Pre-Treatment Estimate

A voluntary and optional process where Delta Dental issues a written estimate of dental benefits that may be available under your coverage for your proposed dental treatment. Your Dentist submits the proposed dental treatment to Delta Dental in advance of providing the treatment.

A Pre-Treatment Estimate is for informational purposes only and is not required before you receive any dental care. It is not a prerequisite or condition for approval of future dental benefits payment. You will receive the same Benefits under This Plan whether or not a Pre-Treatment Estimate is requested. The Benefits estimate provided on a Pre-Treatment Estimate notice is based on Benefits available on the date the notice is issued. It is not a guarantee of future dental benefits or payment.

Availability of dental benefits at the time your treatment is completed depends on several factors. These factors include, but are not limited to, your continued

eligibility for benefits, your available annual or lifetime Maximum Payments, any coordination of benefits, the status of your Dentist, This Plan's limitations and any other provisions, together with any additional information or changes to your dental treatment. A request for a Pre-Treatment Estimate is not a Claim for Benefits or a preauthorization, precertification or other reservation of future Benefits.

You may choose any Dentist. Your out-of-pocket costs are likely to be less if you go to a Delta Dental Participating Dentist.

To verify that a Dentist is a Participating Dentist, you can use Delta Dental's online Dentist Directory at www.deltadentalinc.com or call (800) 662-8856.

V. Accessing Your Benefits

To utilize your dental benefits, follow these steps:

1. Please read this Certificate and the Summary of Dental Plan Benefits carefully so you are familiar with your benefits, payment methods, and terms of This Plan.
2. Make an appointment with your Dentist and tell him or her that you have dental benefits with Delta Dental. If your Dentist is not familiar with This Plan or has any questions, have him or her contact Delta Dental by writing to Delta Dental, Attention: Customer Service, P.O. Box 9089, Farmington Hills, Michigan 48333-9089, or calling the toll-free number at (800) 662-8856.
3. After you receive your dental treatment, you or the dental office staff will file a Claim form, completing the information portion with:
 - a. The Enrollee's full name and address
 - b. The Enrollee's Member ID number
 - c. The name and date of birth of the person receiving dental care
 - d. The Contractor's Plan Sponsors name and number

Mail Claims and completed information requests to:

Delta Dental
P.O. Box 9085
Farmington Hills, Michigan 48333-9085

Pre-Treatment Estimate

A Pre-Treatment Estimate is not required to receive payment, but it allows Claims to be processed more efficiently and allows you to know what services may be covered before your Dentist provides them. You and your Dentist should review your Pre-Treatment Estimate Notice before treatment. Once treatment is complete, the dental office will submit a Claim to Delta Dental for payment.

Written Notice of Claim and Time of Payment

Because the amount of your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all Claims under This Plan are post-service Claims. All Claims for Benefits must be filed with Delta Dental within one year of the date the services were completed. Once a Claim is filed, Delta Dental will decide it within 30 days of receiving it. If there is not enough information to decide your Claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the Claim, and (d) inform you or your Dentist that the information must be received within 45 days or your Claim will be denied. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it has 15 days to decide your Claim. If you or your Dentist does not supply the requested information, Delta Dental will have no choice but to deny your Claim. Once Delta Dental decides your Claim, it will notify you within five days.

Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any benefit Claim you file or any review of a denied Claim you wish to pursue (see the Claims Appeal Procedure section). You should contact your Human Resources department, call Delta Dental's Customer Service department, toll-free, at (800) 662-8856, or write them at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089, to request a form to designate the person you wish to appoint as your representative. While in some circumstances your Dentist is treated as your authorized representative, generally Delta Dental only recognizes the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of your Claim. You will have to get that information from your representative. If you have not designated a representative, Delta Dental will communicate directly with you.

Questions and Assistance

Questions regarding your coverage should be directed to your Human Resources department or call Delta Dental's Customer Service department, toll-free, at (800) 662-8856. You may also write to Delta Dental's Customer Service department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089. When writing to Delta Dental, please include your name, the group's name and number, the Enrollee's Member ID number, and your daytime telephone number.

IX. Coordination of Benefits

All Benefits under this Certificate are subject to a coordination of benefits provision, if applicable, that is designed to provide maximum coverage, but not result in payment of more than 100 percent of the total fee for a given treatment.

Coordination of Benefits ("COB") applies to This Plan when a Member has dental benefits under more than one plan. The objective of COB is to make sure the combined payments of the plans are no more than your actual dental bills. COB rules establish whether This Plan's Benefits are determined before or after another plan's benefits.

