## INTRODUCTION

This document is a description of Caldwell County Schools Dental Benefit Plan (the Plan). No oral interpretations can change this Plan. The Plan described is designed to protect Plan Participants against certain other expenses.

Coverage under the Plan will take effect for an eligible Employee and designated Dependents when the Employee and such Dependents satisfy the Waiting Period and all the eligibility requirements of the Plan.

The Employer fully intends to maintain this Plan indefinitely. However, it reserves the right to terminate, suspend, discontinue or amend the Plan at any time and for any reason.

Changes in the Plan may occur in any or all parts of the Plan including benefit coverage, deductibles, maximums, exclusions, limitations, definitions, eligibility and the like.

Failure to follow the eligibility or enrollment requirements of this Plan may result in delay of coverage or no coverage at all. Reimbursement from the Plan can be reduced or denied because of certain provisions in the Plan, such as coordination of benefits, subrogation, exclusions, timeliness of COBRA elections, utilization review or other cost management requirements, lack of Medical Necessity, lack of timely filing of claims or lack of coverage. These provisions are explained in summary fashion in this document; additional information is available from the Plan Administrator at no extra cost.

The Plan will pay benefits only for the expenses incurred while this coverage is in force. No benefits are payable for expenses incurred before coverage began or after coverage terminated. An expense for a service or supply is incurred on the date the service or supply is furnished.

No action at law or in equity shall be brought to recover under any section of this Plan until the appeal rights provided have been exercised and the Plan benefits requested in such appeals have been denied in whole or in part.

Dental care has become an increasingly common and expensive medical cost in recent years. Yet, dental health can be maintained easily through regular, routine care. Therefore, in addition to reimbursement for much of the cost of major procedures, the Plan encourages preventive and restorative dental care in order to avoid future, more costly major dental expenses.

If the Plan is terminated, amended, or benefits are eliminated, the rights of Covered Persons are limited to Covered Charges incurred before termination, amendment or elimination.

This document summarizes the Plan rights and benefits for covered Employees and their Dependents and is divided into the following parts:

**Eligibility, Funding, Effective Date and Termination.** Explains eligibility for coverage under the Plan, funding of the Plan and when the coverage takes effect and terminates.

**Schedule of Benefits.** Provides an outline of the Plan reimbursement formulas as well as payment limits on certain services.

**Benefit Descriptions.** Explains when the benefit applies and the types of charges covered.

**Defined Terms.** Defines those Plan terms that have a specific meaning.

**Claim Provisions.** Explains the rules for filing claims and the claim appeal process.

**Coordination of Benefits.** Shows the Plan payment order when a person is covered under more than one plan.

**Third Party Recovery Provision.** Explains the Plan's rights to recover payment of charges when a Covered Person has a claim against another person because of injuries sustained.

**Continuation Coverage Rights Under COBRA.** Explains when a person's coverage under the Plan ceases and the continuation options which are available.

## **ELIGIBILITY, FUNDING, EFFECTIVE DATE AND TERMINATION PROVISIONS**

A Plan Participant should contact the Plan Administrator to obtain additional information, free of charge, about Plan coverage of a specific benefit, particular drug, treatment, test or any other aspect of Plan benefits or requirements.

### **ELIGIBILITY**

**Eligible Classes of Employees.** All Active Employees of the Employer.

**Eligibility Requirements for Employee Coverage.** A person is eligible for Employee coverage from the first day that he or she:

- (1) is a Full-Time, Active Employee of the Employer. An Employee is considered to be Full-Time if he or she normally works at least 30 hours per week and is on the regular payroll of the Employer for that work. If a covered Employee has renewed a contract for the next school year, the covered Employee will be considered an Active Employee even if the covered Employee stops active work during the summer recess.
- (2) is in a class eligible for coverage.

**Eligible Classes of Dependents.** A Dependent is any one of the following persons:

- (1) A covered Employee's Spouse.

The term "Spouse" shall mean the person recognized as the covered Employee's husband or wife under the laws of the state where the covered Employee lives or was married. The Plan Administrator may require documentation proving a legal marital relationship.

- (2) A covered Employee's Child(ren).

An Employee's "Child" includes his natural child, adopted child, or a child placed with the Employee for adoption, stepchild and Foster child(ren).

To be eligible for Dependent coverage under the Plan, Child must be under the limiting age of 26 years. Coverage will end on the last day of the month in which the Qualified Dependent ceases to meet the applicable eligibility requirements.

If a covered Employee is the Legal Guardian of an unmarried child or children under the age of 26, and primarily dependent upon the Employee for support and maintenance, these children may be enrolled in this Plan as covered Dependents.

Any child of a Plan Participant who is an alternate recipient under a qualified medical child support order shall be considered as having a right to Dependent coverage under this Plan.

A participant of this Plan may obtain, without charge, a copy of the procedures governing qualified medical child support order (QMCSO) determinations from the Plan Administrator.

The Plan Administrator may require documentation proving eligibility for Dependent coverage, including birth certificates, tax records or initiation of legal proceedings severing parental rights.

- (3) A covered Dependent Child who reaches the limiting age and is Totally Disabled, incapable of self-sustaining employment by reason of mental or physical handicap, primarily dependent upon the covered Employee for support and maintenance and unmarried. The Plan Administrator may require, at reasonable intervals, continuing proof of the Total Disability and dependency.

The Plan Administrator reserves the right to have such Dependent examined by a Physician of the Plan Administrator's choice, at the Plan's expense, to determine the existence of such incapacity.

These persons are excluded as Dependents: other individuals living in the covered Employee's home, but who are not eligible as defined; the legally separated or divorced former Spouse of the Employee; any Spouse who is on active duty in any military service of any country; or any person who is covered under the Plan as an Employee.

If a person covered under this Plan changes status from Employee to Dependent or Dependent to Employee, and the person is covered continuously under this Plan before, during and after the change in status, credit will be given for all amounts applied to maximums.

If both mother and father are Employees, their children will be covered as Dependents of the mother or father, but not of both.

**Eligibility Requirements for Dependent Coverage.** A family member of an Employee will become eligible for Dependent coverage on the first day that the Employee is eligible for Employee coverage and the family member satisfies the requirements for Dependent coverage.

At any time, the Plan may require proof that a Spouse or a Child qualifies or continues to qualify as a Dependent as defined by this Plan.

## **FUNDING**

**Cost of the Plan.** Caldwell County Schools shares the cost of Employee coverage under this Plan with the covered Employees. The enrollment application for coverage will include a payroll deduction authorization. This authorization must be completed in a manner set forth by the Plan Administrator.

The covered Employees pay the entire cost for coverage for their Dependents. The enrollment application for coverage will include a payroll deduction authorization. This authorization must be completed in a manner set forth by the Plan Administrator.

The level of any Employee contributions is set by the Plan Administrator. The Plan Administrator reserves the right to change the level of Employee contributions.

## **ENROLLMENT**

**Enrollment Requirements.** An Employee must enroll for coverage by filling out and signing an enrollment application along with the appropriate payroll deduction authorization. This authorization must be completed in a manner set forth by the Plan Administrator.

## **TIMELY OR LATE ENROLLMENT**

- (1) Timely Enrollment** - The enrollment will be "timely" if the completed form is received by the Plan Administrator no later than 31 days after the person becomes eligible for the coverage.

If two Employees (husband and wife) are covered under the Plan and the Employee who is covering the Dependent children terminates coverage, the Dependent coverage may be continued by the other covered Employee with no Waiting Period as long as coverage has been continuous.

- (2) Late Enrollment** - An enrollment is "late" if it is not made on a "timely basis".

If an individual loses eligibility for coverage as a result of terminating employment or a general suspension of coverage under the Plan, then upon becoming eligible again due to resumption of employment or due to resumption of Plan coverage, only the most recent period of eligibility will be considered for purposes of determining whether the individual is a Late Enrollee.

Coverage begins on October 1.

## EFFECTIVE DATE

**Effective Date of Employee Coverage.** An Employee will be covered under this Plan as of the first day of the calendar month following the date that the Employee satisfies all of the following:

- (1) The Eligibility Requirement.
- (2) The Active Employee Requirement.
- (3) The Enrollment Requirements of the Plan.

### **Active Employee Requirement.**

An Employee must be an Active Employee (as defined by this Plan) for this coverage to take effect. If an Employee is not actively at work on the day coverage would become effective, coverage will not become effective until the Employee returns to active work. If the day coverage would take effect is not a regular work day for the Employee, coverage will take effect on that day if the Employee is able to perform normal job duties.

