## **SECTION 4 - POLICYHOLDER PROVISIONS**

### **Ownership**

The policyholder is the owner of this policy and may agree with us to change it without the consent of or notice to the covered persons or their assignees.

### **Entire Contract**

The entire contract consists of:

- this policy;
- the application of the policyholder attached to this policy;
- each named insured's enrollment form and evidence of insurability, if applicable;
- certificates issued under this policy; and
- riders, endorsements or amendments to the policy or certificates.

### **Changes to the Contract**

This policy may be changed in whole or in part. Riders, endorsements and amendments add provisions to or change the terms of this policy.

Any changes to this policy, other than a change in the premium we charge, must be in writing and evidenced by endorsement on this policy, or by amendment to this policy signed by the policyholder and one of our executive officers at our home office. No agent or anyone else can change this policy or waive any of its provisions.

### **Furnishing Certificates**

The company will provide a certificate for each named insured. The certificate will provide a description of the insurance provided by this policy and will state:

- the benefits provided under this policy;
- to whom benefits are payable;
- the limitations, exclusions and requirements that apply to coverage under this policy; and
- how to file a claim against the coverage.

If there is any discrepancy between the provisions of any certificate and the provisions of this policy, the provisions of this policy will govern.

### **Contestability**

During the first two years from the policy effective date, if any intentional or unintentional misstatements are made by the policyholder in the application to obtain this policy, we can, at our sole discretion:

- void the policy;
- deny a claim for loss; and/or
- use the facts to decide whether the covered person has coverage, in what amounts, and make applicable premium adjustments.

In the event of fraud, however, we can at any time void the policy, deny a claim for loss, and/or take legal action as permitted by applicable law.

### **Conformity with State Statutes**

Any terms and provisions of this policy that are in conflict with the applicable laws of the state in which the named insured resides when the named insured becomes insured is amended to conform to the minimum requirements of those laws.

### **Our Right to Change Premiums**

We have the right to change the premium we charge after notifying the policyholder in writing at least 60 days in advance.

A change in the initial monthly rates will not take effect before the end of the rate guarantee period shown on the Policy Rate Schedule except for reasons which affect the risk assumed, including, but not limited to:

- a change occurs in this policy;
- a division, subsidiary, or affiliated company is added or deleted;
- the number of insureds changes by 25% or more; or
- a new law, a change in any existing law or regulatory process is enacted that substantially impacts this policy, the benefits payable or the risk insured.

After the rate guarantee period, we can change premium rates at any time. A change may take effect on an earlier date when both we and the policyholder agree in writing.

## **New Hires**

Members of an eligible class, as described on the Policy Rate Schedule, will become insured when they satisfy the requirements defined in the certificate.

## **Enrollment**

An individual who is a member of an eligible class may enroll in coverage during the eligibility period, as shown on the Policy Rate Schedule, that follows the later of:

- the policy effective date as shown on the Policy Rate Schedule;
- the date the individual first becomes a member of an eligible class;
- the date the individual completes the policyholder probationary period shown on the application of the policyholder, if applicable; or
- the date the individual meets evidence of insurability requirements, if any.

A **late entrant** is an individual who fails to enroll during the initial product offering, the new hire eligibility period or has voluntarily cancelled previous coverage and is reapplying. A late entrant may only apply during an open enrollment period with evidence of insurability. The policyholder and the company will determine when an open enrollment period begins and ends.

After the coverage effective date, the named insured cannot make any changes to the coverage type under this certificate until an open enrollment period, unless the named insured has a qualifying event. A **qualifying event**, for the purposes of this provision, means:

- birth or adoption of a child;
- issuance of a court order requiring coverage of a child;
- marriage;
- divorce; or
- death of a covered person.

The named insured will have 31 days from the date of occurrence of a qualifying event in which to:

- notify us they wish to make a change;
- complete any required enrollment form; and
- pay any additional premium, if applicable.

