SECTION 4 - POLICYHOLDER PROVISIONS

Ownership
The policyholder is the owner of this policy and may agree with us to change it without the consent of or notice to the covered persons or their assignees.

Entire Contract
The entire contract consists of:
- this policy;
- the application of the policyholder attached to this policy;
- each named insured's enrollment form and evidence of insurability, if applicable;
- certificates issued under this policy; and
- riders, endorsements or amendments to the policy or certificates.

All statements made by the policyholder or named insured are considered representations and not warranties. No written statement made by any person shall be used in any contest unless a copy of the statement is furnished to the person or to his beneficiary or personal representative.

Changes to the Contract
Riders, endorsements and amendments add provisions to or change the terms of the policy.

Any changes to this policy, other than a change in the premium we charge, must be in writing and evidenced by endorsement on this policy, or by amendment to this policy signed by the policyholder and one of our executive officers at our home office. No agent or anyone else can change this policy or waive any of its provisions.

Furnishing Certificates
The company will provide a certificate for each named insured to be delivered by the policyholder. The certificate will provide a description of the insurance provided by this policy and will state:
- the benefits provided under the policy;
- to whom benefits are payable;
- the limitations, exclusions and requirements that apply to coverage under the policy; and
- how to file a claim against the coverage.

If there is any discrepancy between the provisions of any certificate and the provisions of this policy, the provisions of this policy govern.

Contestability
The validity of this policy shall not be contested, except for nonpayment of premiums, after it has been in force for two years from the Policy Effective Date.

Conformity with State Statutes
Any provision of this policy that is in conflict with the applicable state laws of the state in which the named insured resides when he becomes insured is amended to conform to the minimum requirements of those laws.

Our Right to Change Premiums
We have the right to change the premium we charge after notifying the policyholder in writing at least 60 days in advance. A change in premium rate table(s) will not take effect before the end of the rate guarantee period shown on the Policy Rate Schedule except for reasons which affect the risk assumed, including, but not limited to those reasons shown below:
- a change occurs in this policy;
- a division, subsidiary, or affiliated company is added or deleted;
- the number of insureds changes by 25% or more; or
- a new law or a change in any existing law is enacted which applies to this policy.

After the rate guarantee period, we can change premium rate table(s) at any time. A change may take effect on an earlier date when both we and the policyholder agree in writing.

New Entrants
Any member of an eligible class, as described on the Policy Rate Schedule, and the eligible dependents of those members will become insured when they satisfy the requirements set forth in the certificate of insurance.

Information to Be Furnished By the Policyholder
The policyholder must keep a record of the named insureds and the particulars of the insurance on each and their covered spouse and dependent children, if applicable. As changes occur, the policyholder should provide us, on forms acceptable to us, information relative to any persons:

- who are eligible to enroll;
- who are insured by the coverage;
- whose status changes; and/or
- whose coverage terminates pursuant to the "Termination of Insurance" provision.

The policyholder should also provide us with any other information about the coverage that may be reasonably required, such as named insureds on leave of absence, including named insureds who are on leave under the Family and Medical Leave Act.

Policyholder records that have a bearing, in our opinion, on this policy will be available for review by us at any reasonable time. We may inspect these records at any time while this policy is in force and within one year after the termination of this policy.

All statements made in any application are considered representations and not warranties (absolute guarantees). No representation by the policyholder in applying for insurance under this policy will make it void unless the representation is contained in the application of the policyholder.

Clerical error or omission by us will not:

- prevent a covered person from receiving coverage;
- affect the amount of a covered person's coverage; or
- cause a covered person's coverage to begin or continue when the coverage would not otherwise be effective.

Claims Experience
Upon request, we shall provide the policyholder with a complete record of the policyholder's claims experience incurred under this policy. This record shall be made available promptly to the policyholder upon request made not less than 30 days prior to the date upon which the premiums or contractual terms of this policy may be amended.