A Plan is any of the following that provides benefits or services for, or because of, medical or dental care or treatment:

- ◆ Group insurance or group-type coverage, whether insured or uninsured. This includes pre-payment group practice, or individual practice coverage. It does not include school accident-type coverage, blanket, franchise, individual, automobile, or homeowner coverage.
- ◆ Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time). It also does not include any plan when, by law, its benefits are excess to those of any private insurance program or other non-governmental program.

You must submit your bills to the primary plan first. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies your Claim or does not pay the full bill, you may then submit the remainder of the bill to the secondary plan.

Allowable Expenses are necessary, reasonable, and customary items of expense for health care when the item of expense is covered at least in part by one or more plans covering the person for whom the Claim is made. Total benefits paid must be equal to 100 percent of necessary medical expenses covered by both plans. However, This Plan is not required to pay for an item, service, or benefit which is not a part of This Plan's Contract.

Which Plan is Primary?

To decide which plan is primary, Delta Dental will consider both the COB provisions of the other plan and the relationship of the Member to This Plan's Subscriber, as well as other factors. The primary plan is determined by the first of the following rules that applies:

1. Non-coordinating Plan

If you have another plan that does not coordinate benefits, it will always be primary.

2. Subscriber v. Dependent Coverage

The plan that covers the Member other than as a Subscriber will be primary over a plan that covers the Member as a dependent. However, please note that if the Member is a Medicare beneficiary, federal law may reverse this order.

3. Children (Parents Divorced or Separated)

If a court decree makes one parent responsible for health care expenses, that parent's plan is primary.

If a court decree states that the parents have joint custody without stating that one of the parents is responsible for the Child's health care expenses, Delta Dental follows the birthday rule (see rule 4 below).

If neither of these rules applies, the order will be determined as follows:

- a. First, the plan of the parent with custody of the Child will be primary;
- b. Then, the plan of the spouse of the parent with custody of the Child will be primary;
- c. Next, the plan of the parent without custody of the Child will be primary;
- d. Last, the plan of the spouse of the parent without custody of the Child will be primary.

4. Children and the Birthday Rule

The plan of the parent whose birthday is earliest in the calendar year is always primary for Children. For example, if your birthday is in January and your spouse's birthday is in March, your plan will be primary for all of your Children. If both parents have the same birthday, the plan that has covered the parent for the longer period will be primary.

5. Laid Off or Retired Employees

The plan that covers the Member as a laid off or retired employee or as a dependent of a laid off or retired employee will be primary.

6. COBRA Coverage

The plan that is provided under a right of continuation pursuant to federal law or a similar state law (that is, COBRA) will be primary.

7. Other Plans

If none of the rules above determines the order of benefits, the plan that has covered the Member for the longer period will be primary.

If the other plan does not have rule 5 and/or rule 6 (above) and decides the order of benefits differently from This Plan, This Plan may ignore either of those rules.

In the event that these rules do not determine how Delta Dental should coordinate benefits with another plan, Delta Dental will follow its internal policies and procedures for determining which plan is primary, unless prohibited by applicable law.

How Delta Dental Pays as Primary Plan

When Delta Dental is the primary plan, it will pay for Covered Services as if you had no other coverage.

How Delta Dental Pays as Secondary Plan

NCPPOCERT009-2018-A

Unless the Contractor has selected carve out coordination of benefits or non-duplication of benefits as stated in your Summary of Dental Plan Benefits, when Delta Dental is the secondary plan, it will pay for Covered Services based on the amount left after the primary plan has paid. It will not pay more than that amount, and it will not pay more than it would have paid as the primary plan.

When Benefits are reduced as described above, each Benefit is reduced in proportion. Benefits are then charged against any applicable benefit limit of This Plan.

Right to Receive and Release Needed Information

Delta Dental needs certain facts to apply these COB rules, and it has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person regarding the Claim being coordinated. Delta Dental need not tell or get the consent of any person to do this. Each person Claiming Benefits under This Plan must give Delta Dental any facts it needs to pay the Claim.

Facility of Payment

A payment made under another plan may include an amount that should have been paid under This Plan. If it does, Delta Dental may pay that amount to the organization that made the payment.

That amount will then be treated as though it were a Benefit paid under This Plan, and Delta Dental will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, Delta Dental may recover the excess from the people it has paid or for whom it has paid.

Payment includes the reasonable cash value of any benefits provided in the form of services. This right of recovery is limited to two years after the date of the original Claim payment, unless Delta Dental has reasonable belief that fraud or intentional misconduct occurred.

X. Reconsideration and Claims Appeal Procedure

Reconsideration

If you receive notice of an Adverse Benefit Determination and you think that Delta Dental incorrectly denied all or part of your Claim, you or your Dentist should contact Delta Dental's Customer Service department and ask them to check the Claim to make sure it was processed correctly. You may do this by calling the toll-free number, (800) 662-8856, and speaking to a telephone advisor. You may also mail your inquiry to the Customer Service Department at P.O. Whether or not you have asked Delta Dental informally to reconsider its initial determination, you can request a formal review using the Formal Disputed Claims Procedure described below.

The reviewer's decision will take into account all comments, documents, records and other information relating to your Claim even if the information was not available when your Claim was initially decided.

If the decision is based, in whole or in part, on a dental or medical judgment (including determinations with respect to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate), the reviewer will consult a dental health care professional with appropriate training and experience, if necessary. The dental health care professional will not be the same individual or that person's subordinate consulted during the initial determination.

The reviewer will make a determination within 60 days of receipt of your request. If your Claim is denied on review (in

whole or in part), you will be notified in writing. The notice of an Adverse Benefit Determination during the Formal Disputed Claims Procedure will meet the requirements described below.

The notice will also reference any internal rule, guideline, protocol, or similar document or criteria relied on in making the Adverse Benefit Determination, and will include a statement that a copy of such rule, guideline or protocol may be obtained upon request at no charge. If the Adverse Benefit Determination is based on a matter of medical judgment or medical necessity, the notice will also contain an explanation of the scientific or clinical judgment on which the determination was based, or a statement that a copy of the basis for the scientific or clinical judgment can be obtained upon request at no charge.

Continuation coverage is available if your coverage or a covered Dependent's coverage would end because:

1. Your employment, if applicable, ends for any reason other than your gross misconduct.

XIII. General Conditions

Assignment

Services and Benefits are for the personal benefit of Members and cannot be transferred or assigned, other than to pay Participating Dentists directly.

Obtaining and Releasing Information

While you and/or your Dependent(s) are enrolled in This Plan, you and/or your Dependent(s) agree to provide Delta Dental with any information it needs to process Claims and administer Benefits for you and/or your Dependent(s). This includes allowing Delta Dental access to your dental records.

Dentist-Patient Relationship

Members are free to choose any Dentist. Each Dentist is solely responsible for the treatment and/or dental advice provided to the Member, and Delta Dental does not have any liability resulting therefrom.

Loss of Eligibility During Treatment

If a Member loses eligibility while receiving dental treatment, only Covered Services received while that person was covered under This Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within 60 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is

your responsibility. This provisions does not apply to orthodontics if covered under this plan.

Late Claims Submissions

Delta Dental will make no payment for services or supplies if a Claim for such has not been received by Delta Dental within one year following the date the services or supplies were completed. In the event that a Participating Provider submits a Claim more than one year from the date of service, Delta Dental will deny that portion of the Claim that Delta Dental would have paid if the Claim had been timely submitted. However, you will remain responsible for any applicable Deductible and/or Co-insurance. In the event that a Nonparticipating Provider submits a Claim more than one year from the date of service, Delta Dental will Deny the Claim and you may be responsible for the full amount.

Change of Certificate or Contract

No changes to this Certificate, your Summary of Dental Plan Benefits, or the underlying contract are valid unless Delta Dental approves them in writing.

Actions

You cannot bring an action on a legal claim arising out of or related to this Certificate unless you have provided at least 60 days' written notice to Delta Dental, unless prohibited by applicable state law. In addition, you cannot bring an action more than three years after the legal claim first arose or after expiration of the applicable statute of limitations, whichever is shorter. Any person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim. Except as set forth above, this provision does not preclude you from seeking a judicial decision or pursuing other available legal remedies.

Governing Law

This Certificate and the underlying group contract will be governed by and interpreted under the laws of the state of North Carolina.

Legally Mandated Benefits

If any applicable law requires broader coverage or more favorable treatment for you or your Dependents than is provided by this Certificate, that law shall control over the language of this Certificate.

Change of Status

You must notify Delta Dental, through the Contractor, of any event that changes the status of a Dependent. Events that can affect the status of a Dependent include, but are not limited to, marriage, birth, death, divorce, and entrance into military service.

You and your Dependents authorize Delta Dental to recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to you or your Dependents. Delta Dental will provide an explanation of the payment recovery at the time the deduction is made.

Any person intending to deceive an insurer, who knowingly submits an application or files a Claim containing a false or misleading statement, is guilty of insurance fraud.