## **Information to be Furnished by the Policyholder**

The policyholder must keep a record of the named insureds and the particulars of the insurance on each and their covered spouse and dependent children, if applicable. As changes occur, the policyholder should provide us, on forms acceptable to us, information relative to any persons:

- who are eligible to enroll;
- who are insured by the coverage;
- whose amounts of coverage change;
- whose status changes and any other information that may be required to manage a claim; and/or
- whose coverage terminates pursuant to the "Termination of Insurance" provision in the certificate.

The policyholder should also provide us with any other information about the coverage that may be reasonably required, such as named insureds on leave of absence, including named insureds who are on leave under the Family and Medical Leave Act.

Policyholder records that have a bearing, in our opinion, on this policy will be available for review by us at any reasonable time. We may inspect these records at any time while this policy is in force and within one year after the termination of this policy.

All statements made in any application are considered representations and not warranties (absolute guarantees). No representation by the policyholder in applying for insurance under this policy will make it void unless the representation is contained in the application of the policyholder.

## **Clerical Error or Omission**

Clerical error or omission by us will not:

- prevent a covered person from receiving coverage;
- affect the amount of a covered person's coverage;
- cause a covered person's coverage to begin or continue when the coverage would not otherwise be effective; or
- reinstate coverage that validly ended.

## **Electronic Transactions**

Any transaction relating to this policy may be conducted by electronic means if performance of the transaction is consistent with applicable state and federal law. Any notice required by the provisions of this policy given by written, electronic and telephonic, as applicable, means will have the same force and effect as notice given in writing.

## SECTION 5 - PREMIUM PAYMENTS

### Premium Payments

The initial premium for each type of coverage under this policy is based on the initial monthly rates shown on the Policy Rate Schedule.

### Premium Amount

To ensure accurate premium calculations, the policyholder is responsible for reporting to us the following information during the stated time periods:

- individuals who are eligible to enroll are to be reported during the month prior to or during the month the coverage becomes effective;
- covered persons whose coverage has terminated are to be reported within a month of the date coverage terminated; and
- changes in named insureds' class are to be reported within a month of the date that the change in insurance class took place.

### When and Where to Pay Premiums

The premiums for each certificate must be paid in United States dollars, to our home office, when they are due.

The premium due dates are based on:

- the coverage effective dates shown on the Certificate Schedule; and
- the premium frequency.

The premium frequency is how often the premiums are paid. The policyholder will be liable to us for all unpaid premiums for any period, including the grace period, during which coverage under this policy was in force as to any covered person. Premium increases or decreases which take effect during an insurance month are due on the next premium due date following the change. Changes will not be pro-rated daily.

If premiums are paid on other than a monthly basis, premiums for increases and decreases will result in a monthly pro-rated adjustment on the next premium due date.

### Grace Period (If Premiums Are Not Paid When Due)

After the first premium, if the premium is not paid when it is due, it can be paid during the next 31 days. These 31 days are called the grace period. During the grace period this policy will remain in force, unless we receive written notice from the policyholder to cancel this policy. The policyholder is liable for premium due during the grace period and must pay us all premium due for the full period this policy is in force. If the premium is not paid before the grace period ends, the coverage provided by this policy will terminate at the end of the grace period.

## SECTION 6 - TERMINATION

### Termination of This Contract

This policy can be terminated:

- by the policyholder; or
- by us.

The policyholder may cancel this policy by written notice delivered to us at least 31 days prior to the cancellation date. This policy can be cancelled on an earlier date if we and the policyholder both agree. Coverage will end at 12:00 midnight Standard Time at the policyholder's address on the cancellation date.

We may cancel or modify this policy if:

- our participation requirements are not met, as applicable;
- the policyholder does not promptly provide us with information that is reasonably required;
- the policyholder fails to perform any of its obligations that relate to this policy;
- the premium is not paid in accordance with the provisions of this policy that specify whether the policyholder or the named insured pays the premiums;
- the policyholder does not promptly report to us the required information about any named insureds who are added or removed from an eligible group;
- we determine that there is a significant change in the policyholder or named insureds as a result of a corporate transaction such as a merger, divestiture, acquisition, sale, or reorganization that impacts the size, occupation, or age of any eligible groups;

- we provide the policyholder with 45 days written notice at any time after any rate guarantee period for any reason; or
- any change occurs in federal or state law, regulation, or regulatory process that substantially impacts this policy, the benefits payable, or the risk insured.