Electronic Transactions
Any transaction relating to this policy may be conducted by electronic means if performance of the transaction is consistent with applicable state and federal law. Any notice required by the provisions of this policy given by written, electronic, and telephonic, as applicable, means will have the same force and effect as notice given in writing.

SECTION 5 - PREMIUM PAYMENTS

Premium Payments
The initial premium for each type of coverage under this policy is based on the initial premium rate table(s) shown on the Policy Rate Schedule.

Premium Amount
To ensure accurate premium calculations, the policyholder is responsible for reporting to us the following information during the stated time periods:

- individuals who are eligible to enroll are to be reported during the month prior to or during the month the coverage becomes effective;
- covered persons whose coverage has terminated are to be reported within a month of the date coverage terminated; and
- changes in named insureds' class are to be reported within a month of the date that the change in insurance class took place.

When and Where to Pay Premiums
The premiums for each certificate must be paid to us at our home office when they are due.

The premium due dates are based on:

- the coverage effective dates shown on the Certificate Schedules; and
- the premium frequency.

The premium frequency is how often the premiums are paid. The policyholder will be liable to us for all unpaid premiums for any period, including the grace period, during which coverage under the policy was in force as to any covered person.

Premium increases or decreases which take effect during an insurance month are due on the next premium due date following the change. Changes will not be pro-rated daily.

If premiums are paid on other than a monthly basis, premiums for increases and decreases will result in a monthly pro-rated adjustment on the next premium due date.

Grace Period (If Premiums Are Not Paid When Due)
After the first premium, if the premium is not paid when it is due, it can be paid during the next 31 days. These 31 days are called the grace period. During the grace period this coverage will stay in force unless you have given us written notice of discontinuance in accordance with the terms of this policy and in advance of the date of discontinuance. You will be liable to us for the payment of a pro-rata premium for the time the policy was in force during the grace period. If the premium is not paid before the grace period ends, the coverage provided by this policy will terminate at the end of the grace period.

SECTION 6 - TERMINATION

Termination of This Contract
This policy can be terminated
- by the policyholder; or
- by us.

If the premium is not paid when it is due or during the grace period, this policy will terminate automatically at the end of the grace period. We will provide the policyholder with a written notice of termination, including a specific date, by which coverage will terminate if overdue premium is not paid. That date will be at least 15 days from the date of such notice.

If we cancel this policy for the policyholder's failure to remit premium, a written notice will be delivered to the policyholder by certified mail at least 60 days prior to the cancellation date.

The policyholder may cancel this policy by written notice delivered to us at least 31 days prior to the cancellation date. This policy can be cancelled on an earlier date if we both agree. Coverage will end at 12:00 midnight Standard Time at the policyholder's address on the cancellation date.

If the policy is cancelled, the cancellation will not affect a claim for which we are liable under the terms of this policy.

Notice of Claim
If a covered person has an injury or sickness that may result in a claim for benefits under the policy, written notice must be given to us at our home office. This must be done within 90 days after a covered loss begins. If notice cannot be given within that time, it must be given as soon as is reasonably possible. The notice must contain enough information to identify the covered person.

Claim Forms
When we receive written or verbal notice of a claim, claim forms will be sent with which to file Proof of Loss. If these forms are not given to the covered person within 15 days, the covered person will be excused from filing the forms as long as the covered person sends us Proof of Loss as described below.

Proofs of Loss
We must receive a written proof of loss within 90 days after the covered loss begins. If any covered person is not able to give us written proof of loss within 90 days, it will not have a bearing on this claim if proof is given to us as soon as it is reasonably possible. In any event, proof must be given no later than one year from the time stated unless a covered person is legally unable to do so.

Written proof of loss must include one or more of the following: a doctor's bill, a hospital bill or other proof of charges.

Time of Payment of Claim
After we receive written proof of loss and process any covered person's claim, we will pay any benefits due within 60 days of receipt of loss.

Payment of Claim
Benefits will be paid to you unless we receive a written authorization to pay them elsewhere, such as to a hospital or a doctor's office. This is called assignment.