**Effective Date of Dependent Coverage.** A Dependent's coverage will take effect on the day that the Eligibility Requirements are met; the Employee is covered under the Plan; and all Enrollment Requirements are met.

## TERMINATION OF COVERAGE

**The Employer or Plan has the right to rescind any coverage of the Employee and/or Dependents for cause, making a fraudulent claim or an intentional material misrepresentation in applying for or obtaining coverage, or obtaining benefits under the Plan. The Employer or Plan may either void coverage for the Employee and/or covered Dependents for the period of time coverage was in effect, may terminate coverage as of a date to be determined at the Plan's discretion, or may immediately terminate coverage. The Employer will refund all contributions paid for any coverage rescinded; however, claims paid will be offset from this amount. The Employer reserves the right to collect additional monies if claims are paid in excess of the Employee's and/or Dependent's paid contributions.**

**When Employee Coverage Terminates.** Employee coverage will terminate on the earliest of these dates (except in certain circumstances, a covered Employee may be eligible for COBRA continuation coverage. For a complete explanation of when COBRA continuation coverage is available, what conditions apply and how to select it, see the section entitled Continuation Coverage Rights under COBRA):

- (1) The date the Plan is terminated.
- (2) The last day of the calendar month in which the covered Employee ceases to be in one of the Eligible Classes. This includes death or termination of Active Employment of the covered Employee. (See the section entitled Continuation Coverage Rights under COBRA.) It also includes an Employee on disability, leave of absence or other leave of absence, unless the Plan specifically provides for continuation during these periods.
- (3) The end of the period for which the required contribution has been paid if the charge for the next period is not paid when due.
- (4) If an Employee commits fraud, makes an intentional misrepresentation of material fact in applying for or obtaining coverage, or obtaining benefits under the Plan, or fails to notify the Plan Administrator that he or she has become ineligible for coverage, then the Employer or Plan may either void coverage for the Employee and covered Dependents for the period of time coverage was in effect, may terminate coverage as of a date to be determined at the Plan's discretion, or may immediately terminate coverage.

**Continuation During Periods of Employer-Certified Disability, Leave of Absence or Layoff.** A person may remain eligible for a limited time if Active, full-time work ceases due to disability, leave of absence or layoff. This continuance will end as follows:

**For disability leave only:** the date the Employer ends the continuance.

**For leave of absence or layoff only:** the date the Employer ends the continuance.

While continued, coverage will be that which was in force on the last day worked as an Active Employee. However, if benefits reduce for others in the class, they will also reduce for the continued person.

**Continuation During Family and Medical Leave.** Regardless of the established leave policies mentioned above, this Plan shall at all times comply with the Family and Medical Leave Act of 1993 as promulgated in regulations issued by the Department of Labor.

During any leave taken under the Family and Medical Leave Act, the Employer will maintain coverage under this Plan on the same conditions as coverage would have been provided if the covered Employee had been continuously employed during the entire leave period.

If Plan coverage terminates during the FMLA leave, coverage will be reinstated for the Employee and his or her covered Dependents if the Employee returns to work in accordance with the terms of the FMLA leave. Coverage will be reinstated only if the person(s) had coverage under this Plan when the FMLA leave started, and will be reinstated to the same extent that it was in force when that coverage terminated.

**Rehiring a Terminated Employee.** A terminated Employee who is rehired will be treated as a new hire and be required to satisfy all Eligibility and Enrollment requirements.

**Employees on Military Leave.** Employees going into or returning from military service may elect to continue Plan coverage as mandated by the Uniformed Services Employment and Reemployment Rights Act (USERRA) under the following circumstances. These rights apply only to Employees and their Dependents covered under the Plan immediately before leaving for military service.

- (1) The maximum period of coverage of a person and the person's Dependents under such an election shall be the lesser of:
  - (a) The 24 month period beginning on the date on which the person's absence begins; or
  - (b) The day after the date on which the person was required to apply for or return to a position of employment and fails to do so.
- (2) A person who elects to continue health plan coverage must pay up to 102% of the full contribution under the Plan, except a person on active duty for 30 days or less cannot be required to pay more than the Employee's share, if any, for the coverage.
- (3) An exclusion or Waiting Period may not be imposed in connection with the reinstatement of coverage upon reemployment if one would not have been imposed had coverage not been terminated because of service. However, an exclusion or Waiting Period may be imposed for coverage of any Illness or Injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of uniformed service.

If the Employee wishes to elect this coverage or obtain more detailed information, contact the Plan Administrator Caldwell County Schools, 1914 Hickory Blvd SW, Lenoir, North Carolina, 28645, (828) 728-8407. The Employee may also have continuation rights under USERRA. In general, the Employee must meet the same requirements for electing USERRA coverage as are required under COBRA continuation coverage requirements. Coverage elected under these circumstances is concurrent not cumulative. The Employee may elect USERRA continuation coverage for the Employee and their Dependents. Only the Employee has election rights. Dependents do not have any independent right to elect USERRA health plan continuation.

**When Dependent Coverage Terminates.** A Dependent's coverage will terminate on the earliest of these dates (except in certain circumstances, a covered Dependent may be eligible for COBRA continuation coverage. For a complete explanation of when COBRA continuation coverage is available, what conditions apply and how to select it, see the section entitled Continuation Coverage Rights under COBRA):

- (1) The date the Plan or Dependent coverage under the Plan is terminated.
- (2) The date that the Employee's coverage under the Plan terminates for any reason including death. (See the section entitled Continuation Coverage Rights under COBRA.)
- (3) The last day of the month in which a Spouse loses coverage due to loss of eligibility status. (See the section entitled Continuation Coverage Rights under COBRA.)
- (4) Coverage will end on the last day of the month in which the Child ceases to meet the applicable eligibility requirements. (See the section entitled Continuation Coverage Rights under COBRA.)
- (5) The end of the period for which the required contribution has been paid if the charge for the next period is not paid when due.
- (6) If a Dependent commits fraud or makes an intentional misrepresentation of material fact in applying for or obtaining coverage, or obtaining benefits under the Plan, or fails to notify the Plan Administrator that he or she has become ineligible for coverage, then the Employer or Plan may either void coverage for the Dependent for the period of time coverage was in effect, may terminate coverage as of a date to be determined at the Plan's discretion, or may immediately terminate coverage.

The decision of the Plan Administrator will be final and binding on the Plan. The Plan Administrator will be guided by the following principles:

- (14) Replacing an existing removable partial or full denture or fixed bridgework; adding teeth to an existing removable partial denture; or adding teeth to existing bridgework to replace newly extracted natural teeth. Covered only if the existing denture or bridgework was installed at least five years prior to its replacement and cannot currently be made serviceable.
- (15) Diagnostic casts, no more than 1 every 36 months if required for extensive bilateral prosthetic dentistry other than dentures. Not a covered service if for orthodontic evaluation.
- (16) Local delivery of antimicrobial agents via a controlled release vehicle into diseased crevicular tissue, per tooth. Once per tooth in any 12 month period.

**Class D Services:  
Orthodontic Treatment and Appliances  
Waiting period may apply**

This is treatment to move teeth by means of appliances to correct a handicapping malocclusion of the mouth. These services are available for covered Dependent children under age 19 and include:

- (1) Diagnosis: including examinations, study models, x-rays and other aids needed to define the problem.
- (2) Appliance: including the design, making, and placement of the device. Benefits are provided for removable appliance therapy to treat harmful habits. Benefits are not provided for repair or replacement of any such appliance.
- (3) Treatment.

Payments for orthodontic treatments are made in installments.

Benefits payable for orthodontic treatment will be calculated based on an amount not to exceed the maximum benefit amount shown in the Schedule of Benefits. Upon initial placement of the appliance, which may include other services such as the initial workup, the Plan will pay an amount not to exceed 25% of the

maximum benefit amount for orthodontic treatment. After the initial placement of the orthodontic appliance, any remaining benefit including periodic follow up visits will be considered as follows:

Benefits payable for the course of orthodontic treatment will be divided by the number of months in the scheduled course of treatment and based on the remaining maximum benefit amount available.

Benefits will only be payable during the scheduled course of orthodontic treatment if coverage is in effect for the Covered Person receiving treatment and proof is provided to the Plan that orthodontic treatment is continuing.

Minor orthodontia services that are performed in one visit and do not require follow up will be reimbursed according to the Schedule of Benefits.

If the starting date of orthodontic treatment is before the waiting period ends, the entire course of orthodontic treatment is excluded from being a covered dental service.

