as shown on the Schedule of Benefits.

If the person is not actively at work on the day his/her insurance is to go into effect, the insurance will go into effect on the day he/she returns to active work for one full day.

TERMINATION OF INDIVIDUAL INSURANCE: The insurance of an Insured will terminate on the first of the following to occur:

- (1) the date the Policy terminates; or
- (2) the last day of the Policy month in which the Insured ceases to be in a class eligible for this insurance; or
- (3) the end of the period for which premium has been paid for the Insured; or
- (4) the date the Insured enters military service (not including Reserve or National Guard).

CONTINUATION OF INDIVIDUAL INSURANCE: The insurance of an Insured may be continued, by payment of premium, beyond the date the Insured ceases to be eligible for this insurance, but not longer than the time period reflected in your Human Resource policies / provisions,

- (1) if due to illness, injury or strike; or
- (2) two (2) months, if due to temporary lay-off or approved leave of absence.

INDIVIDUAL REINSTATEMENT: The insurance of a terminated person may be reinstated if he/she is:

- (1) on an approved leave of absence; or
- (2) on temporary lay-off.

The person must return to active work with you within the period of time shown on the Schedule of Benefits. He/she must also be a member of a class eligible for this insurance.

The Person will not be required to fulfill the eligibility requirements of the Policy again. The insurance will go into effect on the day he/she returns to active work. If a Person returns after having resigned or having been discharged, he/she will be required to fulfill the eligibility requirements of the Policy again.

If a Person returns after terminating insurance at his/her request or for failure to pay premium when due, evidence of

insurability must be approved by us before he/she may be reinstated.

CONVERSION PRIVILEGE

An Insured can use this privilege when his/her insurance is no longer in force. It has several parts. They are:

- A. If the insurance ceases due to termination of employment or membership in any of this Policy's classes, an individual Life Insurance Policy may be issued. The Insured is entitled to a policy without disability or supplemental benefits. A written application for the policy must be made by the Insured within thirty-one (31) days after he/she terminates. The first premium must also be paid within that time. The issuance of the policy is subject to the following conditions:
 - (1) The policy will, at the option of the Insured, be on any one of our forms, except for term life insurance. It will be the standard type issued by us for the age and amount applied for;
 - (2) The policy issued will be for an amount not over what the Insured had before he/she terminated;
 - (3) The premium due for the policy will be at our usual rate. This rate will be based on the amount of insurance, class of risk and the Insured's age at date of policy issue; and
 - (4) Proof of good health is not required.
- B. If the insurance ceases due to the termination or amendment of this Policy, an individual Life Insurance Policy can be issued. An Insured must have been insured for at least five (5) years under this Policy. The same rules as in A above will be used, except that the face amount will be the lesser of:
 - (1) The amount of the Insured's Group Life benefit under this Policy. This amount will be less any amount he/she is entitled to under any group life policy issued by us or another insurance company; or
 - (2) \$10,000.
- C. If the insurance reduces, as may be provided in this Policy, an individual Life Insurance Policy can be issued. The same rules as in A above will be used, except that the face amount will not be greater than the amount which ceased due to the reduction.
- D. If an Insured dies during the time in which he/she is entitled to apply for an individual policy, we will pay the benefit under the Group Policy that he/she was entitled to convert. This will be done whether or not the Insured applied for the individual policy.
- E. Any policy issued with respect to A, B or C above will be put in force at the end of the thirty-one (31) day period in which application must be made.

PREMIUMS

PREMIUM PAYMENT: All premiums are to be paid by you to us, or to an authorized agent, on or before the due date. The premium due dates are stated on the Policy face page.

PREMIUM RATE: The premium due will be the rate per \$1,000 of benefit multiplied by the entire amount of benefit volume then in force. We will furnish to you the premium rate on the Policy effective date and when it is changed. We have the right to change the premium rate:

- (1) on any premium due date after the Policy is in force for 12 months; or
- (2) when the extent of coverage is changed by amendment.