If we still owe you benefits at your death, benefits due will be paid in this order to your:
- spouse; or
- children; or
- parents; or
- brothers and sisters; or
- estate.

If benefits are payable to your estate, we can pay benefits up to $5,000 to someone related to you by blood or marriage who we feel is fairly entitled to them. If we do this, we will have no responsibility for this payment because we made it in good faith.

Physical Exam and Autopsy
We can require that any covered person be examined by a doctor of our choice as often as it is reasonably necessary while his claim is pending. We can also require an autopsy in the event of the death of any covered person in those states where this is allowed. Either or both of these will be done at our expense.

Legal Action
We cannot be sued for benefits under the policy:
- until 60 days after we are sent written proof of loss; or
- more than three years after the time has passed in which we require written proof of loss.

Policyholder Responsibility to Named Insureds
If this policy terminates for any reason, the policyholder must:
- notify each named insured of the effective date of the termination; and
- refund or otherwise account to each named insured all contributions received or withheld from them for premiums not actually paid to us.

Workers' Compensation
This policy is not in lieu of, and does not affect, any requirement for coverage by workers' compensation insurance.

Heart Attack (Myocardial Infarction) means the ischemic death of a portion of heart muscle (myocardium) as a result of obstruction of one or more of the coronary arteries. A positive diagnosis of myocardial infarction must occur and must be supported by three or more of the following:

- chest pain;
- electrocardiographic (EKG) changes indicative of myocardial infarction; in the case of myocardial infarction associated with percutaneous coronary intervention (balloon angioplasty, stent implantation, and related procedures to increase the flow of blood through the coronary arteries), evolving ST elevations or new Q wave changes must be documented and included as one of the criteria in establishing a diagnosis;
- elevation of biochemical markers of myocardial necrosis; and
- confirmatory imaging studies.

In the event of death, an autopsy, medical examiner's confirmation or death certificate identifying heart attack (myocardial infarction) as the cause of death will be accepted.

A heart attack (myocardial infarction) is not congestive heart failure, atherosclerotic heart disease, angina, coronary artery disease, cardiac arrest (including arrhythmias), or any other disease, injury or dysfunction of the cardiovascular system.

Major Organ Failure means diagnosis of major organ failure of the heart, kidney, liver, lung, or pancreas resulting in the covered person being placed on the UNOS (United Network for Organ Sharing) list for a transplant.

Occupational Infectious HIV or Occupational Infectious Hepatitis B, C or D means diagnosis of Human Immunodeficiency Virus (HIV) infection or Hepatitis B, C or D resulting from exposure to HIV-contaminated or Hepatitis B, C or D contaminated body fluids as the result of a covered accident during the normal course of performing an occupation for which remuneration is earned.
We will pay this benefit if:

- within five days of the covered accident, it is reported and recorded by the appropriate person according to the legislation, regulations, standards or guidelines that apply to the covered person's occupation or profession;
- the covered accident is investigated and a written investigation report is provided to us by the covered person's employer;
- a confirmatory antibody HIV or Hepatitis B, C or D test is taken within five days of the covered accident and HIV or Hepatitis B, C or D is not present;
- all HIV or Hepatitis B, C or D tests are performed by a state certified and licensed laboratory; and
- a follow-up confirmatory antibody HIV or Hepatitis B, C or D test is taken between 90 days and 180 days after the covered accident, and the result is positive.

Occupational Infectious HIV or Occupational Infectious Hepatitis B, C or D excludes:

- HIV or Hepatitis B, C or D infection as the result of IV drug use;
- HIV or Hepatitis B, C or D infection as the result of sexual transmission; and
- HIV or Hepatitis B, C or D infection determined not to have been the result of a covered accident.

Permanent Paralysis Due to a Covered Accident means the complete and permanent loss of the use of two or more limbs through paralysis as the result of a covered accident as defined in this certificate for a continuous period of 180 days, as confirmed by a doctor. Loss of use of two or more limbs through paralysis as the result of a stroke will not be construed as permanent paralysis due to a covered accident for purposes of this certificate.

