2. DEFINITIONS

You, Your (you, your) means an Employee who is eligible for insurance under the Policy.

3. ELIGIBILITY, EFFECTIVE DATES AND TERMINATION OF EMPLOYEE INSURANCE

When are you eligible for Employee Basic Life Insurance?

You are initially eligible for insurance on the latest of:

- September 1, 2020;
- the first day of the month following your date of employment; or
- the date you first are Actively at Work in an Eligible Class.

When does Employee Basic Life Insurance start?

Your insurance starts on the date you are eligible, if you are Actively at Work on that date.

If you are not Actively at Work, your Employee Basic Life Insurance will not start until you resume being Actively at Work.

What happens if you decline all or part of your coverage?

If you decline all or a part of your Employee Basic Life Insurance due to tax or other reasons, you must sign a form declining that amount of insurance and file that form with your Employer. If you later decide to elect or increase your Employee Basic Life Insurance, you may become insured if you apply for Employee Basic Life Insurance and provide Evidence of Insurability that is approved by us in writing.

What happens if you are rehired by your Employer?

If you are rehired by your Employer within 12 months of the date your employment ends your insurance may be reactivated. Your reactivated insurance will be:

- the same as the insurance you had prior to the termination of your employment; and
- subject to all the terms and provisions of the Policy.

If you had partially satisfied your Eligibility Waiting Period prior to your termination of employment, your previous time employed with your Employer will count towards completion of your Eligibility Waiting Period. Your Eligibility Date will be the later of the date you are rehired or the day after you complete the Eligibility Waiting Period.

If you are rehired by your Employer 12 months or later after the date your employment terminates, your coverage will not be reactivated. You will be eligible for insurance on the day after you complete a new Eligibility Waiting Period.

Coverage will not be reactivated for any amount of insurance which you converted in accordance with the Conversion Privilege, unless you cancel such coverage.

When does Employee Basic Life Insurance end?

Your Employee Basic Life Insurance under the Policy will end upon the earliest of the following:

- the date the Policy terminates;
- the date you are no longer in an Eligible Class;
- the date your class is no longer included for Employee Basic Life Insurance;
- the last day for which any required premium has been paid for your Employee Basic Life Insurance;
- the last day of the month in which you are Actively at Work, subject to the Insurance Continuation provision;
- the date you enter active duty in any armed service, subject to the Insurance Continuation provision;
- the last day of the month in which you retire; or
- the date you die.

If your Employee Basic Life Insurance has ended, can it be reinstated?

If your insurance ends for any reason other than you have voluntarily terminated it, your insurance may be reinstated. Reinstatement will be effective on the date you return to being Actively at Work in an Eligible Class.

A new Eligibility Waiting Period will not apply.

Your reinstated insurance will be:

- the same insurance you had prior to the termination of your insurance; and
- subject to all the terms and provisions of the Policy.

Evidence of Insurability will be required if you apply for an increase in your amount of insurance in excess of your reinstated insurance.

3. ELIGIBILITY, EFFECTIVE DATES AND TERMINATION OF EMPLOYEE INSURANCE

Coverage will not be reinstated for any amount of insurance which you converted in accordance with the Conversion Privilege, unless you cancel such coverage.

4. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

EMPLOYEE BASIC LIFE INSURANCE BENEFIT

What is the Employee Basic Life Insurance benefit?

If you die while insured under the Policy and we approve the claim, we will pay your Beneficiary your Employee Basic Life Insurance benefit according to the provisions of the Policy.

What is the amount of the Employee Basic Life Insurance benefit?

If you die while insured under the Policy, we will pay an Employee Basic Life Insurance benefit equal to your Employee Basic Life Insurance amount as shown in the Benefit Highlights.

Your amount of Employee Basic Life Insurance is subject to any terminations according to the provisions of the Policy.

If you had previously exercised the Policy's Conversion Privilege, your amount of Employee Basic Life Insurance will be reduced by the amount of any insurance under any coverage issued to you as a result of the exercise of those provisions unless you cancel such coverage.

WAIVER OF PREMIUM BENEFIT

What is the Waiver of Premium Benefit?

If you become Totally Disabled while insured, the Waiver of Premium Benefit may continue your Employee Basic Life Insurance while you remain Totally Disabled without any further payment of premiums by you or your Employer.

When are you eligible for the Waiver of Premium Benefit?

You are eligible for the Waiver of Premium Benefit if we receive notice of claim and Proof of claim that you became Totally Disabled:

- while insured; and
- before your 65th birthday; and
- before your Retirement; and
- your Total Disability has continued for at least 6 consecutive months (Elimination Period); and
- we approve and continue to approve your claim.

Elimination Period means a period of continuous days of your Total Disability before a Waiver of Premium benefit is available. The Elimination Period begins on your first day of Total Disability.