If we cancel this policy for reasons other than the policyholder's failure to remit premium, a written notice will be delivered to the policyholder by mail at least 60 days prior to the cancellation date.

If this policy is cancelled, the cancellation will not affect a claim for which we are liable under the terms of this policy.

**Policyholder Responsibility to Named Insureds**

If this policy terminates for any reason, the policyholder must:

- notify each named insured of the effective date of the termination; and
- refund or otherwise account to each named insured all contributions received or withheld from them for premiums not actually paid to us.

**Workers' Compensation**

This policy is not in lieu of, and does not affect, any requirement for coverage by workers' compensation insurance.

## SECTION 4 - GENERAL DEFINITIONS

Additional definitions may be contained in other certificate benefit provisions or any endorsement, amendment or rider.

**Calendar Year** means the period beginning on the coverage effective date shown on the Certificate Schedule and ending on December 31 of the same year. Thereafter, it is the period beginning on January 1 and ending on December 31 of each following year.

**Child or Dependent Child(ren)** means any child from live birth who is under age 26 who is:

- your own natural offspring;
- your spouse's child;
- your lawfully adopted child as of the earliest of (i) the date the child is placed in your home or in a medical facility, (ii) the date a petition is filed for you to adopt the child, or (iii) the date an adoption agreement signed by you includes your binding obligation to assume financial responsibility for the child;
- a foster child placed with you by an authorized placement agency or by judgment, decree or other order of any court of competent jurisdiction; or
- any other child residing with you through legal mandate that is dependent on you for financial support.

Coverage for your child may be continued past age 26 if your child is incapable of self-sustaining employment due to permanent intellectual or physical incapacity prior to reaching age 26 and is dependent upon you for support and maintenance. You must submit proof of the child's incapacity and dependency to us within 31 days of the child's 26th birthday. Ongoing proof of incapacity and dependency must be provided when requested by us, but not more frequently than once a year after the two-year period following the termination date. We will continue to charge any appropriate premium for that child as long as they meet the definition of a dependent child. It is your responsibility to notify us if any dependent child no longer qualifies as an eligible dependent. If this is one-parent family or two-parent family coverage and all of your dependent children no longer qualify as eligible dependents and you do not notify us, the extent of our liability will be to refund premium paid for the time period for which they did not qualify.

Your dependent children may not be insured as both a child and a named insured.

Your dependent children may not be insured by more than one named insured.

**Complications of Pregnancy** means that part of your pregnancy during which abnormal conditions or concurrent disease significantly affect the pregnancy's usual medical management. A complication may exist during the pregnancy, during the delivery, or after the delivery.

**Coverage Effective Date** means the date coverage begins as shown in the Certificate Schedule. The coverage effective date of this certificate is not the date you signed the application for coverage.

**Covered Condition** means any sickness, diagnosis, or loss shown on the Certificate Schedule which:

- occurs on or after the coverage effective date;
- occurs while coverage is in force; and
- is not excluded by name or specific description in this certificate.

**Covered Person** means any person covered under this certificate as described on the Certificate Schedule.

**Date of Diagnosis** means the date a physician confirms or a test proves that a covered condition exists. Date of diagnosis requirements vary by covered conditions.

**Doctor or Physician** means a person who:

- is licensed by the state to practice a healing art; and
- performs services for a covered person which are allowed by the physician's license.

For purposes of this definition, doctor or physician does not include any covered person or anyone related to any covered person by blood or marriage, a business or professional partner of any covered person or any person who has a financial affiliation or a business interest with any covered person.

**Evidence of Insurability** means a statement of your medical history which we will use to determine if you are approved for coverage.

**Policy Anniversary Date** means the date that occurs annually on the same day and in the same month as the First Policy Anniversary shown on the Policy Rate Schedule.

## **SECTION 14 - CLAIM PROVISIONS**

### **Notice of Claim**

If a covered person has an injury or sickness that may result in a claim for benefits under the policy, written notice must be given to us at our home office. This must be done within 90 days after a covered loss begins. If notice cannot be given within that time, it must be given as soon as is reasonably possible. The notice must contain enough information to identify the covered person.