We will not change the premium rate due to (1) above more than once in any twelve (12) month period. We will tell you in writing at least forty-five (45) days before the date of a change due to (1) above.

GRACE PERIOD: You may pay the premium up to 31 days after the date it is due. The Policy stays in force during this time. If the premium is not paid during the grace period, the Policy will be cancelled at the end of the grace period. You will still owe us the premium up to the date the Policy is cancelled.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: The beneficiary will be as named in writing by the Insured to receive benefits at the Insured's death. This beneficiary designation must be on file with us or the Plan Administrator and will be effective on the date the Insured signs it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

If the Insured names more than one beneficiary to share the benefit, he/she must state the percentage of the benefit that is to be paid to each beneficiary. Otherwise, they will share the benefit equally.

The beneficiary's consent is not needed if the Insured wishes to change the designation. His/her consent is also not needed to make any changes in this Policy.

If the beneficiary dies at the same time as the Insured, or within fifteen (15) days after his/her death but before we receive written proof of the Insured's death, payment will be made as if the Insured survived the beneficiary, unless noted otherwise.

If the Insured has not named a beneficiary, or the named beneficiary is not surviving at the Insured's death, any benefits due shall be paid to the first of the following classes to survive the Insured:

- (1) the Insured's legal spouse;
- (2) the Insured's surviving children (including legally adopted children), in equal shares;
- (3) the Insured's surviving parents, in equal shares;
- (4) the Insured's surviving siblings, in equal shares; or, if none of the above,
- (5) the Insured's estate.

We will not be liable for any payment we have made in good faith.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed \$1,000.

If the Insured has not named a beneficiary, or the named beneficiary is not surviving at the Insured's death, we may pay up to \$250 of the benefit to the person(s) who, in our opinion, have incurred expenses in connection with the Insured's last illness, death or burial.

The balance of the benefit, if any, will be held by us, until an individual or representative:

- (1) is validly named; or
- (2) is appointed to receive the proceeds; and
- (3) can give valid release to us.

The benefit will be held with interest at a rate set by us.

We will not be liable for any payment we have made in good faith.

SETTLEMENT OPTIONS

The Insured may elect a different way in which payment of the Amount of Insurance can be made. He/she must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under \$2,000 or option payments of less than \$20.00 each are not eligible.

If no instructions for a settlement option are in effect at the death of the Insured, the beneficiary may make the election, with our consent.

OPTION A – FIXED TIME PAYMENT OPTION

Equal monthly payments will be made for any period chosen, up to thirty (30) years. The amount of each payment depends on the amount applied, the period selected and the payment rates we are using when the first payment is due. The rate of any monthly payment will not be less than shown in the table below. We reserve the right to change it. This change will apply only to requests for settlement elected after this change.

**Option A Table
Minimum Monthly Payment Rates for each \$1,000 Applied**

Years	Monthly Payment								
1	\$84.47	7	\$13.16	13	\$7.71	19	\$5.73	25	\$4.71
2	42.86	8	11.68	14	7.26	20	5.51	26	4.59
3	28.99	9	10.53	15	6.87	21	5.32	27	4.47
4	22.06	10	9.61	16	6.53	22	5.15	28	4.37

6	15.14	12	8.24	18	5.96	24	4.84	30	4.18

OPTION B – FIXED AMOUNT PAYMENT OPTION

Each payment will be for an agreed fixed amount. The amount of each payment may not be less than \$10.00 for each \$1,000 applied. Interest will be credited each month on the unpaid balance and added to it. This interest will be at a rate set by us, but not less than the equivalent of 3% per year. Payments continue until the amount we hold runs out. The last payment will be for the balance only.

OPTION C – INTEREST PAYMENT OPTION

We will hold any amount applied under this section. Interest on the unpaid balance will be paid each month at a rate set by us. This rate will not be less than the equivalent of 3% per year.

