

BENEFIT SPOTLIGHT: COST SAVING BENEFITS

With the changes to the State Health Plan, Wake County Public Schools is offering a suite of voluntary benefits plans with choices to fit your needs - and your budget.

Critical Illness Benefits:

For those unexpected health challenges, a Critical Illness plan from Colonial Life is there to help share those costs and offset the financial gaps in the State Health Plan.

Medical Bridge Benefits:

With rising deductibles from the State Health Plan, Medical Bridge from Colonial Life is there for those hospital bills you don't see coming.

Flexible Spending Accounts (FSAs):

As healthcare costs & taxes continue to rise, a Flexible Spending Account from Ameriflex can help you pay for planned medical expenses, reduce taxable income, and increase your take home pay!

Telemedicine Benefits:

With the removal of Teledoc coverage from the State Health Plan, Telemedicine Benefits from Call a Doctor Plus will get you connected whenever and wherever illness strikes.

Accident Benefits:

While you can't always prevent an accident, you can prepare for one. Accident coverage from Colonial Life provides benefits that pay you directly - helping fill in the gaps from the State Health Plan.

Don't puzzle over your benefits - attend the Benefits Briefing at your work location conducted by a Pierce Group Benefits Representative to see what coverage is right for you!