If a loss occurs before receiving notification of our decision on any coverage amount subject to evidence of insurability requirements, the coverage amount applicable to the claim will be the coverage amount previously approved and on file with us and your policyholder.

### **Claim Forms**

When we receive written or verbal notice of a claim, claim forms will be sent with which to file Proof of Loss. If these forms are not given to you within 15 days, you will be excused from filing the forms as long as you send us Proof of Loss as described below.

### **Proof of Loss**

We must receive a written proof of loss within 90 days after the covered loss begins. If you are not able to give us written proof of loss within 90 days, it will not have a bearing on this claim if proof is given to us as soon as it is reasonably possible. In any event, proof must be given no later than one year from the time stated unless you are legally unable to do so.

Written proof of loss must include one or more of the following:

- documentation of diagnosis or treatment provided by a physician or medical facility and supported by clinical, radiological, histological, pathological, or laboratory evidence;
- a physician's bill, a hospital bill or other proof of charges; and
- in the case of death, a certified copy of the death certificate, or other lawful evidence providing equivalent information.

### **Authorization for Release of Information**

We may request written authorization from a covered person. This authorization may be required in order for us to obtain the necessary medical and non-medical information needed for proof of loss and continuing proof of loss. Failure to provide us with written authorization may result in the delay of processing your claim. If the covered person does not send proof to us and we are not able to obtain proof of loss that is required, we will be unable to make a claim decision.

### **Time of Payment of Claim**

After we receive written proof of loss and process your claim, we will pay any benefits due within 60 days.

### **Payment of Claim**

Benefits will be paid directly to you unless we receive your valid written authorization to pay benefits elsewhere, such as to a hospital or a physician's office. This is called assignment of benefits. We reserve the right to determine if an assignment of benefits is valid and consistent with applicable laws.

You have the right to name a beneficiary. It is important to list the full name of each beneficiary and that all beneficiary designations are kept current and provided to us or the policyholder. If you wish to change the beneficiary designation, you may do so by sending us or the policyholder a completed, dated, and signed beneficiary designation change form. Changes in beneficiary designations will take effect on the date notice of the beneficiary designation is signed by the named insured.

If one is not named, and we still owe you benefits at your death, benefits due will be paid in this order to your:

- spouse;
- children;
- parents;
- brothers and sisters; or
- estate.

If benefits are payable to your estate, we can pay benefits up to \$1,000 to someone related to you by blood or marriage who we feel is fairly entitled to them. If we do this, we will have no responsibility for this payment because we made it in good faith.

### **Unpaid Premium**

When a claim is paid under the policy, any premium then due and unpaid for your certificate may be deducted by us from the claim payment.

### **Overpaid Claim**

We have the right to recover any overpayments due to:

- fraud; or
- any error made during the processing of a claim.

You must reimburse us in full. We will work with you to develop a reasonable method of repayment if you are financially unable to repay us in a lump sum. This may include reducing or withholding future payments.

We will not recover more money than the amount we overpaid.

### **Questions Concerning the Named Insured's Claim**

If you have questions concerning your claim, you can call us at our home office. We are open Monday through Friday from 8:30 a.m. until 5:00 p.m. Eastern Time.

### **Physical Exam and Autopsy**

We can require that any covered person be examined or tested by one or more physicians, other medical practitioners, or vocational experts of our choice as often as it is reasonably necessary while this claim is pending. We can also require an autopsy in the event of the death of any covered person in those states where this is allowed. Either or both of these will be done at our expense. The autopsy must be performed in South Carolina.

### **Legal Action**

We cannot be sued for benefits under the policy:

- until 60 days after we are sent written proof of loss; or
- more than six years after the time has passed in which we require written proof of loss.

### **Claim Review**

If a claim is denied, we will give written notice of:

- the reason for denial;
- the policy provision that relates to the denial;
- the right to ask for a review of the claims; and
- the right to submit any additional information that might allow us to change our decision.