## **PREDETERMINATION OF BENEFITS**

Before starting a dental treatment for which the charge is expected to be \$300 or more, a predetermination of benefits form may be submitted.

A regular dental claim form is used for the predetermination of benefits. The covered Employee fills out the Employee section of the form and then gives the form to the Dentist.

The Dentist must itemize all recommended services and costs and attach all supporting x-rays to the form.

The Dentist should send the form to the Claims Administrator at this address:

Interactive Medical Systems, Corp.  
PO Box 1349  
Wake Forest, North Carolina 27588  
(919) 877-9933

The Claims Administrator will notify the Dentist of the benefits payable under the Plan. The Covered Person and the Dentist can then decide on the course of treatment, knowing in advance how much the Plan will pay.

If a description of the procedures to be performed, x-rays and an estimate of the Dentist's fees are not submitted in advance, the Plan reserves the right to make a determination of benefits payable taking into account alternative procedures, services or courses of treatment, based on accepted standards of dental practice. If verification of necessity of dental services cannot reasonably be made, the benefits may be for a lesser amount than would otherwise have been payable.

## **ALTERNATE TREATMENT**

Many dental conditions can be treated in more than one way. This Plan has an "alternate treatment" clause which governs the amount of benefits the Plan will pay for treatments covered under the Plan. If a patient chooses a more expensive treatment than is needed to correct a dental problem according to accepted standards of dental practice, the benefit payment will be based on the cost of the treatment which provides professionally satisfactory results at the most cost-effective level.

For example, if a regular amalgam filling is sufficient to restore a tooth to health, and the patient and the Dentist decide to use a gold filling, the Plan will base its reimbursement on the Usual and Reasonable Charge for an amalgam filling. The patient will pay the difference in cost.

## HOW TO SUBMIT A CLAIM

**Benefits under this Plan shall be paid only if the Plan Administrator decides in its discretion that a Covered Person is entitled to them.**

When a Covered Person has a Claim to submit for payment that person must:

- (1) Obtain a Claim form from the Personnel Office, Human Resources Office or the Plan Administrator.
- (2) Complete the Employee portion of the form. ALL QUESTIONS MUST BE ANSWERED.
- (3) Have the Dentist complete the provider's portion of the form.
- (4) For Plan reimbursements, attach bills for services rendered. ALL BILLS MUST SHOW:
  - Name of Plan

  - Diagnosis
  - Type of services rendered, with diagnosis and/or procedure codes
  - Date of services

- (5) Send the above to the Claims Administrator at this address:

Interactive Medical Systems, Corp.  
PO Box 1349  
Wake Forest, North Carolina 27588  
(919) 877-9933

## WHEN CLAIMS SHOULD BE FILED

Claims should be filed with the Claims Administrator within 180 days of the date charges for the service were incurred. Benefits are based on the Plan's provisions at the time the charges were incurred. Claims filed later than that date may be declined or reduced unless:

- (a) it's not reasonably possible to submit the claim in that time; and
- (b) the claim is submitted within one year from the date incurred. This one year period will not apply when the person is not legally capable of submitting the claim.

The Claims Administrator will determine if enough information has been submitted to enable proper consideration of the claim. If not, more information may be requested from the claimant. The Plan reserves the right to have a Plan Participant seek a second medical opinion.

## PROCESSING CLAIMS AND APPEALS

Following is a description of how the Plan processes claims for benefits and reviews the appeal of any claim that is denied. The terms used in this section are defined below.

A "Claim" is defined as any request for a Plan benefit, made by a claimant or by a representative of a claimant, which complies with the Plan's reasonable procedure for filing claims and making benefit claims determinations.

A "Claim" does not include a request for a determination of an individual's eligibility to participate in the Plan.

If a Claim is denied, in whole or in part, the denial is known as an "Adverse Benefit Determination."

A claimant has the right to request a review of an Adverse Benefit Determination. This request is an "Appeal." If the Claim is denied at the end of the Appeal process, as described below, the Plan's final decision is known as a "Final Adverse Benefit Determination."

Both the Claims and the Appeal procedures are intended to provide a full and fair review.

A claimant must follow all Claims and Appeal procedures before he or she can file a lawsuit. If a lawsuit is brought, it must be filed within two years after the final determination of an Appeal.

Any of the authority and responsibilities of the Plan Administrator under the Claims and Appeal Procedures, including the discretionary authority to interpret the terms of the Plan, may be delegated to a third party. If you have any questions regarding these procedures, please contact the Plan Administrator.

There are different kinds of Claims and each one has a specific timetable for each step in the review process. Upon receipt of the Claim, the Plan Administrator must decide whether to approve or deny the Claim. The Plan Administrator's notification to the claimant of its decision must be made as soon as practical and not later than the time shown in the timetable. However, if the Claim has not been filed properly, or if it is incomplete, or if there are other matters beyond the control of the Plan Administrator, the claimant may be notified that the period for providing the notification will need to be extended. If the period is extended because the Plan Administrator needs more information from the claimant, the claimant must provide the requested information within the time shown on the timetable. Once the Claim is complete, the Plan Administrator must make its decision as shown in the timetable. If the Claim is denied, in whole or in part, the claimant has the right to file an Appeal. Then the Plan Administrator must decide the Appeal and, if the Appeal is denied, provide notice to the claimant within the time periods shown on the timetable. The time periods shown in the timetable begin at the time the Claim or Appeal is filed in accordance with the Plan's procedures. Decisions will be made within a reasonable period of time appropriate to the circumstances, but within the maximum time periods listed in the timetables below. Unless otherwise noted, "days" means calendar days.

The definitions of the types of Claims are:

### **Urgent Care Claim**

A Claim involving Urgent Care is any Claim for medical care or treatment where the Plan conditions receipt of benefits, in whole or in part, on approval in advance of obtaining the care or treatment, and using the timetable for a non-urgent care determination could seriously jeopardize the life or health of the claimant; or the ability of the claimant to regain maximum function; or in the opinion of the attending or consulting Physician, would subject the claimant to severe pain that could not be adequately managed without the care or treatment that is the subject of the Claim.

A Physician with knowledge of the claimant's medical condition may determine if a Claim is one involving Urgent Care. If there is no such Physician, an individual acting on behalf of the Plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine may make the determination.

In the case of a Claim involving Urgent Care, responses must be made as soon as possible consistent with the medical urgency involved, and no later than the following times:

Notification to claimant of Claim determination	72 hours
---	----------

Insufficient information on the Claim, or failure to follow the Plan's procedure for filing a Claim:

Notification to claimant, orally or in writing	24 hours
--	----------

Response by claimant, orally or in writing	48 hours
--	----------

Benefit determination, orally or in writing	48 hours
---	----------

Notification of Adverse Benefit Determination on Appeal

72 hours

If there is an Adverse Benefit Determination on a Claim involving Urgent Care, a request for an expedited Appeal may be submitted orally or in writing by the claimant. All necessary information, including the Plan's benefit determination on review, may be transmitted between the Plan and the claimant by telephone, facsimile, or other similarly expeditious method.

### **Concurrent Care Claims**

A Concurrent Care Claim is a special type of Claim that arises if the Plan informs a claimant that benefits for a course of treatment that has been previously approved for a period of time or number of treatments is to be reduced or eliminated. In that case, the Plan must notify the claimant sufficiently in advance of the effective date of the reduction or elimination of treatment to allow the claimant to file an Appeal. This rule does not apply if benefits are reduced or eliminated due to Plan amendment or termination.

### **Post-Service Claim**

A Post-Service Claim means any Claim for a Plan benefit that is not a Claim involving Urgent Care; in other words, a Claim that is a request for payment under the Plan for medical services already received by the claimant.

In the case of a Post-Service Claim, the following timetable applies:

Notification to claimant of Adverse Benefit Determination	30 days
Extension due to matters beyond the control of the Plan	15 days
Extension due to insufficient information on the Claim	15 days
Notification of Adverse Benefit Determination on Appeal	30 days per benefit appeal

### **Notice to claimant of Adverse Benefit Determinations**

If a Claim is denied in whole or in part, the denial is considered to be an Adverse Benefit Determination. Except with Urgent Care Claims, when the notification may be oral followed by written or electronic notification within three days of the oral notification, the Plan Administrator shall provide written or electronic notification of the Adverse Benefit Determination. The notice will state in a manner calculated to be understood by the claimant:

- (1) The specific reason or reasons for the adverse determination.
- (2) Reference to the specific Plan provisions on which the determination was based.
- (3) A description of any additional material or information necessary for the claimant to perfect the Claim and an explanation of why such material or information is necessary.
- (4) A description of the Plan's Appeal procedures. This description will include information on how to initiate the Appeal and the time limits applicable to such procedures.
- (5) If the Adverse Benefit Determination was based on an internal rule, guideline, protocol, or other similar criterion, the specific rule, guideline, protocol, or criterion will be provided free of charge. If this is not practical, a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the Adverse Benefit Determination and a copy will be provided free of charge to the claimant upon request.
- (6) If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances, will be provided. If this is not practical, a statement will be included that such explanation will be provided free of charge, upon request.