If a beneficiary dies while receiving payments under one of these options and there is no contingent beneficiary, the balance will be paid in one sum to the proper representative of the beneficiary's estate, unless otherwise agreed to in the instructions for settlement.

Requests for settlement options other than the three (3) set out above may be made. A mutual agreement must be reached between the individual entitled to elect and us.

CLAIMS PROVISIONS

NOTICE OF CLAIM: Written notice must be given to us within thirty-one (31) days after the Loss occurs, or as soon as reasonably possible. The notice should be sent to us at our Administrative Offices or to our authorized agent. The notice should include the Insured's name, the Policy Number and your name.

CLAIM FORMS: When we receive written notice of a claim, we will send claim forms to the claimant within fifteen (15) days. If we do not, the claimant will satisfy the requirements of written proof of loss by sending us written proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

PROOF OF LOSS: For any covered Loss, written proof must be sent to us within ninety (90) days. If it is not reasonably possible to give proof within ninety (90) days, the claim is not affected if the proof is sent as soon as reasonably possible. In any event, proof must be given within 1 year, unless the claimant is legally incapable of doing so.

PAYMENT OF CLAIMS: Payment will be made as soon as proper proof is received. All benefits will be paid to the Insured if living. Any benefits unpaid at the time of death, or due to death, will be paid to the beneficiary.

Reliance Standard Life Insurance Company shall serve as the claims review fiduciary with respect to the insurance policy and the Plan. The claims review fiduciary has the discretionary authority to interpret the Plan and the insurance policy and to determine eligibility for benefits. Decisions by the claims review fiduciary shall be complete, final and binding on all parties.

PHYSICAL EXAMINATION: At our own expense, we will have the right to have an Insured examined as reasonably necessary when a claim is pending. We can have an autopsy made unless prohibited by law.

LEGAL ACTION: No legal action may be brought against us to recover on this Policy within sixty (60) days after written proof of loss has been given as required by this Policy. No action may be brought after three (3) years (Kansas, five (5) years; South Carolina and Michigan, six (6) years) from the time written proof of loss is required to be submitted.

DEPENDENT LIFE INSURANCE

Nothing in this section will change or affect any of the terms of the Policy other than as specifically set out in this section. All the Policy provisions not in conflict with these provisions shall apply to this section.

When an Insured Dependent dies, we will pay the applicable benefit shown on the Schedule of Benefits to the Insured. If the Insured is deceased, then the benefit will be paid to the Insured's beneficiary. Only dependents who meet the definition of Dependents can be insured for this benefit.

A person may not have coverage both as an Insured and as a covered dependent. Only one eligible spouse may cover the eligible children as Insured Dependents. The spouse may be covered as a dependent if not covered as an Insured.

EFFECTIVE DATE OF DEPENDENT INSURANCE

If you pay the entire premium, the insurance for a Dependent will become effective on the later of:

- (1) the date the Insured becomes eligible for Dependent Life Insurance; or
- (2) the date the dependent meets the definition of Dependent.

If you require an Insured to pay a portion of the dependent premium, he/she may insure his/her dependents by making written application. In this case, the insurance for Dependents will take effect on the later of:

- (1) the date the Insured becomes eligible for Dependent Life Insurance; or
- (2) the date the dependent meets the definition of Dependent, if application is made on or before that date; or
- (3) the date of application, if application is made within thirty-one (31) days from the date the dependent first becomes eligible for this insurance; or
- (4) the date we approve any required evidence of insurability. We require evidence of insurability if an Insured makes application for dependent insurance:
 - (a) after thirty-one (31) days from the date the dependent first becomes eligible for this insurance; and
 - (b) after a prior termination of insurance as long as the Insured remained in a class eligible for dependent insurance.

After this insurance is in force for one dependent, application is not required for added dependents.

For dependents who are confined in a hospital or at home on the date on which they would otherwise become insured, insurance will be effective as of the date the confinement ends.