Sickness means an illness, infection, disease or any other abnormal physical condition not caused by an accident. Sickness includes complications of pregnancy.

Stroke means an acute or sub-acute cerebrovascular incident, including infarction of brain tissue, cerebral and subarachnoid hemorrhage, cerebral embolism and cerebral thrombosis. The diagnosis must be supported by:

- evidence of persistent neurological deficits confirmed by a neurologist at least 30 days after the event; and
- confirmatory neuroimaging studies consistent with the diagnosis of a new stroke.

The following are not to be construed as a stroke for purposes of this certificate:

- transient ischemic attack;
- brain injury related to trauma or infection;
- brain injury associated with hypoxia/anoxia or hypotension;
- vascular disease affecting the eye or optic nerve; and
- ischemic disorders of the vestibular system.

In the event of death, an autopsy confirmation identifying stroke as the cause of death will be accepted.

SECTION 6 - ELIGIBILITY AND EFFECTIVE DATE

Coverage Effective Date
Your coverage under the policy will start at 12:01 a.m. Standard Time in the time zone where you live on the coverage effective date shown on your Certificate Schedule.

Enrollment
An individual who is a member of an eligible class may enroll in coverage during the eligibility period, as shown on the Policy Rate Schedule, that follows the later of:

- the policy effective date as shown on the Policy Rate Schedule;
- the date the individual first becomes a member of an eligible class;
- the date the individual completes the policyholder probationary period shown on the application of the policyholder, if applicable;
- the date the individual meets evidence of insurability requirements, if any.

An individual who fails to enroll during the eligibility period may enroll only during an open enrollment period. Evidence of insurability may be required. The policyholder and the company will determine when an open enrollment period begins and ends.

After the coverage effective date, the named insured cannot make any changes to the coverage type under the certificate until an open enrollment period, unless the named insured has a qualifying event. A qualifying event, for the purposes of this provision, means:

- birth or adoption of a child;
- issuance of a court order requiring coverage of a child;
- marriage;
- divorce; or
- death of a covered person.

The named insured will have 31 days from the date of occurrence of a qualifying event in which to:

- notify us he wishes to make a change;
- complete any required enrollment form; and
- pay any additional premium, if applicable.

Delayed Coverage Effective Date
The effective date of your coverage will be delayed if you are not a member of an eligible class on the coverage effective date shown on the Certificate Schedule. The coverage will be effective on the date that you return to status as a member of an eligible class. If this is named insured and spouse coverage, one-parent family or two-parent family coverage, coverage on the spouse and/or dependent children will be effective on the date that you return to status as a member of an eligible class.

Who is Covered By This Certificate
If this is named insured coverage as shown on the Certificate Schedule, we insure you, the named insured.

If this is named insured and spouse coverage as shown on the Certificate Schedule, we insure you and your spouse.

If this is one-parent family coverage as shown on the Certificate Schedule, we insure you and your dependent children.

If this is two-parent family coverage as shown on the Certificate Schedule, we insure you, your spouse and your dependent children.

You may not apply for coverage for your spouse if your spouse is covered as a named insured.

Coverage on newborn children begins from the moment of live birth. Coverage for adopted children begins with the date of placement into your custody for adoption. If you adopt a child whose adoptive or parental placement has occurred within 31 days of birth, the child will be considered your newborn child as of the date of adoption or parental placement. If this is a named insured policy or a named insured and spouse policy, this coverage on the newborn or newly adopted child will end 31 days later if you do not notify us in writing of the birth, adoption or parental placement into your custody for adoption and pay the first premium for named insured and dependent children or named insured, spouse and dependent children coverage during that time. Coverage will end on your adopted child if the placement is disrupted prior to the final decree of adoption and the child is removed from placement with you.

Entire Contract
The entire contract consists of:
- the policy;
- the application of the policyholder attached to the policy;
- each named insured's enrollment form and evidence of insurability, if applicable;
- certificates issued under the policy; and
- riders, endorsements or amendments to the policy or certificates.