What is the amount of Life Insurance benefit that is continued under the Waiver of Premium Benefit?

We will continue the amount of your Employee Basic Life Insurance in force on the last day you were Actively at Work. This amount remains subject to the Policy's terms and conditions.

If you are eligible for the Waiver of Premium Benefit and you have received an Accelerated Benefit from us, the amount of insurance on which premiums are waived will be reduced by the amount of any Accelerated Benefit paid by us.

If you have converted your Employee Basic Life Insurance to an individual life insurance policy, the continued insurance under the Waiver of Premium Benefit will be reduced by that converted amount unless you exchange the individual life insurance policy for a full refund of premiums paid.

Are premium payments required prior to approval of the Waiver of Premium Benefit?

Yes, premium payments are required until the earlier of:

- the date we make a decision on your Waiver of Premium Benefit claim; or
- 12 months from the date you were last Actively at Work.

When are premiums waived?

If we approve your Waiver of Premium Benefit claim, we will notify you of the date the waiver of premium will begin.

4. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

Will premium be refunded?

A refund of premium will be made for any premium paid from the end of the Elimination Period until the date we approve the Waiver of Premium Benefit claim not to exceed 12 months of premium. No refund will be made for the period of time during the Elimination Period.

What happens if you die before you are approved for the Waiver of Premium Benefit?

If you die before you are approved for the Waiver of Premium Benefit and within 12 months from the date you ceased to be Actively at Work, a death benefit may be payable if, within 3 months of your death, we receive Proof that:

- your Total Disability lasted without interruption from the date you ceased to be Actively at Work until your death; and
- you would have qualified for this Waiver of Premium Benefit except that:
 - your Total Disability had not lasted for at least 6 consecutive months; or
 - we had not approved your initial Proof of Total Disability.

When does the Waiver of Premium Benefit end?

Your Waiver of Premium Benefit ceases on the earliest of:

- the date you are no longer Totally Disabled;
- the date you fail to provide Proof that you continue to be Totally Disabled;
- the date you refuse to submit to an examination by a Physician of our choice;
- the date you are no longer under the regular continuing care of a Physician providing appropriate treatment by means of examination and testing in accordance with your disabling condition unless a Physician has certified that you have reached your maximum point of recovery and are still Totally Disabled;
- the date you reach age 60 or for 12 months, whichever is later, if your Total Disability began before you reached age 60;
- the date of your Retirement;
- the first anniversary after your Total Disability began for Total Disabilities that begin on or after you reach age 60;
- the date you reside outside of the United States for more than 12 consecutive months; or
- the date you die.

Your right to benefits pursuant to this Waiver of Premium Benefit is determined initially on the date Total Disability begins. Your ongoing right to receive the Waiver of Premium Benefit depends upon our continued approval of your claim. These rights are subject to the terms of the Policy and will not be affected by subsequent amendment or termination of this Waiver of Premium Benefit.

If your Waiver of Premium Benefit ends and you do not return to being Actively at Work, you may convert your Employee Basic Life Insurance under the Conversion Privilege.

What happens if you do not qualify for the Waiver of Premium Benefit?

You may continue your Employee Basic Life Insurance with premium payment, subject to any applicable Insurance Continuation provisions or you may convert your Employee Basic Life Insurance under the Conversion Privilege.

ACCELERATED BENEFIT

What is the Accelerated Benefit?

If you experience a Qualifying Event, you may apply for an Accelerated Benefit. The Accelerated Benefit is an advance payment made on your Employee Basic Life Insurance coverage while you are still living. Any Accelerated Benefit payment made reduces your Employee Basic Life Insurance coverage by the amount of the Accelerated Benefit payment.

4. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

When are you eligible for an Accelerated Benefit?

You are eligible for an Accelerated Benefit if:

- you are Actively at Work under the Policy; and
- you have been insured under the Policy for Employee Basic Life Insurance for at least 30 days. This 30 day period is waived for a Qualifying Event due to an accidental Injury. (This includes any period of time you were insured under the prior insurer's group life policy); and
- you have experienced a Qualifying Event; and
- you are insured for at least \$10,000 of Employee Basic Life Insurance.

How do you receive an Accelerated Benefit?

You need to submit a written request and Proof that you have experienced a Qualifying Event while your insurance is still in force. Your request must be approved by us. If you have assigned your Employee Basic Life Insurance, named an irrevocable Beneficiary or have a former Spouse named as Beneficiary as part of a divorce decree, you must have a Signed agreement from them that permits the Accelerated Benefit to be paid.

The Accelerated Benefit is paid in a single lump sum amount to you only one time under the Policy.

Are there any charges if the Accelerated Benefit is requested?

No.

What is the amount of the Accelerated Benefit?

You can request up to 80% of the amount of your Employee Basic Life Insurance currently in force. The maximum amount you can request is \$250,000. The minimum amount you may request is \$5,000.