## Appeals

When a claimant receives notification of an Adverse Benefit Determination, the claimant generally has 180 days following receipt of the notification in which to file a written request for an Appeal of the decision. However, for Concurrent Care Claims, the Claimant must file the Appeal prior to the scheduled reduction or termination of treatment. A claimant may submit written comments, documents, records, and other information relating to the Claim.

If the claimant so requests, he or she will be provided, free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claim.

A document, record, or other information shall be considered relevant to a Claim if it:

- (1) was relied upon in making the benefit determination;
- (2) was submitted, considered, or generated in the course of making the benefit determination, without regard to whether it was relied upon in making the benefit determination;
- (3) demonstrated compliance with the administrative processes and safeguards designed to ensure and to verify that benefit determinations are made in accordance with Plan documents and Plan provisions have been applied consistently with respect to all claimants; or
- (4) constituted a statement of policy or guidance with respect to the Plan concerning the denied treatment option or benefit.

The period of time within which a benefit determination on Appeal is required to be made shall begin at the time an Appeal is filed in writing in accordance with the procedures of the Plan. This timing is without regard to whether all the necessary information accompanies the filing.

The review shall take into account all comments, documents, records, and other information submitted by the claimant relating to the Claim, without regard to whether such information was submitted or considered in the initial benefit determination. The review will not afford deference to the initial Adverse Benefit Determination and will be conducted by a fiduciary of the Plan who is neither the individual who made the adverse determination nor a subordinate of that individual.

If the determination was based on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is Experimental, Investigational, or not Medically Necessary or appropriate, the fiduciary shall consult with a health care professional who was not involved in the original benefit determination. This health care professional will have appropriate training and experience in the field of medicine involved in the medical judgment. Additionally, medical or vocational experts whose advice was obtained on behalf of the Plan in connection with the initial determination will be identified.

If the Appeal of a Claim is denied, in whole or in part, the Plan Administrator shall provide written notification of the Adverse Benefit Determination on Appeal. The notice will state, in a manner calculated to be understood by the claimant:

- (1) The specific reason or reasons for the adverse determination.
- (2) Reference to the specific Plan provisions on which the determination was based.
- (3) A description of any additional material or information necessary for the claimant to perfect the Claim and an explanation of why such material or information is necessary.
- (4) A description of the Plan's review procedures and the time limits applicable to such procedures.
- (5) A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claim.

- (6) If the Adverse Benefit Determination was based on an internal rule, guideline, protocol, or other similar criterion, the specific rule, guideline, protocol, or criterion will be provided free of charge. If this is not practical, a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the Adverse Benefit Determination and a copy will be provided free of charge to the claimant upon request.
- (7) If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances, will be provided. If this is not practical, a statement will be included that such explanation will be provided free of charge, upon request.

## COORDINATION OF BENEFITS

**Coordination of the benefit plans.** Coordination of benefits sets out rules for the order of payment of Covered Charges when two or more plans -- including Medicare -- are paying. When a Covered Person is covered by this Plan and another plan, or the Covered Person's Spouse is covered by this Plan and by another plan or the couple's Covered children are covered under two or more plans, the plans will coordinate benefits when a claim is received.

The plan that pays first according to the rules will pay as if there were no other plan involved. The secondary and subsequent plans will pay the balance due up to 100% of the total Allowable Charges.

**Benefit plan.** This provision will coordinate the medical and dental benefits of a benefit plan. The term benefit plan means this Plan or any one of the following plans:

- (1) Group or group-type plans, including franchise or blanket benefit plans.
- (2) Blue Cross and Blue Shield group plans.
- (3) Group practice and other group prepayment plans.
- (4) Federal government plans or programs. This includes, but is not limited to, Medicare and Tricare.
- (5) Other plans required or provided by law. This does not include Medicaid or any benefit plan like it that, by its terms, does not allow coordination.
- (6) No Fault Auto Insurance, by whatever name it is called, when not prohibited by law.

**Allowable Charge.** For a charge to be allowable it must be a Usual and Reasonable Charge and at least part of it must be covered under this Plan.

In the case of HMO (Health Maintenance Organization) or other in-network only plans: This Plan will not consider any charges in excess of what an HMO or network provider has agreed to accept as payment in full. Also, when an HMO or network plan is primary and the Covered Person does not use an HMO or network provider, this Plan will not consider as an Allowable Charge any charge that would have been covered by the HMO or network plan had the Covered Person used the services of an HMO or network provider.

**Benefit plan payment order.** When two or more plans provide benefits for the same Allowable Charge, benefit payment will follow these rules:

- (1) Plans that do not have a coordination provision, or one like it, will pay first. Plans with such a provision will be considered after those without one.
- (2) Plans with a coordination provision will pay their benefits up to the Allowable Charge:
  - (a) The benefits of the plan which covers the person directly (that is, as an employee, member or subscriber) ("Plan A") are determined before those of the plan which covers the person as a dependent ("Plan B").
  - (b) The benefits of a benefit plan which covers a person as an Employee who is neither laid off nor retired are determined before those of a benefit plan which covers that person as a laid-off or Retired Employee. The benefits of a benefit plan which covers a person as a Dependent of an Employee who is neither laid off nor retired are determined before those of a benefit plan which covers a person as a Dependent of a laid off or Retired Employee. If the other benefit plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule does not apply.
  - (c) The benefits of a benefit plan which covers a person as an Employee who is neither laid off nor retired or a Dependent of an Employee who is neither laid off nor retired are determined before those of a plan which covers the person as a COBRA beneficiary.

- (d) When a child is covered as a Dependent and the parents are not separated or divorced, these rules will apply:
  - (i) The benefits of the benefit plan of the parent whose birthday falls earlier in a year are determined before those of the benefit plan of the parent whose birthday falls later in that year;
  - (ii) If both parents have the same birthday, the benefits of the benefit plan which has covered the parent for the longer time are determined before those of the benefit plan which covers the other parent.
- (e) When a child's parents are divorced or legally separated, these rules will apply:
  - (i) This rule applies when the parent with custody of the child has not remarried. The benefit plan of the parent with custody will be considered before the benefit plan of the parent without custody.
  - (ii) This rule applies when the parent with custody of the child has remarried. The benefit plan of the parent with custody will be considered first. The benefit plan of the stepparent that covers the child as a Dependent will be considered next. The benefit plan of the parent without custody will be considered last.
  - (iii) This rule will be in place of items (i) and (ii) above when it applies. A court decree may state which parent is financially responsible for medical and dental benefits of the child. In this case, the benefit plan of that parent will be considered before other plans that cover the child as a Dependent.
  - (iv) If the specific terms of the court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child shall follow the order of benefit determination rules outlined above when a child is covered as a Dependent and the parents are not separated or divorced.
  - (v) For parents who were never married to each other, the rules apply as set out above as long as paternity has been established.
- (f) If there is still a conflict after these rules have been applied, the benefit plan which has covered the patient for the longer time will be considered first. When there is a conflict in coordination of benefit rules, the Plan will never pay more than 50% of Allowable Charges when paying secondary.
- (3) If a Plan Participant is under a disability extension from a previous benefit plan, that benefit plan will pay first and this Plan will pay second.
- (4) The Plan will pay primary to Tricare and a State child health plan to the extent required by federal law.

**Claims determination period.** Benefits will be coordinated on a Plan Year basis. This is called the claims determination period.

**Right to receive or release necessary information.** To make this provision work, this Plan may give or obtain needed information from another insurer or any other organization or person. This information may be given or obtained without the consent of or notice to any other person. A Covered Person will give this Plan the information it asks for about other plans and their payment of Allowable Charges.

**Facility of payment.** This Plan may repay other plans for benefits paid that the Plan Administrator determines it should have paid. That repayment will count as a valid payment under this Plan.

**Right of recovery.** This Plan may pay benefits that should be paid by another benefit plan. In this case this Plan may recover the amount paid from the other benefit plan or the Covered Person. That repayment will count as a valid payment under the other benefit plan.

