Proposed Notice of Benefit and Payment Parameters for 2020

Recently, the Department of Health and Human Services (HHS) published its [proposed Notice of Benefit and Payment Parameters for 2020](#). This proposed rule describes benefit and payment parameters under the Affordable Care Act (ACA) that would be applicable for the 2020 benefit year. Proposed standards included in the rule relate to:

- Annual limitations on cost-sharing
- The individual mandate's affordability exemption
- Direct enrollment in the Exchanges
- Special enrollment periods in the Exchanges

HHS is also seeking comments on other issues, like "silver loading," automatic re-enrollment through the Exchanges, and any measures that

would potentially reduce eligibility errors and government misspending.

Proposed Changes

The out-of-pocket maximum (OOPM) and the ACA's affordability exemption threshold would both increase with the new rule.

- **OOPM: \$8,200 for self-only coverage and \$16,400 for family coverage in 2020**
- **Affordability threshold: 8.39 percent** of household income

The proposed rule would also expand opportunities for individuals to directly enroll in Exchange coverage by enrolling through the websites of certain third parties rather than through HealthCare.gov.

DOL Increases Civil Penalty Amounts for 2019

In January, the Department of Labor (DOL) [increased](#) the civil penalty amounts that may be imposed on employers under the following federal laws:

- The Fair Labor Standards Act (FLSA)
- The Employee Retirement Income Security Act (ERISA)
- The Family and Medical Leave Act (FMLA)
- The Occupational Safety and Health Act (OSH Act)

These increased amounts apply to civil penalties that are assessed after Jan. 23, 2019.

Employers should become familiar with the new penalty amounts and review their pay practices, benefit plan administration and safety protocols to ensure compliance with federal requirements.
