

**NOTICE CONCERNING COVERAGE  
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA  
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

## **COVERAGE**

Generally, individuals will be protected by the life and health guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

## **EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are not protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.
- They acquired rights to receive payments through a structured settlement factoring transaction.

The association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy by a group contractholder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

## **LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
- (2) Except as provided in (3) (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