If you have received an Accelerated Benefit under the prior insurer's group life policy, you can request up to 80% of your Employee Basic Life Insurance currently in force reduced by the amount of the Accelerated Benefit you received under the prior policy.

What happens to the amount of Employee Basic Life Insurance if you receive an Accelerated Benefit?

If you have received an Accelerated Benefit from us or the prior insurer's group life policy, your Employee Basic Life Insurance benefit under the Policy will be reduced by an amount equal to the Accelerated Benefit paid by us, and an amount equal to the Accelerated Benefit paid by the prior insurer's group life policy. The reduced amount remains subject to the Policy's terms and conditions.

CONVERSION PRIVILEGE

What is the Conversion Privilege?

If your Employee Basic Life Insurance ceases or reduces, you may be able to convert the amount that ceased or reduced to an individual life insurance policy. You need to apply for the Conversion Privilege within 31 days of the date the coverage ceased or reduced (the "31 Day Conversion Period"), or during any extension of the period permitted by the Policy.

When can Employee Basic Life Insurance coverage be converted and how much can be converted?

If your Employee Basic Life Insurance amount ceases or is reduced due to:

- termination of your employment;
- termination of your membership in an Eligible Class;
- your changing to a different Eligible Class;
- your Retirement;
- termination of your Waiver of Premium Benefit; or
- termination of coverage under the Insurance Continuation provision.

then you may apply for an individual life insurance policy up to the amount of life insurance that ceased or reduced.

4. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

If you have been continuously insured under the Policy for at least five years, and all or part of your life insurance ceases or is reduced due to:

- a revision to the Policy to reduce the amount of Employee Basic Life Insurance in your Eligible Class;
- a revision to the Policy to terminate your Eligible Class; or
- termination of the Employee Basic Life Insurance benefit provision.

then you may apply for an individual life insurance policy. The maximum amount of the policy will be the lesser of:

- \$10,000; or
- the amount that ceased or reduced, reduced by any amount of life insurance that you become eligible for under any group policy within 31 days after your insurance ceased or reduced.

You will be issued an individual life insurance policy without providing Evidence of Insurability.

How can you exercise the Conversion Privilege?

To exercise the Conversion Privilege, you must apply for it in writing and pay the first premium within 31 days following the date your insurance ceases or reduces. This is your 31 Day Conversion Period.

May the time to exercise the Conversion Privilege be extended beyond the 31 Day Conversion Period?

If you are not provided notice by your Employer of your right to exercise the Conversion Privilege within 15 days following the date your Employee Basic Life Insurance ceases or reduces, you will have an additional 15 days from the end of the 31 Day Conversion Period to exercise it. Otherwise, you must exercise the Conversion Privilege within the 31 Day Conversion Period.

What type of individual life insurance policy is available?

The individual life insurance policy may be any plan of life insurance offered by us for the purposes of conversion, at the attained age and the amount requested up to the amount that ceased or reduced. The individual life insurance policy will not include any additional benefits such as a waiver of premium benefit or an accelerated benefit.

The premium for the individual life insurance policy will be determined by the policy type and amount of the individual life insurance policy and the rate we charge for the standard class of risk and age to which you belong on the effective date of the individual life insurance policy.

When does the individual life insurance policy start?

If your application for the individual life insurance policy is received and the first premium is paid when due, the effective date of the individual life insurance policy will be the day after the 31 Day Conversion Period.

What happens if you die within 31 days of the date your Employee Basic Life Insurance ceases or reduces?

If you die within 31 days of the date your Employee Basic Life Insurance ceases or reduces, and we receive notice of claim and Proof of claim, a death benefit will be paid to your Beneficiary whether or not you had applied for an individual life insurance policy or had paid the first premium. The death benefit will be the amount of Employee Basic Life Insurance that you would have been eligible to convert. If you die more than 31 days after the date your Employee Basic Life Insurance ceases or reduces, no death benefit is payable. Thus, even if you die during a period of time in which you may still exercise the Conversion Privilege, but that period of time is more than 31 days after the date your Employee Basic Life Insurance ceases or reduces, no benefit is payable.

5. CLAIM PROVISIONS

- any other information we may require to make a claim determination.

We may require as part of the Proof, authorizations to obtain medical and non-medical information.

When will a decision on your claim be made?

We will send you a written notice of our decision on your claim within a reasonable time after we receive the claim but not later than 45 days after receipt of the claim. If we cannot make a decision within 45 days after receiving

- the standards on which entitlement to benefits is based;
- the unresolved issues that prevent a decision on the claim; and
- the additional information needed to resolve those issues.

If a period of time is extended because you failed to provide necessary information, the period for making the benefit determination is tolled from the date we send notice of the extension to you until the date on which you respond to the request for additional information. You will have 45 days to provide the specified information.