TERMINATION OF DEPENDENT LIFE INSURANCE

The insurance for an Insured Dependent will terminate on the first of the following dates:

- (1) the date this Section terminates; or
- (2) the date the dependent is no longer a Dependent as defined; or
- (3) the end of the period for which premium has been paid by you or the Insured; or
- (4) the date the Insured's insurance terminates; or
- (5) the date the Insured retires.

CONVERSION OF DEPENDENT LIFE INSURANCE

If the insurance of an Insured Dependent terminates because:

- (1) the Insured terminates employment or membership in the classes eligible for this insurance; or
- (2) the Insured dies; or
- (3) the dependent ceases to be eligible for this insurance;

then the dependent may convert his/her insurance to an individual policy. The conversion is subject to the following rules:

- (1) a written application for the conversion policy must be received by us within thirty-one (31) days after the dependent's insurance terminates. The first premium must be sent in with the application; and
- (2) the premium due for the policy will be at our usual rates. This rate will be based on the amount of insurance, class of risk and the age of the dependent on the date the policy is issued; and
- (3) the policy may be any life plan we currently issue, except term insurance; and
- (4) evidence of insurability is not required; and
- (5) the policy issued will be for an amount not over what the dependent had before termination under this Policy; and
- (6) the policy issued will not have disability or supplemental benefits.

If the dependent's insurance ceases due to termination or amendment of this Policy, an individual policy can be issued. The dependent must have been insured for at least five (5) years under this Policy. The same rules as shown above will be used, except that the face amount will be the lesser of:

- (1) the amount of dependent life insurance under this Policy. This amount will be less any amount of group life insurance the dependent receives or becomes eligible for within thirty-one (31) days after this Policy terminates; or
- (2) \$10,000.

If an Insured Dependent should die during the time in which he/she is entitled to apply for an individual policy, we will pay the benefit he/she had under this Policy. This will be done whether or not the dependent applied for the individual policy.

Any individual policy issued with respect to this section will be effective at the end of the thirty-one (31) day period in which application must be made.

**EXTENSION OF COVERAGE UNDER THE FAMILY AND MEDICAL LEAVE ACT AND UNIFORMED SERVICES
EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)**

Family and Medical Leave of Absence:

We will continue the Insured's coverage and that of any Insured Dependent, if applicable, in accordance with your policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

- (1) the premium for such Insured and his/her Insured Dependents, if applicable, continues to be paid during the leave; and
- (2) you have approved the Insured's leave in writing and provide a copy of such approval within thirty-one (31) days of our request.

As long as the above requirements are satisfied, we will continue coverage until the later of:

- (1) the end of the leave period required by the Family and Medical Leave Act of 1993, as amended; or
- (2) the end of the leave period required by any similar state law, as amended.

Military Services Leave of Absence:

We will continue the Insured's coverage and that of any Insured Dependents, if applicable, in accordance with your policies regarding Military Services Leave of Absence under USERRA if the premium for such Insured and his or her Insured Dependents, if applicable, continues to be paid during the leave.

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

This Policy, while coverage is being continued under this Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While the Insured is on a Family and Medical Leave of Absence for any reason other than his or her own illness, injury or disability or Military Services Leave of Absence he or she will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective for an Insured who is not considered Actively at Work until the Insured has returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in this Policy.

The Insured's coverage and that of any Insured Dependents, if applicable, will cease under this extension on the earliest of:

- (1) the date this Policy terminates; or
- (2) the end of the period for which premium has been paid for the Insured; or
- (3) the date such leave should end in accordance with your policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA.

Should you choose not to continue the Insured's coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, the Insured's coverage as well as any dependent coverage, if applicable, will be reinstated.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
- (2) Except as provided in (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter the number of policies or types of policies issued by the insolvent company.
- (3) Except as provided in (4) and (5) below, the guaranty association will pay an aggregate maximum of \$500,000 with respect to any one individual affected by multiple insolvencies.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to any one structured settlement annuity contract holder.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