Further, this Plan may pay benefits that are later found to be greater than the Allowable Charge. In this case, this Plan may recover the amount of the overpayment from the source to which it was paid.

**Exception to Medicaid.** The Plan shall not take into consideration the fact that an individual is eligible for or is provided medical assistance through Medicaid when enrolling an individual in the Plan or making a determination about the payments for benefits received by a Covered Person under the Plan.

## THIRD PARTY RECOVERY PROVISION

### RIGHT OF SUBROGATION AND REFUND

**When this provision applies.** The Covered Person may incur medical or dental charges due to Injuries which may be caused by the act or omission of a Third Party or a Third Party may be responsible for payment. In such circumstances, the Covered Person may have a claim against that Third Party, or insurer, for payment of the medical or dental charges. Accepting benefits under this Plan for those incurred medical or dental expenses automatically assigns to the Plan any rights the Covered Person may have to Recover payments from any Third Party or insurer. This Subrogation right allows the Plan to pursue any claim which the Covered Person has against any Third Party, or insurer, whether or not the Covered Person chooses to pursue that claim. The Plan may make a claim directly against the Third Party or insurer, but in any event, the Plan has a lien on any amount Recovered by the Covered Person whether or not designated as payment for medical expenses. This lien shall remain in effect until the Plan is repaid in full.

The payment for benefits received by a Covered Person under the Plan shall be made in accordance with the assignment of rights by or on behalf of the Covered Person as required by Medicaid.

In any case in which the Plan has a legal liability to make payments for benefits received by a Covered Person, to the extent that payment has been made through Medicaid, the payment for benefits under the Plan shall be made in accordance with any state law that has provided that the state has acquired the rights of the Covered Person to the payments of those benefits.

The Covered Person:

- (1) automatically assigns to the Plan his or her rights against any Third Party or insurer when this provision applies; and
- (2) must repay to the Plan the benefits paid on his or her behalf out of the Recovery made from the Third Party or insurer.

**Amount subject to Subrogation or Refund.** The Covered Person agrees to recognize the Plan's right to Subrogation and reimbursement. These rights provide the Plan with a 100%, first dollar priority over any and all Recoveries and funds paid by a Third Party to a Covered Person relative to the Injury or Sickness, including a priority over any claim for non-medical or dental charges, attorney fees, or other costs and expenses. Accepting benefits under this Plan for those incurred medical or dental expenses automatically assigns to the Plan any and all rights the Covered Person may have to recover payments from any responsible third party. Further, accepting benefits under this Plan for those incurred medical or dental expenses automatically assigns to the Plan the Covered Person's Third Party Claims.

Notwithstanding its priority to funds, the Plan's Subrogation and Refund rights, as well as the rights assigned to it, are limited to the extent to which the Plan has made, or will make, payments for medical or dental charges as well as any costs and fees associated with the enforcement of its rights under the Plan. The Plan reserves the right to be reimbursed for its court costs and attorneys' fees if the Plan needs to file suit in order to Recover payment for medical or dental expenses from the Covered Person. Also, the Plan's right to Subrogation still applies if the Recovery received by the Covered Person is less than the claimed damage, and, as a result, the claimant is not made whole.

When a right of Recovery exists, the Covered Person will execute and deliver all required instruments and papers as well as doing whatever else is needed to secure the Plan's right of Subrogation as a condition to having the Plan make payments. In addition, the Covered Person will do nothing to prejudice the right of the Plan to Subrogate.

**Conditions Precedent to Coverage.** The Plan shall have no obligation whatsoever to pay medical or dental benefits to a Covered Person if a Covered Person refuses to cooperate with the Plan's reimbursement and Subrogation rights or refuses to execute and deliver such papers as the Plan may require in furtherance of its reimbursement and Subrogation rights. Further, in the event the Covered Person is a minor, the Plan shall have no obligation to pay any medical or dental benefits incurred on account of Injury or Sickness caused by a responsible Third Party until after the Covered Person or his authorized legal representative obtains valid court

recognition and approval of the Plan's 100%, first dollar reimbursement and Subrogation rights on all Recoveries, as well as approval for the execution of any papers necessary for the enforcement thereof, as described herein.

**Defined terms:** "Covered Person" means anyone covered under the Plan, including minor dependents.

"Recover," "Recovered," "Recovery" or "Recoveries" means all monies paid to the Covered Person by way of judgment, settlement, or otherwise to compensate for all losses caused by the Injury or Sickness, whether or not said losses reflect medical or dental charges covered by the Plan. "Recoveries" further includes, but is not limited to, recoveries for medical or dental expenses, attorneys' fees, costs and expenses, pain and suffering, loss of consortium, wrongful death, lost wages and any other recovery of any form of damages or compensation whatsoever.

"Refund" means repayment to the Plan for medical or dental benefits that it has paid toward care and treatment of the Injury or Sickness.

"Subrogation" means the Plan's right to pursue and place a lien upon the Covered Person's claims for medical or dental charges against the other person.

"Third Party" means any Third Party including another person or a business entity.

**Recovery from another plan under which the Covered Person is covered.** This right of Refund also applies when a Covered Person Recovers under an uninsured or underinsured motorist plan (which will be treated as Third Party coverage when reimbursement or Subrogation is in order), homeowner's plan, renter's plan, medical malpractice plan or any liability plan.

**Rights of Plan Administrator.** The Plan Administrator has a right to request reports on and approve of all settlements.

## CONTINUATION COVERAGE RIGHTS UNDER COBRA

Under federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), certain Employees and their families covered under Caldwell County Schools Dental Benefit Plan (the Plan) will be entitled to the opportunity to elect a temporary extension of health coverage (called "COBRA continuation coverage") where coverage under the Plan would otherwise end. This notice is intended to inform Plan Participants and beneficiaries, in summary fashion, of their rights and obligations under the continuation coverage provisions of COBRA, as amended and reflected in final and proposed regulations published by the Department of the Treasury. This notice is intended to reflect the law and does not grant or take away any rights under the law.

The Plan Administrator is Caldwell County Schools, 1914 Hickory Blvd SW, Lenoir, North Carolina, 28645, (828) 728-8407. The Plan Administrator is responsible for administering COBRA continuation coverage. Complete instructions on COBRA, as well as election forms and other information, will be provided by the Plan Administrator or its designee to Plan Participants who become Qualified Beneficiaries under COBRA.

**What is COBRA continuation coverage?** COBRA continuation coverage is the temporary extension of group health plan coverage that must be offered to certain Plan Participants and their eligible family members (called "Qualified Beneficiaries") at group rates. The right to COBRA continuation coverage is triggered by the occurrence of a life event that results in the loss of coverage under the terms of the Plan (the "Qualifying Event"). The coverage must be identical to the Plan coverage that the Qualified Beneficiary had immediately before the Qualifying Event, or if the coverage has been changed, the coverage must be identical to the coverage provided to similarly situated active employees who have not experienced a Qualifying Event (in other words, similarly situated non-COBRA beneficiaries).

**Who can become a Qualified Beneficiary?** In general, a Qualified Beneficiary can be:

- (1) Any individual who, on the day before a Qualifying Event, is covered under a Plan by virtue of being on that day either a covered Employee, the Spouse of a covered Employee, or a Dependent child of a covered Employee. If, however, an individual who otherwise qualifies as a Qualified Beneficiary is denied or not offered coverage under the Plan under circumstances in which the denial or failure to offer constitutes a violation of applicable law, then the individual will be considered to have had the Plan coverage and will be considered a Qualified Beneficiary if that individual experiences a Qualifying Event.
- (2) Any child who is born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage, and any individual who is covered by the Plan as an alternate recipient under a qualified medical support order. If, however, an individual who otherwise qualifies as a Qualified Beneficiary is denied or not offered coverage under the Plan under circumstances in which the denial or failure to offer constitutes a violation of applicable law, then the individual will be considered to have had the Plan coverage and will be considered a Qualified Beneficiary if that individual experiences a Qualifying Event.

The term "covered Employee" includes any individual who is provided coverage under the Plan due to his or her performance of services for the employer sponsoring the Plan (e.g., common-law employees (full or part-time), self-employed individuals, independent contractor, or corporate director). However, this provision does not establish eligibility of these individuals. Eligibility for Plan Coverage shall be determined in accordance with Plan Eligibility provisions.

An individual is not a Qualified Beneficiary if the individual's status as a covered Employee is attributable to a period in which the individual was a nonresident alien who received from the individual's Employer no earned income that constituted income from sources within the United States. If, on account of the preceding reason, an individual is not a Qualified Beneficiary, then a Spouse or Dependent child of the individual will also not be considered a Qualified Beneficiary by virtue of the relationship to the individual. A domestic partner is not a Qualified Beneficiary.