All statements made by the policyholder or named insured are considered representations and not warranties. No written statement made by any person shall be used in any contest unless a copy of the statement is furnished to the person or to his beneficiary or personal representative.

SECTION 7 - BENEFIT FOR CRITICAL ILLNESS

Critical Illness Benefit
We will pay this benefit if a covered person is diagnosed with a critical illness, as defined in this Certificate, and:
- the date of diagnosis is while this certificate is in force; and
- the critical illness is not excluded by name or specific description in this certificate.

We will pay the percentage of the covered person's face amount shown on the Certificate Schedule for the critical illness diagnosed.

We will pay the benefit for Coronary Artery Bypass Graft Surgery only once per lifetime per covered person.

If, on the same day, a covered person is placed on the UNOS list for a transplant of two or more major organs listed above in the definition of major organ failure (example: heart and lungs), a single benefit will be paid.

We will pay the benefit for Occupational Infectious HIV or Occupational Infectious Hepatitis B, C or D only once per lifetime per covered person.

If the date of diagnosis of two or more critical illnesses is the same day, we will pay only one critical illness benefit. We will pay the larger of the critical illness benefit.

The Critical Illness Benefit is not payable for conditions other than the critical illnesses defined in this certificate.

Benefit Payable Upon Subsequent Diagnosis of a Critical Illness
If a covered person has been diagnosed with and received a benefit for a critical illness and is subsequently diagnosed with a different critical illness, we will pay the percentage of the covered person's face amount as shown on the Certificate Schedule for the critical illness diagnosed, if:
- the date of diagnosis of the subsequent critical illness is more than 180 days after any previous date of diagnosis for a critical illness;
- the subsequent date of diagnosis is while coverage under this certificate is in force; and
- the critical illness is not excluded by name or specific description in this certificate.

If a covered person has been diagnosed with and received a benefit for a critical illness and is subsequently diagnosed with the same critical illness (other than Coronary Artery Bypass Graft Surgery and Occupational Infectious HIV or Occupational Infectious Hepatitis B, C or D), we will pay an amount equal to 25 percent of the Face Amount for the covered person as shown on the Certificate Schedule, if:
- the date of diagnosis of the subsequent critical illness is more than 180 days after any previous date of diagnosis for the same critical illness;
- the covered person has not received treatment during the 180 days between the dates of diagnosis for the same critical illness. For purposes of the preceding sentence, treatment does not include medications and follow-up visits to the covered person's doctor;
- the subsequent date of diagnosis is while coverage under this certificate is in force; and
- the critical illness is not excluded by name or specific description in this certificate.

Benefit Reduction
The Face Amount(s) will reduce by 50 percent on the first policy anniversary date after the named insured attains age 75. All critical illness benefits payable after that date will be based on the reduced Face Amount.

SECTION 8 - HEALTH SCREENING BENEFIT

Health Screening Benefit

Pre-Existing Condition Limitation
We will not pay the Critical Illness Benefit or Benefits Payable Upon Subsequent Diagnosis of a Critical Illness for any covered person when the critical illness is a pre-existing condition as defined in this certificate, unless the covered person has satisfied the pre-existing condition limitation period shown on the Certificate Schedule on the date the covered person is diagnosed with a critical illness.

SECTION 10 - TERMINATION OF INSURANCE

Termination of The Named Insured's Coverage
The coverage on a named insured under the policy will terminate on the earliest of the following dates:
- the date the policy terminates; or
- the end of the grace period following the premium due date we fail to receive the required premium for the named insured; or
- the date the named insured is no longer in an eligible class; or
- the date the named insured's class is no longer included for insurance; or
- the date the next premium is due after the named insured asks us to end his coverage.

If coverage is terminated due to non-payment of premium by the policyholder, you will receive a termination notice from the policyholder not less than 15 days after the effective date of termination of coverage.

We will provide coverage for a claim for which we are liable under the terms of this certificate if the loss occurs while you are covered.