You may, upon written request, read any reports that are not confidential. For a small fee, we will make copies of those reports.

### **Appeals Procedure**

Prior to filing any lawsuit and within 60 days after denial of a claim, you or your estate must appeal any denial of benefits under the policy by making a written request for review of the denial.

### **Workers' Compensation Not Affected**

The policy does not replace or change any requirement for coverage under Workers' Compensation insurance.

## **SECTION 15 - PORTABILITY**

Portability allows you to continue coverage when coverage under the policyholder's group policy would otherwise end due to an eligible portability event.

Portability is made a part of this certificate and is subject to all of the provisions, limitations and exclusions of this certificate.

Any future changes made in the policyholder's group policy will not apply to coverage a covered person has ported, unless required by law.

### **Eligible Portability Events**

We will provide specified disease insurance portability coverage, subject to these provisions.

Such coverage will not be available for a named insured, unless:

- the named insured's specified disease insurance terminates under the provision Termination of the Named Insured's Coverage for one of the following reasons:
  - the named insured is no longer in an eligible class; or
  - the named insured's class is no longer included for insurance;
- we receive a written request by the named insured and payment of all premiums due for the portability coverage not later than 63 days after such termination;
- such termination is while the policy is in force; and
- the request is made on a form we furnish or approve for that purpose.

However, you will not be considered eligible to port coverage at the time of an eligible portability event if:

- the policyholder's policy is closed to new enrollments;
- the policyholder's policy is cancelled by us;
- the policyholder cancels the policy and offers replacement coverage; or
- the policyholder's policy is changed to exclude the class of covered persons to which you belong.

### **Coverage**

The benefits, terms and conditions of the portability coverage will be the same as those provided under the policy for specified disease insurance when the named insured's insurance terminated. We will allow you to decrease the face amount at the time portability is requested; provided that the face amount cannot be decreased below a Face Amount for Named Insured of \$5,000. Portability coverage may include any eligible family members who were covered under the policy. Any change made to the policy after a named insured is insured under the portability privilege will not apply to that named insured unless it is required by law.

Once premiums and all forms have been received, portability coverage will be effective on the day after coverage under the policy terminates.

### **Premiums**

You must make all premium contributions for ported coverage. Premiums are due and payable in advance to us at our home office. Premium due dates are the first day of each calendar month. The premium rates are based on the portability rates in effect on the date you apply to port coverage. We have the right to change the portability premium we charge on any premium due date. Written notice will be given at least 60 days before the change is to take effect.

### **Grace Period (If Premiums Are Not Paid When Due)**

After the first premium, if the premium is not paid when it is due, it can be paid during the next 31 days. These 31 days are called the grace period. During the grace period this coverage will stay in force. If the premium is not paid before the grace period ends, the coverage provided by this certificate will terminate at the end of the grace period.

### **Termination of Insurance**

Insurance under this portability privilege will automatically end on the earliest of the following dates:

- the date the named insured again becomes eligible for specified disease insurance under the policy;
- the last day for which premiums have been paid, if the named insured fails to pay premiums when due, subject to the Grace Period provision;
- the date the named insured dies; or
- the date insurance under this Portability provision is cancelled by us for any reason upon 31 days notice.

With respect to insurance for your spouse and dependent children, insurance under this portability privilege will automatically end on the earliest of the following dates:

- the date the named insured's insurance terminates;
- as to your dependent children, the date the dependent child ceases to qualify as a dependent child as defined in this certificate; or
- as to your spouse, the date the next premium is due after you divorce your spouse or your marriage is annulled or the date of your spouse's death.

In the event your policyholder's policy is terminated, any covered person who has continued their coverage under the Portability provision prior to the policyholder's policy termination date will not be affected.

Once insurance under this portability provision is cancelled, it cannot be reinstated.

**Termination of the Policy**

Portability coverage may continue beyond the termination date of the policy, subject to the timely payment of premiums. Benefits, terms and conditions for portability coverage will be determined as if the policy had remained in force and effect.