If we deny all or any part of your claim, you will receive a written notice of denial setting forth:

Can you request a review of a claim denial?

If all or part of your claim is denied, you may request in writing a review of the denial within 180 days after receiving notice of denial.

You may submit written comments, documents, records or other information relating to your claim for benefits, and may request free of charge copies of all documents, records, and other information relevant to your claim for benefits.

We will review the claim on receipt of the written request for review, and will notify you of our decision within a reasonable time but not later than 45 days after the request has been received. If an extension of time is required to process the claim, we will notify you in Writing of the special circumstances requiring the extension and the date by which we expect to make a determination on review. The extension cannot exceed a period of 45 days from the end of the initial period.

If a period of time is extended because you failed to provide information necessary to decide your claim, the period for making the decision on review is tolled from the date we send notice of the extension to you until the date on which you respond to the request for additional information. You will have at least 45 days to provide the specified information.

What if your claim is denied on review?

If we deny all or any part of your claim on review, you will receive a written notice of denial setting forth:

- the specific reasons for the denial;
- the specific Policy provisions on which the denial is based;
- your right to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim for benefits;

- the identity of any medical or vocational experts whose advice was obtained in connection with the appeal, regardless of whether the advice was relied upon to deny the appeal.

To whom are benefits payable?

Employee death benefits are payable in accordance with the Beneficiary designation made by you. Unless you specify otherwise, if more than one beneficiary survives you, all surviving beneficiaries will receive an equal share of the Basic Life Insurance benefit. The Beneficiary designation must be in Writing, in a manner acceptable to us, dated and Signed by you and on file with your Employer. If no beneficiary is alive on the date of your death or if there is no Beneficiary designation, the Basic Life Insurance benefit will be payable to your estate.

If we determine that a claim is payable, we will pay the benefit pursuant to the Beneficiary designation or the terms of the Policy, except in the following situations:

1. the Beneficiary is a minor. If the Beneficiary is a minor, we may pay the benefit: (a) into a retained asset account in the minor's name that can be accessed by the minor when he or she reaches the age of majority; or (b) to the minor's court appointed guardian or conservator or other party appointed by a court to be responsible for the minor's property or estate;
2. the person to receive the benefit is not competent. If the person to receive the benefit is not competent, we will pay the claim to the person's court appointed guardian or conservator or other party appointed by a court to be responsible for the person's property or estate; or
3. You die before we pay you. In such case, claim may be made by your executor or the administrator of your estate and we will pay the benefit to your estate.

If we do not pay you and claim is not made by the appropriate person designated above, we may at our option make payments under either Method A or B below. Any decision to pay a benefit, prior to the appointment of the appropriate person designated in items 1, 2, or 3 above is solely at our discretion, and we may choose to pay no amount under any circumstances until such appropriate person is formally appointed.

Method A: We may pay up to \$250 to any individual or entity we determine has incurred or paid expenses as a result of funeral services provided to or on your behalf. If we pay such a benefit, we will not have to pay that benefit amount again and the total benefit due under the Policy shall be reduced by the amount paid under this provision.

Method B: We may pay the whole or any part of such benefit:

- to your Spouse, up to a cumulative amount of \$5,000; or
- if you have no Spouse, up to a cumulative amount of \$5,000 to any one or more of the following relatives in the following order of priority:
 1. your child or children; or
 2. your mother or father.

The death benefit may be paid by a method other than a lump sum and may include any method of payment available to us. The available methods of payment will be based on the benefit options offered by us at the time of election, and will include making payment through a retained asset account as permitted by applicable state law.

6. INSURANCE CONTINUATION

Are there any conditions under which your Employer can continue your insurance?

While the Policy is in force and subject to the conditions stated in the Policy, your Employer may continue your insurance that was in force on the date immediately before the date you ceased to be Actively at Work by paying the required premium to us for any of the following reasons and durations:

- Absence due to Injury or Sickness – up to 12 months
- Layoff – up to 3 months
- Leave of Absence (including Family and Medical Leave of Absences) – up to 3 months
- Vacation – based on your Employer's policy, not to exceed 3 months.

You should contact your Employer for more details.

While the Policy is in force, if you are Totally Disabled on the date you cease to be Actively at Work, you may be eligible for the Waiver of Premium Benefit.

While the Policy is in force, you may be eligible to continue your insurance pursuant to the Family and Medical Leave Act of 1993, as amended or continue coverage pursuant to a state required continuation period (if any). You should contact your Employer for more details.

While the Policy is in force, you may be eligible to continue your insurance coverage pursuant to the Uniformed Services Employment and Reemployment Rights Act (USERRA). You should contact your Employer for more details.

After your continued insurance ends, you may be eligible for the Conversion Privilege.

7. CONTINUITY OF COVERAGE