When Coverage Ends on Your Spouse and Dependent Children
If this is a named insured and spouse coverage or two-parent family coverage, coverage on your spouse will end on the earliest of the following dates:
- the date your coverage under the policy terminates; or
- the end of the grace period following the premium due date we fail to receive the required premium for your spouse; or
- the date the next premium is due after you ask us to end your spouse's coverage; or
- the date you die; or
- the date the next premium is due after you divorce your spouse or your marriage is annulled.

If this is a one-parent family or two-parent family coverage, coverage on your dependent children will end on the earliest of the following dates:
- the date your coverage under the policy terminates; or
- the end of the grace period following the premium due date we fail to receive the required premium for your dependent children; or
- the date the next premium is due after you ask us to end your dependent children's coverage; or
- the date you die.

We will provide coverage for a claim for which we are liable under the terms of this certificate if the loss occurs while your spouse and/or dependent child is covered.

Coverage will end on each child when he no longer qualifies as a dependent child as defined in this certificate. A dependent child who reaches age 26 may remain covered if that child is and continues to be mentally or physically handicapped and is dependent on you for support and maintenance. You must submit satisfactory proof of incapacity and dependency to us within 31 days of the termination date and subsequently as we may require, but not more frequently than annually after the two-year period following the termination date. We will continue to charge any appropriate premium for that child as long as he meets the definition of a dependent child. It is your responsibility to notify us if any dependent child no longer qualifies as an eligible dependent. If this is one-parent family or two-parent family coverage and all of your dependent children no longer qualify as eligible dependents and you do not notify us, the extent of our liability will be to refund premium paid for the time period for which they did not qualify.

Leave of Absence Under the Family and Medical Leave Act
A named insured may continue his coverage during absences for family or medical leave. If a named insured is on a family or medical leave of absence, coverage will continue under this certificate as if the named insured were in active employment, if the following conditions are met:
- the premiums are paid in accordance with the policy's provisions; and
- the policyholder has approved the named insured's leave in writing.

Coverage will be continued for up to the greater of:
- the leave period required by the federal Family and Medical Leave Act of 1993, and any amendments; or
- the leave period required by applicable state law.

If coverage is not continued during a family or medical leave of absence, upon the named insured's return to active employment:
- no new pre-existing condition limitation will be applied; and
- no new evidence of insurability will be required to reinstate the coverage which was in effect before the leave began.

In order for these conditions to apply, the policyholder must notify us and commence paying premiums for the named insured's coverage within 31 days following a named insured's return to active employment following a leave of absence for family or medical leave.

The time period in the pre-existing condition limitation period will continue to run through a named insured's family or medical leave of absence.

Leave of Absence - Other
If the named insured is on a temporary layoff or leave of absence other than for family or medical leave and premium is paid in accordance with the policy's provisions, he will be covered through the premium due date immediately following the date the temporary layoff or leave of absence begins.

If premium is remitted beyond the premium due date referenced above, our only liability will be to return the premium.

SECTION 11 - PORTABILITY

Portability Privilege
We will provide specified disease insurance portability coverage, subject to these provisions.
Such coverage will not be available for a named insured, unless:
- we receive a written request by the named insured and payment of all premiums due for the portability coverage not later than 63 days after such termination; and
- the request is made on a form we furnish or approve for that purpose.

Coverage
The benefits, terms and conditions of the portability coverage will be the same as those provided under the policy for specified disease insurance when the named insured's insurance terminated. We will allow you to decrease the face amount at the time portability is requested; provided that the face amount cannot be decreased below a Face Amount for Named Insured of $5,000. Portability coverage may include any eligible family members who were covered under the policy. Any change made to the policy after a named insured is insured under the portability privilege will not apply to that named insured unless it is required by law.

Portability coverage will be effective on the day after coverage under the policy terminates.

Premiums
Premiums are due and payable in advance to us at our home office. Premium due dates are the first day of each calendar month. The premium rates are based on the portability rates in effect on any premium due date. We have the right to change the portability premium we charge on any premium due date. Written notice will be given at least 45 days before the change is to take effect.