**Summary of the South Carolina Life and Accident and Health Insurance Guaranty Association Act and Notice Concerning Coverage Limitations and Exclusions**

Residents of South Carolina who hold life insurance, annuities, or health insurance policies should know that the insurance companies and health maintenance organizations (HMOs) licensed in this state to write these types of insurance are required by law to be members of the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA). The purpose of SCLAHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, SCLAHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through SCLAHIGA is limited. Consumers should shop around for insurance coverage and exercise care and diligence when selecting insurance coverage.

**Disclaimer**

Under South Carolina law, the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA) may provide coverage of certain direct life insurance policies, accident and health insurance policies, annuity contracts and contracts supplemental to life, accident and health insurance policies and annuity contract claims (covered claims) if the insurer becomes impaired or insolvent. South Carolina law does not require the SCLAHIGA to provide coverage for every policy. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.**

Coverage is generally conditioned upon residence in this state. Other conditions that may preclude or exclude coverage are described in this notice. Even if coverage is provided, there are significant limits and exclusions. Please read the entire notice for further details on limitations and exclusions.

Insurance companies and insurance agents are prohibited by law from using the existence of the SCLAHIGA or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under SCLAHIGA when selecting an insurer. The South Carolina Life and Accident and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

If you think the law has been violated, you may file a written complaint with the SCLAHIGA or the South Carolina Department of Insurance at the addresses listed below:

You should receive a response to your complaint within 10 days.

This safety-net coverage is provided for in the South Carolina Life and Accident and Health Insurance Guaranty Association Act (the Act). The following summary of the Act's coverages, exclusions and limits does not cover all provisions of the Act; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the SCLAHIGA.

## **COVERAGE**

Generally, individuals will be protected by the SCLAHIGA if they live in this state and hold a covered life, accident, health or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in South Carolina. The beneficiaries, payees or assignees of insured persons may also be protected if they live in another state unless circumstances described under the Act exclude coverage.

## **EXCLUSIONS FROM COVERAGE**

Persons who hold a covered life, accident, health or annuity policy, plan or contract are not protected by SCLAHIGA if:

- They are eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- The insurer was not authorized to do business in this state; or
- They acquired rights to receive payments through a structured settlement factoring agreement.

SCLAHIGA also does not provide coverage for:

- A portion of a policy or contract or part thereof not guaranteed by the member insurer, or under which the risk is borne by the policy or contract owner;
- A policy or contract of reinsurance, unless assumption certificates have been issued;
- Interest rate or crediting rate yields or similar factors employed in calculating value changes that exceed an average rate;
- Any policy or contract issued by assessment mutuals, fraternal, and nonprofit hospital and medical service plans;
- Benefits payable by an employer, association or other person under: (a) a multiple employer welfare arrangement; (b) a minimum premium group insurance plan; (c) a stop-loss group insurance plan; or (d) an administrative services contract;
- A portion of a policy or contract to the extent that it provides for (a) dividends or experience rating credits; (b) voting rights; or (c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;
- A portion of a policy or contract to the extent that the assessments required by Section 38-29-80 with respect to the policy or contract are preempted by federal or state law;
- An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner or policy owner, including without limitation: (a) Claims based on marketing materials; (b) Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements; (c) Misrepresentations of or regarding policy or contract benefits; (d) Extra-contractual claims; or (e) A claim for penalties or consequential or incidental damages;
- An unallocated annuity contract;
- A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or D or Medicaid; or
- Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes impaired or insolvent insurer, whichever is earlier.

## **LIMITS ON AMOUNTS OF COVERAGE**

The South Carolina Life and Accident and Health Insurance Guaranty Association Act also limits the amount that SCLAHIGA is obligated to pay for covered claims. The benefits for which SCLAHIGA may become liable shall in no event exceed the lesser of the following:

- With respect to one life, regardless of the number of policies or contracts: \$300,000 in life insurance death benefits, or not more than \$300,000 in net cash surrender and net cash withdrawal values for life insurance;
- For health insurance benefits: (a) \$300,000 for coverages not defined as disability income insurance or health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values; (b) \$300,000 for disability income insurance; (c) \$300,000 for long-term care insurance; (d) \$500,000 for health benefit plans; or
- \$300,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.