Each Qualified Beneficiary (including a child who is born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage) must be offered the opportunity to make an independent election to receive COBRA continuation coverage.

**What is a Qualifying Event?** A Qualifying Event is any of the following if the Plan provided that the Plan participant would lose coverage (i.e.: cease to be covered under the same terms and conditions as in effect immediately before the Qualifying Event) in the absence of COBRA continuation coverage:

- (1) The death of a covered Employee.
- (2) The termination (other than by reason of the Employee's gross misconduct), or reduction of hours, of a covered Employee's employment.
- (3) The divorce or legal separation of a covered Employee from the Employee's Spouse. If the Employee reduces or eliminates the Employee's Spouse's Plan coverage in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the divorce or legal separation may be considered a Qualifying Event even though the Spouse's coverage was reduced or eliminated before the divorce or legal separation.
- (4) A covered Employee's enrollment in any part of the Medicare program.
- (5) A Dependent child's ceasing to satisfy the Plan's requirements for a Dependent child (for example, attainment of the maximum age for dependency under the Plan).

If the Qualifying Event causes the covered Employee, or the covered Spouse or a Dependent child of the covered Employee, to cease to be covered under the Plan under the same terms and conditions as in effect immediately before the Qualifying Event, the persons losing such coverage become Qualified Beneficiaries under COBRA if all the other conditions of COBRA are also met. For example, any increase in contribution that must be paid by a covered Employee, or the Spouse, or a Dependent child of the covered Employee, for coverage under the Plan that results from the occurrence of one of the events listed above is a loss of coverage.

The taking of leave under the Family and Medical Leave Act of 1993 ("FMLA") does not constitute a Qualifying Event. A Qualifying Event will occur, however, if an Employee does not return to employment at the end of the FMLA leave and all other COBRA continuation coverage conditions are present. If a Qualifying Event occurs, it occurs on the last day of FMLA leave and the applicable maximum coverage period is measured from this date (unless coverage is lost at a later date and the Plan provides for the extension of the required periods, in which case the maximum coverage date is measured from the date when the coverage is lost.) Note that the covered Employee and family members will be entitled to COBRA continuation coverage even if they failed to pay the employee portion of premiums for coverage under the Plan during the FMLA leave.

**What factors should be considered when determining to elect COBRA continuation coverage?** You should take into account that a failure to continue your group health coverage will affect your rights under federal law. First, you can lose the right to avoid having pre-existing condition exclusions applied by other group health plans if there is more than a 63-day gap in health coverage and election of COBRA continuation coverage may help you avoid such a gap. Second, if you do not elect COBRA continuation coverage and pay the appropriate premiums for the maximum time available to you, you will lose the right to convert to an individual health insurance policy, which does not impose such pre-existing condition exclusions. Finally, you should take into account that you have special enrollment rights under federal law (HIPAA). You have the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a plan sponsored by your Spouse's employer) within 30 days after Plan coverage ends due to a Qualifying Event listed above. You will also have the same special right at the end of COBRA continuation coverage if you get COBRA continuation coverage for the maximum time available to you.

**What is the procedure for obtaining COBRA continuation coverage?** The Plan has conditioned the availability of COBRA continuation coverage upon the timely election of such coverage. An election is timely if it is made during the election period.

**What is the election period and how long must it last?** The election period is the time period within which the Qualified Beneficiary must elect COBRA continuation coverage under the Plan. The election period must begin no later than the date the Qualified Beneficiary would lose coverage on account of the Qualifying Event and ends 60 days after the later of the date the Qualified Beneficiary would lose coverage on account of the Qualifying Event or the date notice is provided to the Qualified Beneficiary of her or his right to elect COBRA continuation coverage. If coverage is not elected within the 60 day period, all rights to elect COBRA continuation coverage are forfeited.

Note: If a covered Employee who has been terminated or experienced a reduction of hours qualifies for a trade readjustment allowance or alternative trade adjustment assistance under a federal law called the Trade Act of 2002, and the Employee and his or her covered Dependents have not elected COBRA coverage within the normal election period, a second opportunity to elect COBRA coverage will be made available for themselves and certain family members, but only within a limited period of 60 days or less and only during the six months immediately after their group health plan coverage ended. Any person who qualifies or thinks that he and/or his family members may qualify for assistance under this special provision should contact the Plan Administrator for further information about the special second election period.

The Trade Act of 2002 also created a tax credit for certain TAA-eligible individuals and for certain retired employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Consumer Contact Center toll-free at 1-866-628-4282. TTD/TTY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at [www.doleta.gov/tradeact](http://www.doleta.gov/tradeact).

**Is a covered Employee or Qualified Beneficiary responsible for informing the Plan Administrator of the occurrence of a Qualifying Event?** The Plan will offer COBRA continuation coverage to Qualified Beneficiaries only after the Plan Administrator or its designee has been timely notified that a Qualifying Event has occurred. The employer (if the employer is not the Plan Administrator) will notify the Plan Administrator of the Qualifying Event within 30 days following the date coverage ends when the Qualifying Event is:

- (1) the end of employment or reduction of hours of employment,
- (2) death of the Employee,
- (3) commencement of a proceeding in bankruptcy with respect to the employer, or
- (4) entitlement of the employee to any part of Medicare.

**IMPORTANT:**

**For the other Qualifying Events (divorce or legal separation of the Employee and Spouse or a Dependent child's losing eligibility for coverage as a Dependent child), you or someone on your behalf must notify the Plan Administrator or its designee in writing within 60 days after the Qualifying Event occurs, using the procedures specified below. If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator or its designee during the 60-day notice period, any Spouse or Dependent child who loses coverage will not be offered the option to elect continuation coverage. You must send this notice to the Plan Sponsor.**

**NOTICE PROCEDURES:**

Any notice that you provide must be ***in writing***. Oral notice, including notice by telephone, is not acceptable. You must mail, fax or hand-deliver your notice to the person, department or firm listed below, at the following address:

Caldwell County Schools  
1914 Hickory Blvd SW  
Lenoir, North Carolina 28645

If mailed, your notice must be postmarked no later than the last day of the required notice period. Any notice you provide must state:

- the **name of the plan or plans** under which you lost or are losing coverage,
- the **name and address of the Employee** covered under the plan,
- the **name(s) and address(es) of the Qualified Beneficiary(ies)**, and
- the **Qualifying Event** and the **date** it happened.

If the Qualifying Event is a **divorce or legal separation**, your notice must include **a copy of the divorce decree or the legal separation agreement**.

Be aware that there are other notice requirements in other contexts, for example, in order to qualify for a disability extension.

Once the Plan Administrator or its designee receives ***timely notice*** that a Qualifying Event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each Qualified Beneficiary will have an independent right to elect COBRA continuation coverage. Covered Employees may elect COBRA continuation coverage for their Spouses, and parents may elect COBRA continuation coverage on behalf of their children. For each Qualified Beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that plan coverage would otherwise have been lost. If you or your Spouse or Dependent children do not elect continuation coverage within the 60-day election period described above, the right to elect continuation coverage will be lost.

**Is a waiver before the end of the election period effective to end a Qualified Beneficiary's election rights?** If, during the election period, a Qualified Beneficiary waives COBRA continuation coverage, the waiver can be revoked at any time before the end of the election period. Revocation of the waiver is an election of COBRA continuation coverage. However, if a waiver is later revoked, coverage need not be provided retroactively (that is, from the date of the loss of coverage until the waiver is revoked). Waivers and revocations of waivers are considered made on the date they are sent to the Plan Administrator or its designee, as applicable.

**Is COBRA coverage available if a Qualified Beneficiary has other group health plan coverage or Medicare?** Qualified beneficiaries who are entitled to elect COBRA continuation coverage may do so even if they are covered under another group health plan or are entitled to Medicare benefits on or before the date on which COBRA is elected. However, a Qualified Beneficiary's COBRA coverage will terminate automatically if, after electing COBRA, he or she becomes entitled to Medicare or becomes covered under other group health plan coverage (but only after any applicable preexisting condition exclusions of that other plan have been exhausted or satisfied).

**When may a Qualified Beneficiary's COBRA continuation coverage be terminated?** During the election period, a Qualified Beneficiary may waive COBRA continuation coverage. Except for an interruption of coverage in connection with a waiver, COBRA continuation coverage that has been elected for a Qualified Beneficiary must extend for at least the period beginning on the date of the Qualifying Event and ending not before the earliest of the following dates:

- (1) The last day of the applicable maximum coverage period.
- (2) The first day for which Timely Payment is not made to the Plan with respect to the Qualified Beneficiary.

- (3) The date upon which the Employer ceases to provide any group health plan (including a successor plan) to any employee.
- (4) The date, after the date of the election, that the Qualified Beneficiary first becomes covered under any other Plan that does not contain any exclusion or limitation with respect to any pre-existing condition, other than such an exclusion or limitation that does not apply to, or is satisfied by, the Qualified Beneficiary.
- (5) The date, after the date of the election, that the Qualified Beneficiary first becomes entitled to Medicare (either part A or part B, whichever occurs earlier).
- (6) In the case of a Qualified Beneficiary entitled to a disability extension, the later of:
  - (a) (i) 29 months after the date of the Qualifying Event, or (ii) the first day of the month that is more than 30 days after the date of a final determination under Title II or XVI of the Social Security Act that the disabled Qualified Beneficiary whose disability resulted in the Qualified Beneficiary's entitlement to the disability extension is no longer disabled, whichever is earlier; or
  - (b) the end of the maximum coverage period that applies to the Qualified Beneficiary without regard to the disability extension.

The Plan can terminate for cause the coverage of a Qualified Beneficiary on the same basis that the Plan terminates for cause the coverage of similarly situated non-COBRA beneficiaries, for example, for the submission of a fraudulent claim.

In the case of an individual who is not a Qualified Beneficiary and who is receiving coverage under the Plan solely because of the individual's relationship to a Qualified Beneficiary, if the Plan's obligation to make COBRA continuation coverage available to the Qualified Beneficiary ceases, the Plan is not obligated to make coverage available to the individual who is not a Qualified Beneficiary.

**What are the maximum coverage periods for COBRA continuation coverage?** The maximum coverage periods are based on the type of the Qualifying Event and the status of the Qualified Beneficiary, as shown below:

- (1) In the case of a Qualifying Event that is a termination of employment or reduction of hours of employment, the maximum coverage period ends 18 months after the Qualifying Event if there is not a disability extension and 29 months after the Qualifying Event if there is a disability extension.
- (2) In the case of a covered Employee's enrollment in the Medicare program before experiencing a Qualifying Event that is a termination of employment or reduction of hours of employment, the maximum coverage period for Qualified Beneficiaries ends on the later of:
  - (a) 36 months after the date the covered Employee becomes enrolled in the Medicare program. This extension does not apply to the covered Employee; or
  - (b) 18 months (or 29 months, if there is a disability extension) after the date of the covered Employee's termination of employment or reduction of hours of employment.
- (3) In the case of a Qualified Beneficiary who is a child born to or placed for adoption with a covered Employee during a period of COBRA continuation coverage, the maximum coverage period is the maximum coverage period applicable to the Qualifying Event giving rise to the period of COBRA continuation coverage during which the child was born or placed for adoption.
- (4) In the case of any other Qualifying Event than that described above, the maximum coverage period ends 36 months after the Qualifying Event.

**Under what circumstances can the maximum coverage period be expanded?** If a Qualifying Event that gives rise to an 18-month or 29-month maximum coverage period is followed, within that 18- or 29-month

period, by a second Qualifying Event that gives rise to a 36-months maximum coverage period, the original period is expanded to 36 months, but only for individuals who are Qualified Beneficiaries at the time of and with respect to both Qualifying Events. In no circumstance can the COBRA maximum coverage period be expanded to more than 36 months after the date of the first Qualifying Event. The Plan Administrator must be notified of the second Qualifying Event within 60 days of the second Qualifying Event. This notice must be sent to the Plan Sponsor in accordance with the procedures above.

**How does a Qualified Beneficiary become entitled to a disability extension?** A disability extension will be granted if an individual (whether or not the covered Employee) who is a Qualified Beneficiary in connection with the Qualifying Event that is a termination or reduction of hours of a covered Employee's employment, is determined under Title II or XVI of the Social Security Act to have been disabled at any time during the first 60 days of COBRA continuation coverage. To qualify for the disability extension, the Qualified Beneficiary must also provide the Plan Administrator with notice of the disability determination on a date that is both within 60 days after the date of the determination and before the end of the original 18-month maximum coverage. This notice should be sent to the Plan Sponsor in accordance with the procedures above.

**Does the Plan require payment for COBRA continuation coverage?** For any period of COBRA continuation coverage under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage. Qualified beneficiaries will pay up to 102% of the applicable premium and up to 150% of the applicable premium for any expanded period of COBRA continuation coverage covering a disabled Qualified Beneficiary due to a disability extension. The Plan will terminate a Qualified Beneficiary's COBRA continuation coverage as of the first day of any period for which timely payment is not made.

**Must the Plan allow payment for COBRA continuation coverage to be made in monthly installments?**

Yes. The Plan is also permitted to allow for payment at other intervals.

**What is Timely Payment for payment for COBRA continuation coverage?** Timely Payment means a payment made no later than 30 days after the first day of the coverage period. Payment that is made to the Plan by a later date is also considered Timely Payment if either under the terms of the Plan, covered employees or Qualified Beneficiaries are allowed until that later date to pay for their coverage for the period or under the terms of an arrangement between the Employer and the entity that provides Plan benefits on the Employer's behalf, the Employer is allowed until that later date to pay for coverage of similarly situated non-COBRA beneficiaries for the period.

Notwithstanding the above paragraph, the Plan does not require payment for any period of COBRA continuation coverage for a Qualified Beneficiary earlier than 45 days after the date on which the election of COBRA continuation coverage is made for that Qualified Beneficiary. Payment is considered made on the date on which it is postmarked to the Plan.

If Timely Payment is made to the Plan in an amount that is not significantly less than the amount the Plan requires to be paid for a period of coverage, then the amount paid will be deemed to satisfy the Plan's requirement for the amount to be paid, unless the Plan notifies the Qualified Beneficiary of the amount of the deficiency and grants a reasonable period of time for payment of the deficiency to be made. A "reasonable period of time" is 30 days after the notice is provided. A shortfall in a Timely Payment is not significant if it is no greater than the lesser of \$50 or 10% of the required amount.

## RESPONSIBILITIES FOR PLAN ADMINISTRATION

**PLAN ADMINISTRATOR.** Caldwell County Schools Dental Benefit Plan is the benefit plan of Caldwell County Schools, the Plan Administrator, also called the Plan Sponsor. It is to be administered by the Plan Administrator. An individual or committee may be appointed by Caldwell County Schools to be Plan Administrator and serve at the convenience of the Employer. If the Plan Administrator or a committee member resigns, dies or is otherwise removed from the position, Caldwell County Schools shall appoint a new Plan Administrator as soon as reasonably possible.

The Plan Administrator shall administer this Plan in accordance with its terms and establish its policies, interpretations, practices, and procedures. It is the express intent of this Plan that the Plan Administrator shall have maximum legal discretionary authority to construe and interpret the terms and provisions of the Plan, to make determinations regarding issues which relate to eligibility for benefits, to decide disputes which may arise relative to a Plan Participant's rights, and to decide questions of Plan interpretation and those of fact relating to the Plan. The decisions of the Plan Administrator will be final and binding on all interested parties.

Service of legal process may be made upon the Plan Administrator.

### DUTIES OF THE PLAN ADMINISTRATOR.

- (1) To administer the Plan in accordance with its terms.
- (2) To interpret the Plan, including the right to remedy possible ambiguities, inconsistencies or omissions.
- (3) To decide disputes which may arise relative to a Plan Participant's rights.
- (4) To prescribe procedures for filing a claim for benefits and to review claim denials.
- (5) To keep and maintain the Plan documents and all other records pertaining to the Plan.
- (6) To appoint a Claims Administrator to pay claims.
- (7) To perform all necessary reporting as required.
- (8) To establish and communicate procedures to determine whether a medical child support order is qualified.
- (9) To delegate to any person or entity such powers, duties and responsibilities as it deems appropriate.

**PLAN ADMINISTRATOR COMPENSATION.** The Plan Administrator serves **without** compensation; however, all expenses for plan administration, including compensation for hired services, will be paid by the Plan.

**FIDUCIARY.** A fiduciary exercises discretionary authority or control over management of the Plan or the disposition of its assets, renders investment advice to the Plan or has discretionary authority or responsibility in the administration of the Plan.

**FIDUCIARY DUTIES.** A fiduciary must carry out his or her duties and responsibilities for the purpose of providing benefits to the Employees and their Dependent(s), and defraying reasonable expenses of administering the Plan. These are duties which must be carried out:

- (1) with care, skill, prudence and diligence under the given circumstances that a prudent person, acting in a like capacity and familiar with such matters, would use in a similar situation;
- (2) by diversifying the investments of the Plan so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so; and
- (3) in accordance with the Plan documents.

**THE NAMED FIDUCIARY.** A "named fiduciary" is the one named in the Plan. A named fiduciary can appoint others to carry out fiduciary responsibilities (other than as a trustee) under the Plan. These other persons become fiduciaries themselves and are responsible for their acts under the Plan. To the extent that the named fiduciary allocates its responsibility to other persons, the named fiduciary shall not be liable for any act or omission of such person unless either:

- (1) the named fiduciary has violated its stated duties in appointing the fiduciary, establishing the procedures to appoint the fiduciary or continuing either the appointment or the procedures; or
- (2) the named fiduciary breached its fiduciary responsibility.

**CLAIMS ADMINISTRATOR IS NOT A FIDUCIARY.** A Claims Administrator is **not** a fiduciary under the Plan by virtue of paying claims in accordance with the Plan's rules as established by the Plan Administrator.

**COMPLIANCE WITH HIPAA PRIVACY STANDARDS.** Certain members of the Employer's workforce perform services in connection with administration of the Plan. In order to perform these services, it is necessary for these employees from time to time to have access to Protected Health Information (as defined below).

Under the Standards for Privacy of Individually Identifiable Health Information (45 CFR Part 164, the "Privacy Standards"), these employees are permitted to have such access subject to the following:

- (1) **General.** The Plan shall not disclose Protected Health Information to any member of the Employer's workforce unless each of the conditions set out in this HIPAA Privacy section is met. "Protected Health Information" shall have the same definition as set out in the Privacy Standards but generally shall mean individually identifiable health information about the past, present or future physical or mental health or condition of an individual, including information about treatment or payment for treatment.
- (2) **Permitted Uses and Disclosures.** Protected Health Information disclosed to members of the Employer's workforce shall be used or disclosed by them only for purposes of Plan administrative functions. The Plan's administrative functions shall include all Plan payment and health care operations. The terms "payment" and "health care operations" shall have the same definitions as set out in the Privacy Standards, but the term "payment" generally shall mean activities taken with respect to payment of premiums or contributions, or to determine or fulfill Plan responsibilities with respect to coverage, provision of benefits, or reimbursement for health care. "Health care operations" generally shall mean activities on behalf of the Plan that are related to quality assessment; evaluation, training or accreditation of health care providers; underwriting, premium rating and other functions related to obtaining or renewing an insurance contract, including stop-loss insurance; medical review; legal services or auditing functions; or business planning, management and general administrative activities. Genetic information will not be used or disclosed for underwriting purposes.
- (3) **Authorized Employees.** The Plan shall disclose Protected Health Information only to members of the Employer's workforce who are designated and are authorized to receive such Protected Health Information, and only to the extent and in the minimum amount necessary for these persons to perform duties with respect to the Plan. For purposes of this HIPAA Privacy section, "members of the Employer's workforce" shall refer to all employees and other persons under the control of the Employer.
  - (a) **Updates Required.** The Employer shall amend the Plan promptly with respect to any changes in the members of its workforce who are authorized to receive Protected Health Information.
  - (b) **Use and Disclosure Restricted.** An authorized member of the Employer's workforce who receives Protected Health Information shall use or disclose the Protected Health Information only to the extent necessary to perform his or her duties with respect to the Plan.
  - (c) **Resolution of Issues of Noncompliance.** In the event that any member of the Employer's workforce uses or discloses Protected Health Information other than as permitted by the

Privacy Standards, the incident shall be reported to the privacy official. The privacy official shall take appropriate action, including:

- (i) Investigation of the incident to determine whether the breach occurred inadvertently, through negligence, or deliberately; whether there is a pattern of breaches; and the degree of harm caused by the breach;
- (ii) Applying appropriate sanctions against the persons causing the breach, which, depending upon the nature of the breach, may include, oral or written reprimand, additional training, or termination of employment;
- (iii) Mitigating any harm caused by the breach, to the extent practicable; and
- (iv) Documentation of the incident and all actions taken to resolve the issue and mitigate any damages.

**(4) Certification of Employer.** The Employer must provide certification to the Plan that it agrees to:

- (a) Not use or further disclose the Protected Health Information other than as permitted or required by the Plan documents or as required by law;
- (b) Ensure that any agent or subcontractor, to whom it provides Protected Health Information received from the Plan, agrees to the same restrictions and conditions that apply to the Employer with respect to such information;
- (c) Not use or disclose Protected Health Information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Employer;
- (d) Report to the Plan any use or disclosure of the Protected Health Information of which it becomes aware that is inconsistent with the uses or disclosures hereunder or required by law;
- (e) Make available Protected Health Information to individual Plan members in accordance with Section 164.524 of the Privacy Standards;
- (f) Make available Protected Health Information for amendment by individual Plan members and incorporate any amendments to Protected Health Information in accordance with Section 164.526 of the Privacy Standards;
- (g) Make available the Protected Health Information required to provide any accounting of disclosures to individual Plan members in accordance with Section 164.528 of the Privacy Standards;
- (h) Make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the Plan available to the Department of Health and Human Services for purposes of determining compliance by the Plan with the Privacy Standards;
- (i) If feasible, return or destroy all Protected Health Information received from the Plan that the Employer still maintains in any form, and retain no copies of such information when no longer needed for the purpose of which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information unfeasible; and
- (j) Ensure the adequate separation between the Plan and member of the Employer's workforce, as required by Section 164.504(f)(2)(iii) of the Privacy Standards.

The following members of Caldwell County Schools workforce are designated as authorized to receive Protected Health Information from Caldwell County Schools Dental Benefit Plan ("the Plan") in order to perform their duties with respect to the Plan: Finance and Human Resources.

**COMPLIANCE WITH HIPAA ELECTRONIC SECURITY STANDARDS.** Under the Security Standards for the Protection of Electronic Protected Health Information (45 CFR Part 164.300 et. seq., the "Security Standards"), the Employer agrees to the following:

- (1) The Employer agrees to implement reasonable and appropriate administrative, physical and technical safeguards to protect the confidentiality, integrity and availability of Electronic Protected Health Information that the Employer creates, maintains or transmits on behalf of the Plan. "Electronic Protected Health Information" shall have the same definition as set out in the Security Standards, but generally shall mean Protected Health Information that is transmitted by or maintained in electronic media.
- (2) The Employer shall ensure that any agent or subcontractor to whom it provides Electronic Protected Health Information shall agree, in writing, to implement reasonable and appropriate security measures to protect the Electronic Protected Health Information.
- (3) The Employer shall ensure that reasonable and appropriate security measures are implemented to comply with the conditions and requirements set forth in Compliance With HIPAA Privacy Standards provisions (3) Authorized Employees and (4) Certification of Employers described above.

#### **FUNDING THE PLAN AND PAYMENT OF BENEFITS**

The cost of the Plan is funded as follows:

**For Employee Coverage:** Funding is derived from the funds of the Employer and contributions made by the covered Employees.

**For Dependent Coverage:** Funding is derived from contributions made by the covered Employees.

The level of any Employee contributions will be set by the Plan Administrator. These Employee contributions will be used in funding the cost of the Plan as soon as practicable after they have been received from the Employee or withheld from the Employee's pay through payroll deduction.

Benefits are paid directly from the Plan through the Claims Administrator.

#### **PLAN IS NOT AN EMPLOYMENT CONTRACT**

The Plan is not to be construed as a contract for or of employment.

#### **CLERICAL ERROR**

Any clerical error by the Plan Administrator or an agent of the Plan Administrator in keeping pertinent records or a delay in making any changes will not invalidate coverage otherwise validly in force or continue coverage validly terminated. An equitable adjustment of contributions will be made when the error or delay is discovered.

If, an overpayment occurs in a Plan reimbursement amount, the Plan retains a contractual right to the overpayment. The person or institution receiving the overpayment will be required to return the incorrect amount of money. In the case of a Plan Participant, the amount of overpayment may be deducted from future benefits payable.

#### **AMENDING AND TERMINATING THE PLAN**

If the Plan is terminated, the rights of the Plan Participants are limited to expenses incurred before termination.

The Employer reserves the right, at any time, to amend, suspend or terminate the Plan in whole or in part. This includes amending the benefits under the Plan or the Trust agreement (if any).