Grace Period
The grace period provision of the policy will apply to each certificateholder of portability coverage as if such certificateholder is the policyholder.

Termination of Insurance
Insurance under this portability privilege will automatically end on the earliest of the following dates:
- The date the named insured again becomes eligible for specified disease insurance under the policy.
- The last day for which premiums have been paid, if the named insured fails to pay premiums when due, subject to the Grace Period provision.
- The date insurance under this portability provision is cancelled by us for any reason upon 31-days notice.

With respect to insurance for your spouse and dependent children, insurance under this portability privilege will automatically end on the earliest of the following dates:
- the date the named insured's insurance terminates; or

- as to your dependent children, the date the dependent child ceases to qualify as a dependent child as defined in this certificate; or
- as to your spouse, the date the next premium is due after you divorce your spouse or your marriage is annulled.

Once insurance under this portability provision is cancelled, it can not be reinstated.

Termination of the Policy
Portability coverage may continue beyond the termination date of the policy, subject to the timely payment of premiums. Benefits, terms and conditions for portability coverage will be determined as if the policy had remained in full force and effect.

SECTION 12 - GENERAL PROVISIONS

Misstatement of Age
If the age of the named insured has been misstated, we will make any equitable adjustment of premiums. We will refund any excess premium payment over the amount due based on your correct age. We will request payment for any overdue premium based on your correct age. If the misstatement is discovered after a payment is due and payable, we will reduce or increase the benefit amount payable by the amount of excess or overdue premium due to the misstatement. If a named insured is not eligible because of age we will refund all premiums paid.

Contestability
The validity of this certificate shall not be contested after it has been in effect for two years from the date of issue, except for nonpayment of premiums.

No statement made by any named insured relating to his insurability or the insurability of his dependents shall be used to contest the validity of the insurance after the insurance has been in force for two years prior to the contest and unless the statement is contained in a written instrument signed by the named insured making the statement.

Contest means that we question the validity of coverage under this policy through a letter to the policyholder or the named insured. This contest is effective on the date we mail the letter and refund premiums.

All statements made by the policyholder or any named insured shall be deemed representations and not warranties. No written statement made by the policyholder or any named insured shall be used in any contest unless a copy of the statement is furnished to the policyholder or the named insured or to his beneficiary or personal representative.

Policyholder as Agent
For purposes of the policy and this certificate, the policyholder acts on its own behalf or as your agent. Under no circumstances will the policyholder be deemed our agent.

SECTION 13 - CLAIM PROVISIONS

Notice of Claim
If a covered person has an injury or sickness that may result in a claim for benefits under the policy, written notice must be given to us at our home office. This must be done within 90 days after a covered loss begins. If notice cannot be given within that time, it must be given as soon as is reasonably possible. The notice must contain enough information to identify the covered person.

Claim Forms
When we receive written or verbal notice of a claim, claim forms will be sent with which to file Proof of Loss. If these forms are not given to you within 15 days, you will be excused from filing the forms as long as you send us Proof of Loss as described below.

Proof of Loss
We must receive a written proof of loss within 90 days after the covered loss begins. If you are not able to give us written proof of loss within 90 days, it will not have a bearing on this claim if proof is given to us as soon as it is reasonably possible. In any event, proof must be given no later than one year from the time stated unless you are legally unable to do so.

Written proof of loss must include one or more of the following: a doctor's bill, a hospital bill or other proof of charges.

Time of Payment of Claim
After we receive written proof of loss and process your claim, we will pay any benefits due within 60 days of receipt of loss.

Payment of Claim
Benefits will be paid to you unless we receive a written authorization to pay them elsewhere, such as to a hospital or a doctor's office. This is called assignment.

If we still owe you benefits at your death, benefits due will be paid in this order to your:
- spouse; or
- children; or
- parents; or
- brothers and sisters; or
- estate.

If benefits are payable to your estate, we can pay benefits up to $5,000 to someone related to you by blood or marriage who we feel is fairly entitled to them. If we do this, we will have no responsibility for this payment because we made it in good faith.

