Your Dental Benefits

As a subscriber with The Local Choice, your dental benefits are administered by Delta Dental of Virginia. With Delta Dental you have your choice of more than 7,500 dental locations throughout Virginia and more than 372,000 dental offices across the country.* All dentists who have agreed to participate in a Delta Dental network will file your claims for you, will accept Delta Dental's allowances for services (in addition to any required coinsurance and deductible) and will abide by Delta Dental's guidelines for dental treatment.

The Delta Dental Network

Delta Dental offers The Local Choice members its largest network, with more than 85% of all dentists in Virginia.* When you receive your dental care from a Delta Dental in-network dentist, you will not be responsible for any charges that exceed Delta Dental's allowance for the covered services you receive. This means your out-of-pocket expenses will be limited to the amount of your coinsurance, deductible and any amounts that exceed your annual or lifetime maximums.

Delta Dental In-Network Dentists

- In-network dentists will have claim forms in the office and will complete and submit to Delta Dental at no charge.
- Payment will be made directly to the dentist for covered benefits.
- The dentist will accept Delta Dental's allowance for covered benefits. This means that you pay only the applicable coinsurance and deductible for these covered services.

Receiving care from dentists outside the Delta Dental Network

Should you decide to receive dental care from a dentist who is not a member of the Delta Dental Network, you will still receive benefits from your dental plan, but your share of the cost will likely be higher than if you visit a network dentist. In addition, you may have to file claims yourself.

Out-of-Network Dentists

- You may be required to pay an out-of-network dentist in advance for the entire bill, complete claim forms and submit to Delta Dental.
- Payment will be made directly to you unless your dentist agrees to accept payment from Delta Dental.
- Out-of-network dentists have not agreed to accept Delta Dental's allowance for their services. This means that, in addition to what Delta Dental pays, you must pay the applicable coinsurance and deductible and difference between the out-of-network dentist's charges and Delta Dental's payment for covered benefits.