If any covered person is eligible for medical assistance (Medicaid) in the Commonwealth, the Department of Medical Assistance shall be the payor of last resort for any benefits payable under this policy.

Unpaid Premium
When a claim is paid under the policy, any premium then due and unpaid may be deducted by us from the claim payment.

Overpaid Claim
We have the right to recover any overpayments due to:
- fraud; and
- any error we make in processing a claim.

You must reimburse us in full. We will work with you to develop a reasonable method of repayment if you are financially unable to repay us in a lump sum.

We will not recover more money than the amount we overpaid.

Physical Exam and Autopsy
We can require that any covered person be examined by a doctor of our choice as often as it is reasonably necessary while his claim is pending. We can also require an autopsy in the event of the death of any covered person in those states where this is allowed. Either or both of these will be done at our expense.

Legal Action
We cannot be sued for benefits under the policy:
- until 60 days after we are sent written proof of loss; or
- more than three years after the time has passed in which we require written proof of loss.

Claim Review
If a claim is denied, we will give written notice of:
- the reason for denial; and

- the policy provision that relates to the denial;
- the right to ask for a review of the claims; and
- the right to submit any additional information that might allow us to change our decision.

You may, upon written request, read any reports that are not confidential. For a small fee, we will make copies of those reports.

Appeals Procedure
Prior to filing any lawsuit and within 60 days after denial of a claim, you or your estate must appeal any denial of benefits under the policy by making a written request for review of the denial.

Workers' Compensation Not Affected
The policy does not replace or change any requirement for coverage under Workers' Compensation insurance.

Amendatory Rider

The policy to which this rider is attached is amended by replacing "mentally handicapped" with "intellectually handicapped" in the "When Coverage Ends on Your Spouse and Dependent Children" provision with the revised paragraph below:

If this is a named insured and spouse coverage or two-parent family coverage, coverage on your spouse will end on the earliest of the following dates:

- the date your coverage under the policy terminates; or
- the end of the grace period following the premium due date we fail to receive the required premium for your spouse; or
- the date the next premium is due after you ask us to end your spouse' coverage; or
- the date you die; or
- the date the next premium is due after you divorce your spouse or your marriage is annulled.

If this is a one-parent family or two-parent family coverage, coverage on your dependent children will end on the earliest of the following dates:

- the date your coverage under the policy terminates; or
- the end of the grace period following the premium due date we fail to receive the required premium for your dependent children; or
- the date the next premium is due after you ask us to end your dependent children's coverage; or
- the date you die.

We will provide coverage for a claim for which we are liable under the terms of this certificate if the loss occurs while your spouse and/or dependent child is covered.

Coverage will end on each child when he no longer qualifies as a dependent child as defined in this certificate. A dependent child who reaches age 26 may remain covered if that child is and continues to be intellectually or physically handicapped and is dependent on you for support and maintenance. You must submit satisfactory proof of incapacity and dependency to us within 31 days of the termination date and subsequently as we may require, but not more frequently than annually after the two-year period following the termination date. We will continue to charge any appropriate premium for that child as long as he meets the definition of a dependent child. It is your responsibility to notify us if any dependent child no longer qualifies as an eligible dependent. If this is one-parent family or two-parent family coverage and all of your dependent children no longer qualify as eligible dependents and you do not notify us, the extent of our liability will be to refund premium paid for the time period for which they did not qualify.

All other terms, conditions and provisions of the Policy remain unchanged.

NOTICE OF PROTECTION PROVIDED BY VIRGINIA LIFE, ACCIDENT AND SICKNESS INSURANCE GUARANTY ASSOCIATION

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or health insurance company licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- Life Insurance
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

- Health Insurance
  - $500,000 in hospital, medical and surgical insurance benefits
  - $300,000 in disability [income] insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- Annuities
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $350,000, except for hospital, medical and surgical insurance benefits, for which the limit is increased to $500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Virginia law.

To learn more about the above protections, please visit the Association's website at www.valifega.org or contact:
